WHEN ALL ELSE FAILS

When you think you have covered all alternatives—you haven't. That is number one. Number two is to then Call on God, ask for an instruction manual, AND USE IT!

Let us consider responses to our series on the articles from the *Dearborn Independent* on the question regarding the Jewish community and brotherhood. These articles in point were provided through intensive research into the topic by dozens of investigators and research parties to get valid information that is actually well known to the public if the public paid attention to anything other than their own personal ideas, ideals, and opinions. The purpose was to show that **NOBODY IN THIS SOCIETY COULD POSSIBLY KNOW FACTS WITHOUT GREAT STUDY INTO THE QUESTION ITSELF. THIS IGNORANCE BREEDS MORE AND MORE DISCONTENT AND INCORRECT PARTIES ARE HELD RESPONSIBLE FOR THE ACTIONS AND ACTIVITIES OF THE WHOLE OF A PERCEIVED PEOPLE—USUALLY TOTALLY WRONG IN CONCEPT AND FACT.**

JEU vs. JEW

We have pointed out that what you are referring to as Jew is NOT WHAT IT SEEMS. You are not actually focusing on the Judean or Judaic or even the Torahan “religious” rites. You are talking in major focus on the JEU. (Shrewd Gamesmen, etc.) This is NOT a race, creed, or color. However, you will find that there is not an alternative way to PRONOUNCE THE WORD ITSELF—IS THERE? The JEU comes from all religions, all races, all creeds and all colors.

The responses to us, by and large, are mostly from JEWS giving great appreciation for finally standing up FOR THEM against the false information and deceptions cast about upon a race/religion.

If you think the Jewish community is put-upon and deceived—take a better and long, hard look at the Christians, Moslems, and Islamic communities. Then consider very, very carefully the Chinese basic religions and find that you are outnumbered in just about every way. STOP THE INSANITY. NO MAN IS BETTER OR LESSER THAN ANY OTHER MAN—JUST DIFFERENT!

I am asked over and over these days to please find other historic writings which allow focus on the Jewish vs. the Jewish assumptions as presented through the years. I will be happy to do so but I have to ask you readers to do YOUR SHARE and STOP THE NONSENSE. You are brothers in whatever color you come and it is insanity to continue the bigotry one against another while your very world collapses in the morass of ill-conceived ideas. These are the very ideas impressed upon you to pull you asunder and then

you fall prey to the puppet-masters who have gained control over you through the tricks and buffoonery of political conquests. Further, while you are trying to decide if a person is Jewish or Christian—you flunk Humanity and waste away your time and energy. Judge an action—judge NOT the man. Discern things regarding the “man” in point according to all things presented by that man but don’t bother to judge his soul for that is for himself and God to measure.

I am wanting here to ask you a question or two about your knowledge and education: How many of you know ALL about the Ancient esoteric texts such as Jewish Pseudepigrapha, Christian Apocrypha, Gnostic Scriptures, *Kabbalah* or even the *Dead Sea Scrolls*? How many of you are totally familiar with the Ancient Eastern Manuscripts as are found in the *HOLY BIBLE* (not the King James of England version of tampered information)? Until you know all there is to know that is available, how can you make judgments OR discernments? Not even ONE religion is Spiritual truth in its presentation. At best a religion is a MAN-MADE DOCTRINE TO SERVE THE “CHURCH” NEEDS—OR BETTER STILL, THE HEADS OF THE CHURCHES. True Spirituality in reference and relation to GOD is totally (TOTALLY) between the individual sovereign person and GOD. Churches are groups of PEOPLE, nothing more, and you can find a good club meeting to be as Spiritual, unfortunately, as you will find in any Church. In fact, if God showed up in living form—most preachers and church elders would not know Him—so let us stop trying to fool ourselves. You go to churches to refuel your tanks, but what is most often the case is that you get a Pep talk and get your fuel tank (pocketbook) drained quite efficiently in the process. Friends, QUIT TRYING TO FOOL YOURSELVES FOR THE FOOLS ARE INHERITING THE EARTH AND ALL ITS MISERY.

In addition, before I go on with the topic in point—Jewry or Jeury—I must ask you to realize that men through the ages speaking on this topic never know what to call the groups presenting as, basically, false Jews. We can call them Zionists but you then must deal with the Mormon Zionists as well, wherein the FACTS will reveal that the Mormon Church uses the same rituals of secret nature as any other SECRET organization, and most come directly from the Freemasonic Order.

Further, when we use another’s work, WHICH I WILL DO EVERY TIME POSSIBLE—TO STOP THE NONSENSE ABOUT “REVELATION”—I MUST USE THE TERMS THE AUTHOR USES. NEITHER I, NOR YOU, HAVE TIME TO WRITE AT EVERY INDISCRETION FOUND WITHIN A DOCUMENT. These are lessons YOU must learn in order to be discerning, and when you serve God within HIS laws, the rest becomes quite easy to discern. IF IT IS NOT WITH GOD, THEN IT IS NOT “OF” GOD!

Every individual human is birthed with a knowledge of RIGHT and WRONG as to GOD’S TRUTH. All else must be LEARNED and, thus, who teaches the child? Ah so—think carefully for ignorance accepted is passed on and on through the ages, and truth will die if not attended.

There is no such reality in such as a “hate crime”, whether it be against any race or class of community of people. Crime is crime and there are laws against crime. The “hate” part is simply to further isolate, separate and confuse. If a man beats up another man it is a crime—period. There are laws against criminal activities—”hate” is a “state of being in emotional stance”; crime is a commitment of unlawful acts. If I take your purse unlawfully—the crime is in taking the purse, the theft itself—for whatever reason. It is not in “who” you snatch it “from”. Life will become far more easily mastered if you stop biting on all the nonsense

and ridiculous chaos tossed onto your plates. This very foolishness has ruined your judicial system. Crime is not difficult to determine. If a law is broken which damages another, then you have some varying stage of “crime”. Don’t confuse this with regulations, i.e., wearing a seat belt. It is no crime to not wear a belt or belt-in a child—but you have broken the REGULATIONS SET FORTH THROUGH LEGISLATIVE GUIDELINES IF YOU FAIL TO RESPECT THE PRONOUNCEMENT. You will then get fined or warned. With crime you should answer to a court and the party from which you damaged or thieved. People would like to label these “gray areas” but no, they are thus: did you do it or didn’t you do it?! “Reasons”, at best, as to “why” you do a thing may well affect the outcome—but guilt is laid to the lawbreaker—God’s or Man’s. “Reasons” may well affect the penalty for the act—but the act itself is the determining factor. Responsibility is what determines choices.

Example: If you are prone to get swept up in a moment of foolishness, then I suggest you stay away from those places where you might well get into such choices of actions. If you are going to protest and the “protest” goes nuts—expect to get arrested for you made the choice to be there in the first place. In other words, be responsible FOR YOUR CHOICES, for the law will hold you responsible. Remember that if you tote a gun—YOU made the choice to have that gun on you—and guns don’t kill people—people using guns often do kill people. If you are so weak as to have to find strength and self-worth with a weapon—you are in serious trouble over lack of responsible choices. Moreover, people who act outside the responsible laws—cannot then expect others, like us, to somehow fix the circumstances after the choices are made and acts performed. And people: GOD WILL NOT PROTECT YOU FROM YOUR OWN WILL OR DELIBERATE ACTIONS AND CHOICES. WHY SHOULD HE HELP YOU WHEN YOU ARE AS NEGATIVE AND WRONG IN INTENT AS IS YOUR OPPONENT? It is all about *you*—*you* as in SELF. And yes indeed, God will hold you responsible when you have had opportunity to be otherwise informed. KNOWING cannot ever return to UNKNOWING. And, ignorance deliberately taken is NOT the same as simple ignorance. This becomes deliberate intent of not-finding-out the rules and regulations. The road to Hell may well be paved with good intentions—but so, too, is the road to Heaven and “intentions” are YOUR INDIVIDUAL PROPERTY—WITH GOD, OF COURSE.

Therefore, it is YOUR responsibility as individuals to not take our writings OUT OF CONTEXT or twist them to suit your opinions. Your opinions of content, or of us, are none of our business.

Therefore, if we offer information—you have every right and responsibility to take it or leave it for we ONLY OFFER.

We have a couple of “reports” which were well-done observations by Senator Jack B. Tenney who was born back in 1898. These papers seem to be as good, as sources of information, today as they were when written. In the 1940s he headed a Committee on Un-American Activities which was also called a Fact-Finding Committee. The reports resulting have been generally accepted for their accumulation of accurate information. We can offer it as “information” only for we are not a committee to find facts—only present what others have found.

One of these reports is called *Zion’s Trojan Horse* and the other we have available will have more meaning if we offer the “Trojan” horse first.

With this in mind, and all the above presented, we can, yes, serve up some additional information on the topic covered in the *Global Parasite* series.

Perhaps to consider it a continuation we can simply call this series, much shorter than the other, *HIDDEN PARASITES*. This will speak of “Jews”, yes, but don’t be fooled for some of the most obvious players are JEUS and not JEWS.

With that we can herein offer the Introduction to *Zion’s Trojan Horse* by Senator Jack B. Tenney. We will offer a direct “copy” of the papers we have as directly as we can do so in respect to the original publishers and writers. We are told that these little journals are no longer available—we have no investigation as to that fact. They bear no copyrights and almost no information as to source of publishers.

The “Introduction” is done by Col. John Beaty, author of *The Iron Curtain Over America*, much of which is so excellent in information that we have offered a lot of that discourse prior to now.

If E.J. will be kind enough to give us some guidelines as to references, parts, and dates, we will endeavor to keep the portions correctly labeled.

PART 1: *HIDDEN PARASITES*

[QUOTING, *Zion’s Trojan Horse* by Jack B. Tenney, Cir. 1940s:]

INTRODUCTION

Col. John Beaty

To be of major significance, a book on the current world scene must meet three requirements: (1) It must be the work of a person who has been in an exceptional position for breaking through censorship and learning the truth; (2) it must be full and complete and written fearlessly, with no effort to hide or gloss over the evil deeds of any faction or minority; and (3) it must be written by one who is skilled in the writer’s art. *Zion’s Trojan Horse*, by Jack Tenney, possesses the triple qualification.

(1) Ten years of arduous work in the California Senate as Chairman of the Committee on Un-American Activities has given Senator Tenney a great body of information on vital facts to which newspaper columnists and other political writers, and even academic historians, have no means of access. The reason is obvious. In his strategic position, Senator Tenney not only had opportunities to force the disclosure of much information which would under no circumstances have become known to a writer who was not in a similar position of government authority.

(2) An author’s incumbency in high office or in a strategic position does not, however, guarantee that his book is of major importance. Too many such personages have written books to throw a smoke screen over their own surrenders to political expediency or to alien pressure. Other authors have written books which purport to cover the history of the past half century or to deal with the foreign policy of the United States of America and yet, from fear of an alien minority, make no reference whatever to Middle East, Israel, Jews, Judaism, Khazars, or Zionism! These books name names, but never the names of such history-making Jews as, for example, the Rothschilds, Chaim Weizman, Samuel Untermyer, those Jews prominent in more recent times in atomic espionage; in the U.S. executive departments, especially Treasury and State; and above all, in the personal staffs of the last three Presidents of the United States.

Books that leave out such topics and such names are worse than useless. They are dangerous. They teach the reader to place the blame for the world's perilous condition upon people of his own creed and kind, and not where it belongs—upon scheming alien manipulators. **[H: JEUS. Def. "Shrewd Gamesmen".]** Such books present a picture as much distorted from the truth as would be presented by a history of the U.S. Revolutionary War which made no reference to taxation without representation, the *Declaration of Independence*, and the Continental Congress; and made no mention of Thomas Jefferson, Benjamin Franklin, John Hancock, or other men prominent at the time in influencing public opinion.

But how, the reader may ask, can one tell without reading it whether a book by a seemingly authoritative author gives a full coverage of its subject? Fortunately, there is an easy test. Consult the index of each book which has attracted your attention. Make your own comparison, and back the book of your choice. The merest glance at the index of *Zion's Trojan Horse* will show you its full and fearless coverage of all phases of its vital subject. **[H: We will not yet have a sequence of writings but we can list the index contents next so that you can begin to picture what will be covered in this series from the book in point.]**

(3) Whatever a man's former position of authority and however full his coverage of his subject, he cannot have maximum effectiveness unless he writes well. Senator Tenney writes with a confidence and a zeal which the reader immediately senses and shares. Imbued by the emotion of the author, the reader is swept forward through the mass of details which fill the years between Karl Marx and the present. He is both fascinated and terrified by the climactic story of the growth of two tremendous forces, Communism and Zionism, so closely related in their objectives. The reader sees with the horror which can be induced only by superb literary writing how the aims of these two forces, Communism and Zionism, are alike hostile to America as a nation and to the Christian civilization of which our nation is the finest flower. **[H: Never mind the Jesuanian christianity as projected, or assumed, here. We speak of CHRIST-ianity which project the assumption of GOD AS LIGHTED TRUTH AND MORALITY. However, for you who don't quite yet understand the differences here, you may well be squaring off "Christianity" VS. non-Christianity. If you are to assume that we only speak of Jewish conflict or opposition—you are incorrect, WRONG! What Mr. Tenney or Mr. Beatty may "assume" or project may or may not fill this meaning, so be careful in your taking in of this information for terms change in meaning and you can get distracted over and over again. The best approach is to THINK.]** The reader shares the author's indignation at the subtle way in which Communism and Zionism have played Christian nations against each other in bloody conflict, and is appalled at the combination of subtle infiltration, brazen bullying, and everlasting propaganda with which these two alien forces have ridden rough-shod over the world and have demanded and secured in this country rights and privileges which involve the destruction of America and the degradation of the Christian West.

In *Paradise Lost* John Milton wrote the epic of the fall of man, a fall which was engineered by an alien intruder into the Garden. In *Zion's Trojan Horse*, Jack Tenney has written of the fall of American man, and of American women, too, under the blandishments, the bribes and the intimidation of alien intruders into our garden-spot, America. To read this great book is to arm yourself with knowledge. With your increased knowledge you will feel increased confidence and have a new power to go forth and defend your country, your ideals, and your faith.

AGITATION FOR WORLD WAR II

ANTI-GENTILISM

CHANCE OR DESIGN?

[END OF QUOTING]

I choose to leave this now but need to make another comment or two regarding the sequence of these writings.

The documents are published in a series as was Ford's work. However, we don't have all the volumes in the reports. I suggest you just accept what we have, and if you wish more in-depth study, try the more recent publishers of the material: Sons of Liberty, P.O. Box 449, Arabi, LA 70032. We, however, have done no research work in locating these facilities or in knowledge if they are still viable resource.

We will eventually combine our own writings inclusive of the information we have received, under *Hidden Parasites*, and they will be available as journals. This is for you who want the bound books rather than newspaper articles, as I present the information with my own comments.

We greatly honor those who came before and were daring enough to speak out even at the risk of life itself. Truth does not change—but clarification and confirmation is invaluable as “time” moves on and as prior information can be brought into relationship with the “today” of your experience.

There are so many distractions which come forth in life that we can only promise to offer this information as quickly as possible and in the sequence presented to us. I want to do some of the series offered, myself, so that I can witness the input and not have a load dumped on others of our journalistic team. I DO KNOW MORE and the reason for that is obvious. I can also have greater ability to shut down the foolish misconceptions and attitudes of those who would confront that about which they know NOTHING but command and demand attention for their foolish projections on the topics covered. They may certainly do it—so you must use your right to intelligent reason FOR SELF. May the brain you save be your own.

It is certainly not the fault of the “Jewish” people that the wrong identification of label is affixed to these Elite organizers, so quit the wrong assumptions. A “White” man, for instance, may or may not be a Jewish person. In the Middle East, a Jewish person will look IDENTICAL to an Arab—so forget the bigotry in favor of some knowledge-gathering. Above all: KNOW THAT SEMITE IS NOT EQUAL TO “JEW” AND MOST OFTEN HAS NO RELATIVE MEANING AT ALL.

In addition, readers, it doesn't hurt if you disagree with someone else. From honest and honorable intercourse and discourse is the ONLY WAY to actually LEARN. So what if your knowing prior to this has been lacking—so, you LEARN IT NOW! Question it and the more you doubt and question—the harder you must look to discount or account—THAT is your choice. In this manner you can come to exist in a stance of knowing and stop the amazing spread of wrong information which makes you as responsible for misinformation as the deliberate consorts of disinformation. If you didn't know there were such people as “Khazars”, then join the bigger crowd of non-informed who didn't know either—but KNOW NOW. I

will stand forever in your right to not know—I will not stand silent in your ignorance or refused learning while you bash another in your own ignorance.

You have a RIGHT OF FREE SPEECH but is it too much to expect your speeches to be RIGHT in content and concept? You DO NOT HAVE A RIGHT TO ABUSE ANOTHER BY YOUR FREE-ANYTHING.

The facts ARE: Judaic TRUTH is as near as you are going to get, in its untampered form, to the guidelines of historic Spiritual records. You can go back to Aton of Egypt and still find lies and rumors and the most corrupt form of human evil. Just because a Spirit appears and professes to know it all—BEWARE! A departed “Spirit” is exactly THAT—a departed Spirit—and usually the first to contact you will be of the worst kind. It is YOUR responsibility to sort your own information flow-lines.

Dharma’s days are filled to overflow with current legal mandates as to time and location so we can only promise to do the best we can with those physical limitations, for others have their assigned tasks and I would not usurp my brother’s scribes for my accepted task except in emergency. But, readers: YOU MUST BE ALERT FOR EMERGENCIES ARE GOING TO BE COMING FROM EVERY DIRECTION, JUST AS PROMISED BY THE SEERS.

Thank you for your personal input and sharing but I ask forgiveness for inability to respond to each of you—even to our long-standing friends and compatriots. Humans are simply limited to that which IS. And, I am as close as your thoughts—please remember that, chelas. When you ONLY directly share with me through Dharma, you miss the point of Spiritual connections. Share with her, but don’t expect an answer FROM ME through her!!

LIGHT CAN ONLY SHINE THROUGH ENLIGHTENMENT AND KNOWLEDGE, SO LET US NOT LINGER IN THE DARKNESS OF IGNORANCE FOR EVEN ONE MOMENT LONGER THAN IT TAKES TO LEARN. Salu.

CHAPTER 2

REC #1 HATONN

FRI., JUNE 5, 1998 7:48 A.M. YR. 11, DAY 293

FRI., JUNE 5, 1998

Life is too short to get hung up in non-change. If you want to see what life is about on the other side of the hoop, then change. Make a change in your life. Give yourself a break... You take a risk, you take a dare and you do it. You just do it.

We must make changes because changes are inevitable and the first change we have to make is in ourselves, as to how we see the world and how we are able to deal with life. That change comes about by releasing the past, releasing the blame, the anger, and frustration for what you feel has been done to you, and to get on with your life.

LITTLE CROW

Until you are WILLING to change your attitudes, move out of your prejudice and bigotry, you cannot change your chaotic world into any form of balance. Only after mankind balances himself with his fellow-man can he balance anything else presented by the world of physical expression.

You end up with tyrants and rulers because you are unwilling to give up the chaos to CHANGE. And, friends, until you can change you can only have chaos.

Last evening it came as a hard note on a beautiful evening at the middle-school “graduation” here in Tehachapi. Rick was shocked, and we here are not easily *shocked*.

He had gone to attend the program and noted that three rather interesting young men were among the “graduates”. They each had identical trappings and hair-dos. The hair was bleached blond-white and almost of skinhead length. They each appeared, as called to receive their paper, and each GAVE A HAND SIGNAL OF SATAN TO THE CROWD—WHEREIN THE KIDS “WENT WILD” WITH WAGGLING GOAT SIGNS AND OVATIONS.

This is YOUR LIFE, chelas, and THESE ARE YOUR BABIES. And still you wonder why children shoot their mates in school or on highways and their parents in their beds at home? How long can YOU blame SOMEONE ELSE?

These kids are NOT “Jewish” and they are NOT “Jeuish”—they are NOT Christians (although they may or may not be called same)—THEY ARE OF THE CHURCH (BODY) OF SATAN!

HOW could this happen? Easy—YOU LET IT HAPPEN.

In the past we have written extensively on the topic of Satanism, religions, and yes, the very horrendous treks of the Christians (so-called) in their bloodbath marches across nations as they demanded all become Jesusians. These things, however, are easily found in libraries and historical documents—but now we speak of the Jewish element as it has moved forward, once again along the same corridors of time and space, sequence and place.

Could we not speak more on Moslems and Buddhists? Of course, but we must discern whereat lies the greater urgency. TODAY it is the standoff between what is thought to be Jewish and that which is THOUGHT to be Arab and other. None of the qualifications are valid in either instance. The game is about the would-be Puppet-MASTERS and the soon-to-be SLAVES. Each claims to serve righteousness and equality. WOW! Can you not see that NEITHER serves righteousness? BOTH sides serve the cause of Satan and nobody seems to openly admit such choices. How terrible is the wrath of man against and upon man as you kill and destroy for your Masters.

We speak of bibles and their writers—the Christian claiming the *Holy Bible* is the work of God and Christ. No, it is the work of man. The *Talmud* is the WORK OF MAN. MAN IS FLAWED AND PRESENTS WAR AS A MODE OF MEASURE. IT IS NOT OF GOD EVEN IF IT APPEARS IN THE FIRST WRITTEN SCRATCHES OF MANKIND. And, readers, don't give me emphatic descriptions of a happening of ancient times—too long ago to even remember—for you are giving me the scratching of mankind upon the memories and minds of yourselves. WERE YOU THERE WHEN GOD CREATED EARTH AND MAN? THEN HOW DARE YOU PROCLAIM ANOTHER MAN'S SCRIBBLINGS—THE VERY MAN WHO WOULD DESTROY AND RULE YOU?

GOD IS SIMPLICITY AND EASY TO UNDERSTAND—FOR ALL GOODLY THINGS COME FORTH FROM GOD. HIS RULES ARE SIMPLE AND EASY—JUST DO IN LOVE ONE TO ANOTHER AS YE WOULD DO FOR SELF. “HE” places no “unless” in his instructions—YOU DO.

Let us move on to our topic underway.

PART 2: *HIDDEN PARASITES*

[QUOTING, *ZION'S TROJAN HORSE*, Sen. Jack B. Tenney, Circa 1940s:]

THE WANDERING JEW

In dispersion From the Beginning

Although few Jews can prove that their most remote ancestor ever trod the soil of Palestine, Jewry has persisted in the fiction of the *Diaspora*. It may be said that Jewry has been in *dispersion* from the beginning. There were many more Jews in Alexandria in 250 B.C. than there were in Jerusalem; Jews whose forbears had not shared the Babylonian captivity; Jews who had no knowledge of Hebrew. Throughout the Roman empire, in Spain and Africa, there were closely-knit communities of Jews who had never known the land of Canaan. At the birth of Jesus of Nazareth the Jews were the most racially mixed people on the face of the globe.

Wherever a Jewish community existed, there also was the *Talmud*.

Each community kept in close touch with Jerusalem. Wherever a Jew wandered he found Jewish settlements and colonies. Religious and educational organizations were founded and maintained long before the Christian era. Financial assistance for Jerusalem was a well established Jewish activity throughout the civilized world, and political pressure and “back stair diplomacy” were fine Jewish arts centuries before Titus destroyed Jerusalem and the Temple in 70 A.D.

After the establishment of Christianity, Roman Jewry made excellent use of its geographic position by interceding with the Holy See on behalf of Jewry in trouble elsewhere in Christendom, as it had done with the Roman emperors in the centuries before Christ.

International Jewish conferences were held sporadically throughout the world until about the 17th Century. They were discontinued because of Gentile suspicions.

The Nineteenth Century witnessed the first open organizational activities of modern world Jewry. British and French Jewry met in a conference called by Sir Moses Montefiore and the *Board of Deputies of British Jews* in 1840. Adolphe Cremieux (Isaac Moise) attended this conference. The *Board of Deputies of British Jews* thereafter undertook responsibility for Jews everywhere. The *B'nai B'rith* was founded in New York City in 1843 for the express purpose of uniting the Jews of the world in the secret body.

Jewish “emancipation” followed the Jew’s emergence from Ghettos (which appears for the greater part to have been self-imposed segregation) and progressed at a rapid pace in Europe from the time of Moses Mendelssohn.

Religious equality was a condition imposed by the Great Powers of the Nineteenth Century for the independence of such states as Serbia and Rumania. The Serbian *Skuptshina*, by unanimous vote abolished the constitutional provision that limited the political rights of Serbian Jews. In Rumania most of the landed property of the Rumanians was heavily mortgaged to Jews and Rumania moved slowly in the fulfillment of the condition imposed. In October of 1879, however, a law was adopted conferring the privileges of citizenship upon every foreigner in the country and restricting the ownership of landed property to Rumanian citizens. A ten-year probationary period between application for citizenship and its actual attainment was a compromise which appears to have solved the Rumanian problem and to have been acceptable to the Great Powers.

Although Moses Mendelssohn (born Moses ben Mendel at Dessau, September 6, 1729) advocated Jewish penetration of Christian society, he always remained a Jew in the ethnic sense. He outwardly professed Judaism but at heart he was agnostic if not atheistic. His first literary venture was a German translation of Jean-Jacques Rousseau’s “*Discourse on the Origin of Inequality Among Men*”—an onslaught on civilization which contends that the savage state is superior. In founding the *Hascala* movement Mendelssohn did not intend to advocate Jewish *adherence* to Christian civilization; he proposed *adaption*, thereby uncovering “a world of heretofore unheard-of possibilities where initiated Jews could exercise their influence”. Mendelssohn has been called the *Third Moses*, in that he brought the Jews out of their ghettos and showed them the Promised Land—and because of its method of penetration, there are

those who believe that *Hascala* was also the name of the Jewish-Trojan horse.

In 1857 American Jewry exerted itself for the first time in the United States as a minority pressure group. Protesting the denial of residential and commercial rights to American Jews in Switzerland, a convention was organized by American Jewry in Baltimore. Rabbi Isaac M. Wise was selected as the spokesman of the delegation by this meeting and directed to confer with President James Buchanan on the subject.

Meanwhile many Jews were attaining wealth and position throughout the world. In 1828 Jews had been made eligible for municipal offices in England. In 1858 they were admitted to the House of Commons. Baron Nathan de Rothschild was the first Jew who walked the halls of Westminster. There has never been any prohibition against Jews holding public office in the United States.

The Mortara Affair in 1860 resulted in the creation of the *Alliance Israelite Universelle* in France by Adolphe Cremieux. The organization dedicated its efforts to “the emancipation of our brethren who still suffer under the burden of discriminatory legislation”, and it purported to be international in both its objectives and its membership.

The *Board of Delegates of American Israelites* was organized at a convention in New York City November 2, 1859. The purposes of this organization were, like all the others, strictly Jewish and in behalf of Jewry. It called for the “maintenance of friendly relations with similar Hebrew organizations throughout the world” and the “redress of grievances” of Israelites everywhere. In 1878 the organization merged with the *Union of American Hebrew Congregations*.

Jewish organizations began to emerge throughout the world after 1860. The *Anglo-Jewish Association* came into existence in England in 1871. In Austria, in 1872, the *Israelitische Allianz* was born. The *Hilfsverein der deutschen Juden* was organized in 1901 ostensibly in behalf of the Jews in Eastern Europe and Asia.

The Nineteenth Century witnessed the quiet mobilization of world Jewry;—an accelerating mobilization that passed from the religious atmosphere of the synagogue to the public forum of international politics with increasing clamor and tumult. The legend of “religious persecution” was carried over into the political arena of the Twentieth Century under a new and more potent appellation—”anti-Semitism”. It was to be the central theme of Herzl’s argument for a Jewish state—and he would—unintentionally perhaps—place the blame on the Jews themselves. “The Jewish question,” he wrote, “exists wherever Jews live in perceptible numbers. Where it does not exist, it is carried by Jews in the course of their migrations. We naturally move to those places where we are not persecuted, and there our presence produces persecution. This is the case in every country, and will remain so... till the Jewish question finds a solution on a political basis.”

The *American Jewish Committee* was organized in New York City in 1906. Some Jewish authorities contend that this group grew out of the *National Committee for the Relief of Sufferers by Russian Massacres* established in 1903 by Oscar S. Straus, Jacob H. Schiff and Cyrus L. Suizberger, but there is much evidence to indicate that its creation was prompted by other considerations. It is very interesting to note, in passing, that the membership of the *American Jewish Committee* was held at fifty until comparatively recent times. Jewish authorities have referred to the “*Fabian policy*” adopted by the *American Jewish Committee*, a term which denotes a cautious, gradualistic approach to an objective. The policy

may account for the careful limitation of membership for so many years, and is in keeping with the historical and time-honored Jewish practice of individual *shtadlanim*;—”back stair secret diplomacy”.

THE CHOSEN PEOPLE

The *Bible* tells us that when Abram was ninety-nine years old Jehovah appeared to him and, after changing his name to Abraham, established a covenant which was to be everlasting between Jehovah and Abraham’s seed: “and I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God.”

Upon this theme orthodox Jewry has reared the fiction that the Jews are the Chosen People of God and that *all other peoples are* outside His favor. “The forces (wealth) of the Gentiles shall come to thee... and the sons of strangers shall build up thy walls, and their Kings shall minister unto thee... Thou shalt suck the milk of the Gentiles,” and “ye shall eat the riches of the Gentiles and in their glory shall ye boast yourselves...” are samples of Biblical promises that Jewish rabbis have taken to heart literally. The *Talmud* is the culmination of the development of Jewish traditionalism. Dr. Henry H. Milman refers to the *Talmud* as “that wonderful monument of human industry, human wisdom, and human folly”. It has been characterized as “the most irresistible organ ever forged for the subjugation of the human will”. It is, without question, an important factor in any study of the phenomenon of organized Jewry’s dynamic drive for world power.

What is the *Talmud*?

Said Benjamin Disraeli, himself a Jew: “Here... we find a prodigious mass of contradictory opinions, an infinite number of casuistical cases, a logic of scholastic theology, some recondite fancies; ethics and sophisms, reasonings and unreasonings, subtle to have happened which these doctors have not perplexed or provided against, for their observations are as minute as Swift exhausted in his ‘*Directions to Servants*’. The children of Israel, always children, were delighted as their *Talmud* increased in volume, and their hardships. The *Gemara* was a third law to elucidate the *Mishna*, which was a second law, and which had thrown the first law, the law of Moses, into obscurity.”

Wrote Dr. Izaak Da Costa: “The *Talmud* is an immense heap of rubbish, at the bottom of which a few bright pearls of Eastern wisdom are to be found. No book has ever expressed more faithfully the spirit of its authors. This we notice the more when comparing the *Talmud* with the *Bible*—the *Bible*, that Book of books, composed by Israel *without* their God, in the time of their dispersion, their misery, and their degeneracy.”

Dr. Milman, in his *History of the Jews*: “The reader, at each successive extract from this extraordinary compilation hesitates whether to admire the view of profound allegorical truth and the pleasing moral apologue, to smile at the monstrous extravagance, or to shudder at the daring blasphemy. The influence of the *Talmud* on European superstitions, opinions, and even literature remains to be traced. To the Jew the *Talmud* became the magic circle within which the national mind patiently labored for ages in performing the bidding of the ancient and mighty enchanters, who drew the sacred line beyond which it might not venture to pass.”

Dr. Edersheim (*Life and Times of Jesus the Messiah*) described it thus: “If we imagine something combining law reports, a Rabbinical ‘*Hansard*’, and notes of a theological debating club—all thoroughly oriental, full of digressions, anecdotes, quaint sayings, fancies, legend, and too often of what, from its profanity, superstition and even obscenity could scarcely be quoted, we may form some general idea of what the *Talmud* is.”

Dr. Phillip Schaff (*History of the Christian Church*): “The *Talmud* is the slow growth of several centuries. It is a chaos of Jewish learning, wisdom, and folly, a continent of rubbish with hidden pearls of true maxims and poetic parables. It is the *Old Testament* misinterpreted and turned against the *New*, in fact, though not in form. It is a Rabbinical Bible without inspiration, without the Messiah, without hope. It shares the tenacity of the Jewish race... The *Talmud* is the Bible of Judaism separated from, and hostile to Christianity, but it barely notices it except indirectly. It completed the isolation of the Jews from all other people.”

Says Louis Finkelstein in the Foreword to the First Edition of *The Pharisees* (Morris Loeb Series, *Jewish Publication Society of America*)” “Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom, and adjustment of Law, the spirit of the ancient Pharisee survives unaltered. When the Jew reads his prayers, he is reciting formulae prepared by pre-Maccabean scholars; when he dons the cloak prescribed for the Day of Atonement and Passover Eve, he is wearing the festival garment of ancient Jerusalem; when he studies the *Talmud*, he is actually repeating the arguments used in the Palestinian academies. Nor is it merely the outer accoutrements of Pharisaism which have survived in his life; the spirit of the doctrine has remained quick and vital.”

In a First Edition of the *Babylonian Talmud* “revised and corrected” by Dr. Isaac M. Wise, President of the *Hebrew Union College*, we find the following in the Editor’s Preface: “The *Talmud* is free from the narrowness and bigotry with which it is usually charged, and if phrases used out of their context, and in a sense of the very reverse from that which their author intended, are quoted against it, we may be sure that those phrases never existed in the original *Talmud*, but are the later additions of its enemies and such as never studied it.” **[H: My oh my, and we are supposed to believe that Dr. Wise STUDIED it? There is no way to misinterpret the words—in context or out thereof. I will note, however, that exactly as all Bibles have been tampered and changed, so too will have been the Talmud to meet the needs of changing society and its movement toward control of one people over others. To say, as is coming next, that the Jewish people of today are the product of the Talmud is certainly NOT a compliment to anyone—most especially the Jewish people of modern expression. But we do find that the people of other religions are ALSO the product of their TAMPERED BOOKS ON INSTRUCTIONS OF HOW TO LIVE.]**

In order to discredit Jewish testimony concerning the *Talmud*, Rabbi Wise writes: “The attacks on the *Talmud* have not been made by the enemies of the Jews alone. Large numbers of Jews themselves repudiate it, denying that they are *Talmud* Jews, or that they have any sympathy with it. Yet there are only the few *Karaites* in Russia and Austria, and the still fewer Samaritans in Palestine, who are really not *Talmud* Jews. Radical and Reform, Conservative and Orthodox, not only find their exact counterparts in the *Talmud*, but also follow in many important particulars the practices instituted through the *Talmud*... The modern Jew is the product of the *Talmud*...”

In the Introduction to *The History of the Talmud* we learn that the *Talmud* has been the victim of continuous persecution. “During the twenty centuries of its existence,” says the Introduction, “not one of them has passed without great and powerful enemies vying with each other and exhausting every effort to destroy it; still it survived in its entirety, and not only has the power of its foes failed to destroy even a single line, but it has not even been able materially to weaken its influence for any length of time. It still dominates the minds of a whole people, who venerate its contents as divine truth, and countless numbers have sacrificed their lives and their possessions to save it from perishing.”

The first allegedly to persecute the *Talmud* were the Seleucidae (in the time of Antiochus Epihanes), the Roman Emperor Nero, Domitian, Hadrian, the Samaritans, the Sadducees, Boethuseans, the Christians, and all sects opposed to the Pharisees. Before the Popes, Justinian decreed capital punishment to those who studied it. Says our historian: “From the time of Pope Innocent III, the 11th to the 18th, in Italy, France, Germany, Spain, and many other countries, and in the 18th, also in Poland by the Frankists, by Bishop Dembovski, where copies were dragged through the city, tied to horses’ tails and then delivered to the executioner to be burned at the stake in Kamenetz, Lemberg, Brody and elsewhere, the *Talmud*, the Israelites were forced to dispute with its enemies, and had to pay heavy fines for arriving late to the dispute, as well as for being vanquished in argument, the judges being their enemies.”

[H: There is intelligence for you, and PROOF THAT ONE GROUP OF BIGOTS IS CERTAINLY NO BETTER THAN ANY OTHER IGNORANT GROUP OF BIGOTS. I am actually asked— BY JEWS—”just what is it that it says in the *Talmud*?” Oh my, readers, if you be Jew would it not be wise to FIND OUT FOR SELF? But realize that you are NOT going to like what you find unless you have the stance of a One World Order headed by tyrants. Know too that the Yiddish language (using Hebrew characters as in “alphabet” but not in any way Hebrew) demands that a simple reader will NOT UNDERSTAND the book or the *Protocols* which stem from the book itself. You “Biblical scholars” who do not do more than attend a preacher’s sessions—are equally ignorant of the contents of that/those *BIBLES*. When you bother to study the parts NOT offered to your consciousness until “after the fact” it is noted that most back away like from an atom bomb. Therefore comes realization that the “idea” is presented in nicely cleaned phrases—but the TRUTH is not offered at all.]

The Jewish historians always omit the reasons for Christian objection to the *Talmud*. They charge persecution of the *Talmud* in the same manner as so-called Jewish “defense agencies” charge “anti-Semitism”. Is the *Talmud*, like the Jews, without fault? We think not. It accounts in great measure for Gentile reaction toward Jewry through the centuries. Says a writer in the *Edinburgh Review*: “When we sound the sombre, exclusive, pitiless depth of the inner doctrine of the *Talmud*, we see that a reason exists for that marked and secular demarcation between the Jew and the Gentile, for which we were about to blame our own intolerance. Purposely and rigidly, in exile no less than in the splendor of the theocratic polity, has the hand of the Jew been directed by the depositories of his traditions against every man. It is the law of self-defense that has raised the hand of every man against him. Our ancestors were not, after all, so blindly cruel as some writers are too ready to admit. Offers of friendship and of brotherhood are as powerless as are the fires of the Inquisition to break down that moral wall, substantial as the very fortress wall of the Temple, that resisted the voice of Christ, and that has been strengthened by the constant efforts of the doctors of the *Talmud* for five centuries after the fall of Jerusalem. The power of resistance is the same at this moment that it was two thousand years ago. The point of attack is still the same as in the days

of Herod. To the question ‘Who is my neighbor?’ the *Talmud* returns one reply, and the parable of the Good Samaritan another. The mercy to be shown, as Moses taught, to the stranger, is qualified by the *Halaca* by the assumption that he must also be a proselyte. All questions as to which accord would be otherwise possible, whether in the historic past, or the dimly predicted future, are insoluble, while the justice, mercy, and truth—the weightier matters of the Law—are, by the guardians of the Law of Moses, confined to those of their own faith and blood. The vitality of Judaism was contained in the doctrine, that the Jews had one father, even God. The hope of the future of humanity lies in the good tidings that God is the common Father of mankind.”

In the Thirteenth Century, a Jew named Donin was excommunicated by the rabbis because he “appeared” to rebel against Judaism. In Rome in 1239, under the name of Nicolus, Donin charged that the *Talmud* contained sacrilegious references to Jesus Christ and the Virgin Mary, and so distorted the Scriptures by its interpretations and comments that thereby the Deity was blasphemed. Donin further charged that the *Talmud* gave license to illegally deprive Gentiles of their property and granted permission to deceive them. In short he charged in thirty-five counts that the *Talmud* was the enemy of Christianity.

Nicolus Donin met with certain Jewish rabbis in Paris in 1240 and debated the charges against the *Talmud* made by Donin the year before in Rome before Saint Louis and his court. Rabbi Jechiel, the most prominent of the rabbis, would not admit that the Jesus referred to in the *Talmud* was Jesus of Nazareth, but maintained that he was another Jesus. Modern Jewish scholars appear to disagree with Rabbi Jechiel. Wrote Dr. Levin (*Die Religions Disputation des R. Jechiel vin Paris*, etc.): “We must regard the attempt of R. Jechiel to ascertain that there were two by the name of Jesus as unfortunate, original as the idea may be.” **[H: It never seems to strike these writers and all-knowing scholars that there was NO original “Jesus” in any event. Jesus was a tag-name given after the fact of Esu Immanuel.]**

Donin presented *Kol Nidre*, a Jewish prayer, as evidence of the immorality of Jewry. *Kol Nidre* invoked by the Jews at the beginning of the evening service of the Day of Atonement and (the Hebrew version) repudiates all vows, oaths, and obligations made by the supplicant since the last Day of Atonement. (The Aramaic version repudiates all vows, etc., *to be made during the coming year.*) Rabbi Jechiel was unable to offer any plausible defense.

The meeting between Donin and the rabbis evidently convinced the authorities that Donin was right and that the rabbis were wrong. Wagon-loads of *Talmuds* were burned in Paris in 1242 and Christendom was evidently convinced that Donin’s allegations were true. Whatever else may be said of the *Talmud* all impartial authorities appear to agree that it contains, in addition to offensive passages, many bad features. It is therefore not surprising that it was so often burned. The *Bible* has also been burned. In the ages of ignorance books of all kinds were held in awe and were believed to be possessed of supernatural powers;—powers for either good or bad. The good books were held in reverence, and the evil books were destroyed. **[H: Nothing really changes, does it? Thousands of our journals have been burned and many banned—and we only objectively bring some research and educational facts for whom-ever wishes same. We don’t even foist anything off onto anyone. Your world is pretty sick, readers, and has been quite terminal for a very long time.]** If the *Talmud* was against Christianity and contained blasphemies against its doctrines; if it taught a double-standard of ethics and morality—one for the Jew and his relationship with Jews and a different one for the Jews’ relationship with Christians, then to the medieval mind, it had to be destroyed. And, of course, the Jews would burn the Christian *Bible* if

they were able to do so. The *Jewish Encyclopedia* quotes R. Tarfon as declaring: “The writings of the *minim* deserve to be burned, even though the name of God occurs therein...”.

In the Jewish year 5391 (1631 A.D.) a council of Jewish elders convened in Poland and addressed a circular letter to the several Jewish communities. It reads as follows: “Great peace to our beloved brethren of the house of Israel.—Having received information that many Christians have applied themselves with great care to acquire the knowledge of the language in which our books are written, we therefore enjoin you, under the penalty of the great ban (to be inflicted upon such of you as shall transgress this our statute), that you do not in any new edition either of the *Mishna* or *Gemara*, publish anything relative to Jesus of Nazareth; and you take special care not to write anything concerning him; either good or bad, so that neither ourselves nor our religion may be exposed to any injury. For we know that those men of Belial, the *mumrim*, have done to us, when they became Christians, and how their representations against us have obtained credit. Therefore, let this make you cautious. If you should not pay strict attention to this our letter, but act contrary thereto, and continue to publish our books in the same manner as before, you may occasion, both to us and yourselves, greater afflictions than we have heretofore experienced, and be the means of our being compelled to embrace the Christian religion, as we were formerly; and thus our latter troubles might be worse than the former. For these reasons we command you that if you publish any new edition of those books, let the places relating to Jesus of Nazareth be left in blank, and fill up the space with a circle like this 0. But the rabbins and teachers of children will know how to instruct the youth by word of mouth...”.

In the Foreword by Chief Rabbi Dr. J.H. Hertz to the Soncino edition of the *Babylonian Talmud* (London, 1935) he states that “all the censored passages reappear in the Text or Notes.” He concludes his Foreword by stating that “never before has there appeared a translation of the *Order Nezikin* as helpful to the student as these volumes of the Soncino edition of the *Babylonian Talmud* in English.”

It is now apparently admitted by Jewish writers that the word *min* (plural *minim*), so often mentioned in the *Talmud*, denotes the Christians, while *minuth* means Christianity. The *Jewish Encyclopedia* states that its etymology is obscure. It probably was first applied to those Jews who embraced Christianity “just as ‘goy’, which in the *Bible* has only the meaning of ‘nation’ took later the sense of ‘non-Jew’.” It was forbidden to partake of meat, bread, and wine with the *min*. Scrolls of the Law, *telfillin* and *mezuzot* written by a *min* were burned. An animal slaughtered by a *min* was forbidden food. The relatives of the *min* were not permitted to observe the laws of mourning after his death, but were required to assume festive garments and rejoice. The testimony of the *min* was not admitted in evidence in Jewish courts. An Israelite who found anything belonging to one who was a *min* was forbidden to return it to him. (The *Jewish Encyclopedia* was prepared by “more than four hundred scholars and specialists” under the direction of an Editorial Board composed of the following: Cyrus Adler, Welhelm Bacher, Gottard Deutsch, Richard Gottheil, Emil G. Hirsch, Joseph Jacobs, Kaufmann Kohler, Herman Rosenthal, Isidore Singer and Crawford H. Tay. Isaac K. Funk was Chairman of the Board; Frank H. Vizetelly was Secretary of the Board, and William Papper was Associate Revising Editor.)

Gentiles (non-Jews) are classed as “barbarians”, although the *Jewish Encyclopedia* states that Rabbinical interpretation of *Ezekial XXXIV:31*, “and ye my flock, the flock of my pasture, are men” holds that only Israelites are *men*. This interpretation makes Gentiles something less than men; lower animals, cattle. Gentiles might claim no right under Jewish civil laws. Says the *Jewish Encyclopedia*: “It follows that the

Gentiles were excepted from the general civil laws of Moses.” The *Mishnah* decrees that if a Gentile sue an Israelite, the verdict is for the defendant; if the plaintiff is an Israelite against a Gentile the Israelite is to obtain full damages. **[H: Perhaps our attorneys might better understand the feelings of mistreatment in the courts of today!]** The *Talmud* provides that where an ox belonging to an Israelite has gored an ox belonging to a Canaanite (Gentile), there is no liability, whereas where an ox belonging to a Canaanite gores an ox belonging to an Israelite, compensation is to be made in full. **[H: It seems our people have walked this crooked road of legal inequality for over ten years now. And they are told now that there is NO RECOURSE. We shall see, won’t we?]**

The following is from the *Jewish Encyclopedia*:

“The *Talmud* relates in this connection that the Roman government once commissioned two officers to question the Rabbis and obtain information regarding Jewish laws. After a careful study they said: ‘We have scrutinized your laws and found them just, save the clause relating to a Gentile’s ox, which we can not comprehend. If, as you say, you are justified by the term “neighbor”, the Gentile should be quit when defendant as well as when plaintiff.’ The Rabbis, however, feared to disclose the true reason for outlawing the Gentiles as barbarians and rested on the textual technicality in the Mosaic law, in accordance with which they had authority to act in all cases coming within their jurisdiction.”

Where a Jew sells a Gentile landed property bordering on the land of another Jew, he shall be excommunicated because the Jewish neighbor may claim “thou has caused a lion to lie on my border.” The *Talmud* Rabbis believed that all property in the hands of Gentiles was seized property and therefore considered “public property, like unclaimed land in the desert” and that Israel could take the land as conquerors. “And thou shalt consume all the people which the Lord thy God shall deliver thee; thine eyes shall have no pity upon them... for thou art an holy people unto the Lord thy God; the Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the Earth.” (*Deuteronomy* VII; 16:6.)

The *Jewish Encyclopedia* states: “The *Torah* outlawed the issue of a Gentile as that of a beast... A Gentile woman was not allowed to suckle a Jewish babe, save in the presence of Jews. Even so it was feared that the Gentile nurse might poison the child... The *Talmud* comments on the untruthfulness of Gentiles... ‘A band of strange children whose mouth speaketh vanity and their right hand is a right hand of falsehood.’”

The Jewish law against overcharging one-sixth or more above the current price of marketable merchandise applied only to a Jew and not to a Gentile. “Samuel declared legal a transaction in which an error has been made by miscalculation on the part of Gentile. Following out his theory, Samuel was unscrupulous enough to purchase from a Gentile a gold bar for four *zuz*, which was the price of an iron bar; he even beat down the price one *zuz*. Such transactions, while regarded as perfectly proper and legitimate among Gentiles, were not tolerated among the Jews themselves.” (*Jewish Encyclopedia*.)

Simon ben Yohai is considered the most fanatical of the anti-Gentile teachers. He is the author of the expression “*tob shebegoyim harog*” which is translated by *Jewish Encyclopedia* editors as “the best among the Gentiles deserves to be killed.” These same translators admit that various versions of Simon ben Yohai’s saying is rendered “Egyptians” instead of “Gentiles”. **[H: Oops?]** The Gentiles, according to

this venerable *Talmudian*, “resemble the easy-going, selfish dog”, whereas “Israel is like the patient ass.”

Judah ben ‘Illai recommended the daily recital of the “benediction”: —”Blessed be thou... who hast not made me a goi” and expressed the pious prediction that the Gentiles “will ultimately come to shame”.

Much more might be offered, both from the *Talmud* itself (the official Soncino edition) and from authoritative Jewish translators and writers, but the foregoing should suffice for an understanding of the official sources of anti-Gentilism. Most material used here is taken from the *Jewish Encyclopedia* rather than from the *Talmud* so that it cannot be said that the sense of the citation is distorted, taken out of context or prejudicially interpreted. It is to be expected that all religious movements, sincerely and deeply advocated, exclude the disbelievers from its theories of salvation and that the adherents of each movement, to a greater or lesser extent, look upon these outside the faith with distaste and loathing. Few religious movements, however, exclude ALL peoples on the basis of *race*. The proselyte, regardless of ethnic origin, is usually welcomed warmly into the brotherhood of the “true faith” whatever it might be. This certainly is not the spirit of the *Talmud*, no matter how it is interpreted and its occasional contradiction to the contrary notwithstanding. Its faith is not only in Jehovah; it is in the *one-people* who enjoy an everlasting covenant with HIM. It is a race-superiority concept that soars over and beyond anything ever conceived by the world’s Hitlers—a concept that bases its claim on Holy Scripture and divides the world into two classes—the Israelites and “cattle”.

The influence of the *Talmud* upon the Jews of the world is probably incapable of estimation. To say that its influence has been great would be a gross understatement. Its profound effect on the minds of the **savage Khazars of Mongolian Russia** is apparent in the activities of their descendants—in the incessant drive of Socialist-Communist Jews and organized Zionists for world conquest and domination. No treatise on this subject may properly ignore the racism of the *Talmud*.

“The *Talmud*,” said a writer in the *Edinburgh Review*, “not only awaits the infant at birth and regulates every incident of that event (even to the names of angels that are to be inscribed on the door, and the words on the four corners of the apartment), but anticipates each circumstance from the earliest moment of probability. In every relation of life, in every action, in every conceivable circumstance—for food, dress, habit, language, devotion, relaxation—it prescribes almost every word to be uttered, and almost every thought to be conceived. Its rule is minute, omnipresent, inflexible. Its severity is never relaxed. To borrow an illustration from the founder: the Jewish mind, subjected while in a fusible state to this iron mould, has been at once chilled and case-hardened by its pressure.”

[END OF QUOTING]

There is a factual recognition that the Jewish people of these tribes, called Pharisees, were and REMAIN, anti-Christ. They do not adhere to the ancient customs of tribes from say, Shem. I make no pronouncement upon these people—other than perhaps to say that the modern so-called *Talmudic Jew* is blind, deaf and mostly dumb. By dumb I mean “mute”—not as in stupid or ignorant—I mean “DUMB” in that they refuse to look, listen, or allow speech which contradicts this information come forth from the research of their own people. Most Christians are even more foolish in that they take up the cry of the Judean-Christian projections and in their ignorance become equally ANTI-CHRIST. Neither are acceptable to the Christ consciousness—nor to the GODLY Jew. GOD GAVE ALL MANKIND A SET OF INSTRUCTIONS FOR FAIR AND EQUAL APPLICATION SO, BY ACTION ACCOMPLISHED,

MOST OF MANKIND HAS SET HIMSELF APART FROM GOD HIMSELF.

It is not our prerogative to twist arms and coerce anything. Our purpose is to allow you to become INFORMED wherein possible so that we can overcome the negative impacts of such teachings upon humankind, one against another. God's laws are very simple, easy, harmonious, and balanced so that man can live justly and righteously under HIS LAWS. You have rewritten, mistranslated and deliberately tampered the LAWS to read according to the most powerful non-Godly individuals upon your placement. So be it for the TRUTH will OUT and perhaps can be "More than less, sooner than later" [Clinton].

Do YOU even know what you have taught your children? No, and therefore those that teach them the sign of Satan will prevail upon their minds and hearts—while they move into hatred of you for your indiscretions.

May you study these things with an open mind, for chances of reclaiming that which is your heritage in abundance and balance is becoming short on time. Readers, there is NOT going to be some wondrous Rapture to snatch you to the bosom of God and out of your greed and avarice. The very concept is that somehow you can take it with you—that "stuff" and human self. No, it is not going to be that some man, as pronounced by some OTHER MEN, meets YOUR RESPONSIBILITY. YOU ARE RESPONSIBLE AND NO CHRIST OR MAN CAN TAKE THAT FROM YOU OR UPON HIMSELF—ONLY HIS OWN. But, readers, the TRUTH is that one day Jew and Gentile will take hands and march together or there will BE NO FUTURE. I indicate "Jew" and "Gentile" as described by the *Jewish Encyclopedia* of Jew being Jewish and Gentile BEING ALL OTHER HUMANS. This also connotes that, therefore, all Jews are anti-Christ and all Gentiles are anti-Jew. Semite is NOT a valid term regarding anyone or anything outside the tribe of Shem and as relates to all people with origins from the area of the Arab world. So the false teachers have blundered in the face of Truth. Will it matter to you who blindly trip along the pathway to your desires of physical self? It hasn't so far.

Salu and good morning.

CHAPTER 3

REC #1 HATONN

SAT., JUNE 6, 1998 7:40 A.M. YR. 11, DAY 294

SAT., JUNE 6, 1998

DIGNITY IS SHARED IN OPEN ACTUALITY

When we act in truth and honor it is with respect and appreciation that we SHARE with others the gifts we obtain and the status we attain. In the secret places come the dark shadows of deceit and counterfeiting. Hypocrites spend half their time, at least, in these dark hiding places. The results of the works are seen darkly—after a dirty deed is accomplished—hopefully. The intent is to do that which the greed-mongers desire and do it in such ways as to disallow the open knowing until it is too late for positive change.

The perpetrators are always making themselves egotistical mouths of great self-assertive know-it-alls, but are they? No, they are the destroyers of freedom, PRESENTERS OF WARS, and employ criminal acts geared to deceive the slaves of their choosing. How much freedom, even in America where it is touted from the mountain tops, DO YOU HAVE? You are a state slave if even one iota of “your” property can be seized for failure to pay a tax. Then, note, you are taxed under force to support the political buffoon-idiots of the political and material ghettos and, oh yes, they DO LIVE IN GHETTOS. A ghetto is a place in a city, or town, where a group of minorities live. This place can house rich or poor and in every city you will find both—but not existing together as in “community”, especially of purpose. The rich will be finding ways to get richer and the poor will simply be surviving. The middle-class slaves are working and paying for the others. A nation or a person living off loans and paying taxes AND interest (usury) are SLAVES to the lenders and bankers. THIS IS NOT FREEDOM! You, further, will find the shrewd gamesmen living in the most expensive parts of the ghettos while the lesser tend their lawns, gardens and houses—for them. They are tended at the lowest price possible, to boot. This will usually mean the people without legal papers so that there is no complaint over the low wages or rebuttals of any kind. It is called blackmail.

Well, that is not our topic—or is it? The review for today certainly deals with the “terrible power of the purse” so perhaps we need to consider the merged possibilities.

PART 3: *HIDDEN PARASITES*

[QUOTING ZION'S TROJAN HORSE, Sen. Jack B. Tenney, Circa 1940s:]

THE TERRIBLE POWER OF THE PURSE

[H: Before we end this particular series we will give a bit of chronological summary to the events and players of the Zionist Master Plan for World Power. You will see that it includes the players mentioned herein BUT you will see that it has little or nothing to do with “Jewish people”.]

Theodor Herzl, speaking of the Jews, declared: “When we sink, we become a revolutionary proletariat, the subordinate officers of all revolutionary parties, and at the same time, when we rise, there rises also our terrible power of the purse.”

It is interesting to note that Herzl did not say “when some Jews sink” or “when *some Jews rise*”. He specifically said “when *we* sink” and “when *we* rise”. He was thinking of the “Jewish nation” and not of Jewish individuals. He conceived a *race movement* toward a common objective. Whether or not Jews blasted their way by force and violence through Christian barriers, bought and bribed their way, or combined both methods for the attainment of the common objective mattered not at all to Herzl. He conceived a *race movement* toward a common objective. **[H: I would here, however, defend the parties who offer bribes or buy-outs because it takes the bribed and paid-off to complete the “Tango” here implied. If the Jew did the bribing, then probably it had to be a Gentile who took the bribe, so keep your kleenex handy to mop the prejudice off your faces.]** He was neither moralizing nor speculating. He was merely stating an historical fact and issuing a directive to world Jewry. The combination of the “terrible power of the purse” and “the revolutionary proletariat” was to achieve world-shaking significance in the Russian Revolution.

The Jewish revolutionary proletariat developed significance with the rise of the terrible power of the Jewish purse. Without the assistance of Jewish bankers the Jewish revolutionary leader of the Red Army, Trotsky, would have failed. Without the “terrible power” of the Jewish purse, the invasion and conquest of Palestine would have been impossible.

Jacob Schiff, the Rothschilds, and the Warburgs are a few of the international Jewish bankers who have played an important role in shaping the destiny of Western Christian civilization.

JACOB HENRY SCHIFF

The firm of *Kuhn, Loeb & Co.*, was established in 1867 by Abraham Kuhn and Solomon Loeb. The two had started out as general merchandise merchants in Lafayette, Indiana in 1850.

Jacob Henry Schiff was born in 1847 at Frankfort-on-the-Main, Germany. He came to the United States in 1865 and joined the staff of a New York City banking house. He became a naturalized citizen in 1870. He returned to Europe in 1873 where he made important connections with some of the chief Jewish bankers and banking houses in Germany. Returning to the United States he became a partner in the banking firm of *Kuhn, Loeb and Company* in 1875 where his financial connections with the Rothschilds and their principal German agents, the Warburgs, became of great importance.

Within ten years Abraham Kuhn was dead and Solomon Loeb had retired. Jacob Schiff became the head of the company.

His association with E.H. Harriman against J.J. Hill and J.P. Morgan & Co. for control of the *Northern Pacific Railroad* resulted in the stock-market panic of May 9, 1901. The struggle left Schiff and his firm in a strong position. The firm became the “financial reconstructors” of the *Union Pacific Railroad* and, since that time, has been “strongly interested in American railroads”. In order to suppress “ruinous competition” Schiff took the lead in the establishment of the *Northern Securities Company*. He was

several times the vice-president of the *New York Chamber of Commerce* and was a director of the *Central Trust Company*, *Western Union Telegraph Company*, and the *Wells Fargo Express Company*.

[H: Don't overlook the massive amounts of money made during this time on Peruvian Gold Certificates and other assumed national debts of other countries. The Treasury Dept. may well have accepted the debt according to regulations presented in the *Monroe Doctrine*—BUT, THE BUSINESS HOUSES OF KUHN, LOEB AND COMPANY MADE THE BANKING DEALS OF THE DAY AND LOANED BUNCHES OF MONEY ON THE HELD CERTIFICATES. OLD J.P. DIDN'T DO BAD, EITHER, ON THOSE COLLATERALIZED PAPERS. PLEASE DON'T THINK THIS IS SOMETHING “JUST FOR TODAY”. THE FEDERAL RESERVE SYSTEM SHUT DOWN A WHOLE BIG LOT OF THAT COLLATERAL FROM NON-GOLD DOCUMENTS AND BURIED THE OTHERS. OH, INDEED, BONUS 3392-181 IS A VALID AND BANK-BREAKING CONTRACT.]

Through his firm, *Kuhn, Loeb & Company*, Schiff floated the *Japanese War Loans of 1904-1905*, thus ensuring the defeat of Russia. He marketed the Chinese Loan of 1911. His hatred of Russia led him to exert great influence in barring that country from the money markets of the United States.

He was one of the leaders of the *National Committee for the Relief of Sufferers by Russian Massacres*.

Jewish authorities proudly declare that Schiff always used his wealth and influence in the best interest of the Jews. He presented the fund and the building for Semitic studies at *Harvard*. He was Chairman of the East Asiatic Section of the *Museum of Natural History of New York*. He presented the *New York Library* with a large number of works dealing with Jewish subjects. He presented a students' social hall to *Barnard College*. His philanthropies embraced “every phase of Jewish life”. He was the president of the *Montefiore Home* and a contributor to *Mount Sinai Hospital*. He took a leading part in the reorganization of the *Jewish Theological Seminary of America*. He was a trustee of the *Baron de Hirsch Fund* and the *Woodbine Agricultural School*. He provided the funds for the building for the *Young Men's Hebrew Association of New York City*.

Schiff died in 1920. His son, Mortimer Leo, succeeded him as head of *Kuhn, Loeb & Co.*

[H: Now for those of you who think I am putting down these business heads, strike the thought and perish the idea. I hope you are taking lessons. In every big event accomplished it was DONE UNDER THE FULL COMPLIANCE WITH THE LAWS AND BUSINESS MANAGEMENT. THE FACT THAT THEY MADE THEIR OWN LAWS AND REGULATIONS REMAINS BESIDE THE POINT—THEY EXIST. WHY, DEAR ONES, DO YOU DISDAIN USE OF THESE LAWS FOR BETTERMENT? WHY DO YOU ALWAYS EXPECT GOD TO TAKE THE “RUMBLE SEAT” [an add-on rear seat] TO ALL THE WONDROUS OPPORTUNITIES IN A WORLD—EVEN ONE GONE TOTALLY MAD? You do not err in using all the laws and regulations made for the most mighty to accomplish your own progress. Your concern is with the laws of God. FIRST, YOU DO NOT EVEN BEND THE LAWS OF GOD—AND THEN, ACT FULLY WITHIN THE LAWS LAID FORTH FOR THE CITIZENS OF THE LAND. IF A LAW

WILL PROTECT A BROKER OF THE WEALTHIEST CORPORATION—IT WILL PROTECT YOU AS WELL. PONDER IT AND STOP DRAGGING YOUR FEET TO SUCCESS.]
THE ROTHSCHILDS

Mayer Anselm Bauer was the founder of the House of Rothschild. He was the son of Anselm Moses Bauer, a Jewish merchant of Frankfort-on-the-Main. His father planned for him to be a rabbi, but he preferred business. At the sign of the “Red Shield” (*Rothschild*) in the *Frankfort Judengasse* he ultimately established himself as a money-lender. He became the agent of William, ninth Landgrave, in 1801. In 1802 Bauer (who had now taken the name of Rothschild) negotiated his first government loan—a matter of ten million thalers for the Danish Government. He died at Frankfort on December 12, 1812, leaving ten children, five sons and five daughters. **[H: And that, readers, is enough offspring to inhabit the world. Perhaps that is why there are more descendants from Rothschild than from Adam.]**

Branches of the *House of Rothschild* were established at Vienna, London, Paris and Naples and each was in charge of one of the sons. Adroit employment of a multitude of agents throughout the world plus the utilization of ingenious methods of rapid communication enabled the brothers to bring all of Europe within their financial network. Intermarriage solidified and preserved the family interest, and assured continuity of Rothschild control in the several establishments. In 1815 Austria granted the brothers the privilege of hereditary landowners and in 1812 they were made barons. Thereafter the daughters of the Rothschilds—and there were many—were enabled to marry into English and Continental Gentile families, thus extending the Rothschild influence and blood into the British House of Lords and into the ruling circles of European nobility.

Anselm Mayer was in charge of the Frankfort house. He was chosen a member of the royal Prussian privy council of commerce. In 1820 he became Bavarian counsel and court banker.

Solomon had charge of the Vienna branch. His intimate relationship with Prince Metternich led to the firm’s connection with the allied powers.

Jacob, the youngest of the brothers, undertook the establishment of the Paris branch after the restoration of the Bourbons. He negotiated large loans for them but was a heavy loser in the 1848 Revolution. He financed the earliest French railroads, reaping enormous profits on the speculation.

Karl superintended the Naples branch, the least important of the five. It was discontinued in 1860 when Naples was annexed to Italy.

Nathan, the third brother, is generally considered to have been the financial genius of the family. He came to Manchester in 1800. In 1805 he moved to London. He employed carrier pigeons and fast sailing boats for transmitting intelligence and, utilizing information unknown to the general public, he became adept in manipulating the rise and fall of stocks. In 1810 Wellington made some drafts which the English Government could not meet. Rothschild purchased them at a liberal discount. They were ultimately redeemed by the Government at par. Rothschild immediately became associated with the allied powers in the struggle against Napoleon, negotiating the loans that enabled the continuation of the war. Rothschild’s fortune ultimately became involved in the outcome of the contest. He followed the fortunes of the army of Wellington at Waterloo, watching the ebb and tide of battle with the feverish eagerness of the gambler who had staked his last dollar on the turn of a card. Bluecher’s defeat two days previous had thrown London into a panic

and brought stock tumbling on the exchange. Armed with the knowledge of Napoleon's defeat hours before it reached the public, Rothschild reaped a fortune.

Rothschild popularized foreign loans in Britain by fixing the rate in sterling and making the dividends payable in London. He soon became the financial agent of nearly every civilized Government.

Lionel succeeded his father in the management of the London house (1836). The fall of Louis Philippe (1848) of France increased the importance of the London Branch. Lionel was distracted somewhat from the strict financial interests so ardently pursued by his father, by the Jewish question in particular and politics in general. He was elected to Parliament as a representative of the City of London in 1847, and again in 1849 and 1852. In 1858 an Act of Parliament and a resolution of the House of Commons, *altering the oath of office*, permitted him to take his seat. He represented the City of London until 1874.

During Lionel's management the London house financed no less than eighteen government loans, including the Irish famine loan and the Turkish loan of 1858.

Other Jewish families were in the business of financing governments—the Lazards, Sterns, Speyers, and Seligmans. They had followed the Rothschild pattern of establishing local branches in European capitals, each under the management of a brother. After 1848 the governments of Europe threw their loans open to the public instead of relying solely on the Rothschilds and the Sterns were able to capture a few of the plums, notably the Portuguese loans. Smaller Jewish firms combined their resources, out of which emerged the *Credit Mobilier*, the *Dresdener Bank*, and the *Deutsche Reichsbank* of Berlin.

The Rothschilds arranged with Bleichroder, at the termination of the Franco-Prussian war, for payment to Germany of an indemnity of five milliard francs. In 1875 the London house advanced the British government 5,080,000 pounds for Suez shares, thereby making a profit of one hundred thousand pounds. In 1884 they loaned the Egyptian government one million pounds.

France rebelled against the "Semitic influence of the Rothschilds" and, in 1876, launched the *Union Generale* with a capital of four million francs, increasing it to twenty-five million francs in 1878. The bank was to be essentially Catholic. The *Union Generale* failed after numerous difficulties, carrying many French families into financial ruin. The Rothschilds were left victors in the field. Says the *Jewish Encyclopedia*: "It is a somewhat curious sequel to the attempt to set up a Catholic competitor to the Rothschilds that at the present time the latter are the guardians of the papal treasure."

The Rothschilds have consistently kept the secret of their operations.

[H: Privacy is not a bad thing, readers, and if the above represents "secrecy", then that alone is not a measure of good or bad. Money, further, is not good or bad—it IS. On your level of existence it is seemingly impossible to even survive if you have not that commodity called money. So, what prevents so-called Godly people from having a whole big bunch? Ideas, that's what! This has nothing to do with Jews or Gentiles, readers, it has everything to do with shrewd business adventures and ventures. You can't move ahead in any enterprise or endeavor without shrewd business moxie—but you do NOT have to bring pain and hurt to your business fellows or to the very people who offer such wealth. We are simply sorting out the PLAYERS in this game

so far as amazing accomplishments, good or bad, have come to take place. However, since the successful have structured LAWS to protect their interests while still being laws for all the people at least some of the time, can't you learn the methods of accomplishment and utilize that which is offered? No, it is NOT wrong, and in concept of accomplishment it is wrong NOT TO USE THE TOOLS OFFERED. You will simply use the tools and change the approach to bring worthy gain to all the people and nations by NOT using those negative regulations which destroy instead of build for the common man of the world. There are ample ways available to gain wealth without, for instance, using "interest" as is utilized to gain the wealth of the nations unto the few. This is the most deadly of the elements of gamesmanship in the control of world wealth and power—thus far.

If successful business has been accomplished, and that by Jewish individuals—honor them and stop the backbiting and jealous rages. Only the negative criminal activities should be negated and neutralized—and those are found in the SECRET methods of enforcing control and usury.

You "Gentiles" are laughed at because you don't even use that which is available to you as well as to your richer brethren. "Everything" the businessmen do is not criminal, nor even unrighteous in concept or fact. HOW LONG DOES IT REQUIRE FOR YOU TO REALIZE THAT GOD IS AN EQUAL OPPORTUNITY EMPLOYER? IT IS WHAT MAN DOES WITH HIS WEALTH THAT MAKES OR BREAKS THE DEAL WITH GOD.

Are you beginning to see how stupid and foolish is racial and religious bigotry? You truly cannot legislate morality for morality rests within individual sovereign people, and a "moral nation" is but a nation made up of truly moral individuals gathered together under one umbrella of a moral constitution and judicial justice. Wealth, as such, can, at best, only be a measuring device.

Face it, please: almost all of you don't demand morality from these people in point here. You actually complain and detest and bigot selves because THEY HAVE WHAT YOU WANT AND THEY GOT IT AND YOU DIDN'T. GOD SAYS: "DO NOT COVET." I SAY, "IN HONOR GO FORTH AND GET WHAT IT IS YOU WANT AND STOP THE BELLYACHING!" IF YOU ACT WITHIN THE LAWS OF GOD YOU WILL GET WHAT YOU DESIRE AND YOU DO IT WITH INTEGRITY IN FULL INTENT TO USE THE ACQUIRED THING WISELY AND WITH GOODLY INTENT.]

THE WARBURGS

The Warburg family came into prominence in Hamburg, Germany, where the brothers Aby, Max, Paul Moritz and Felix Moritz were born.

Aby became a historian of German art and devoted himself to research.

Max Warburg was a banker in Hamburg. In 1924 he became adviser to the *Reichsbank*. He is the author of several works on finance. He was the financial expert for the German delegation at the Peace Conference in Paris in 1919.

Paul Moritz Warburg also became a banker. He was a partner to M.M. Warburg & Co., Hamburg,

in 1895. Coming to the United States in 1902, he joined the banking firm of *Kuhn, Loeb & Co.*, in New York, at a yearly salary of five-hundred-thousand dollars. He was naturalized as an American citizen in 1911. **[H: What interesting “timing” for historians of certificates and international holdings.]** While still an alien he set about reorganizing the banking system in the United States. He is alleged to have been one of the bankers who met secretly with Senator Nelson Aldrich at Jekyll Island, Georgia, in 1910 to work out the details of what ultimately became the *Federal Reserve Act of 1913*. **[H: This is built-in insurance of the values of the prior issues of certificates backed by gold. Now isn't this becoming more and more interesting by the minute? This one thing has allowed the stripping away of gold reserves.]**

Felix Moritz Warburg had been naturalized in 1900 and, like his brother Paul, had been a banker in Hamburg, Germany before coming to the United States. He, too, became a member of *Kuhn, Loeb & Co.*

Paul Warburg became the first chairman of the *Federal Reserve Board of Governors*, resigning—believe it or not—his half-a-million-dollar per year salary with *Kuhn, Loeb & Co.*, to accept the twelve thousand dollar per year post. It is as interesting as it may be significant to note that during World War I Paul Warburg, through the parent banking firm of *M.M. Warburg Co.*, in Hamburg, Germany, was financing the Kaiser's war against the United States. (See *Mullins on the Federal Reserve*, Kasper and Horton, New York City.)

Paul Warburg resigned from the Board of Governors in May, 1918, after “someone had commented upon the fact that his brother was the head of the German Secret Service.” (Ibid., page 45). We had been at war for more than a year when he resigned. Colonel House had noted March 16, 1917 that Paul Warburg was “pro-German in his sympathies”.

Paul Warburg was a partner or director of the following companies and corporations: *Western Union, Westinghouse, Wells Fargo, Union Pacific Railroad, Baltimore and Ohio Railroad, Kuhn, Loeb & Co., American I.G. Chemical Co. (I.G. Farben), Agfa Ansco Corp. National Railways of Mexico, International Acceptance Bank, Westinghouse Acceptance Co., Warburg Company of Amsterdam*, and many other banks, railways and corporations.

Although Senator Robert L. Owen charged that Warburg was the American representative of the European Rothschilds, the Senate of the United States confirmed his appointment by Woodrow Wilson to the *Federal Reserve Board*. (Ibid., page 46.)

Paul Warburg's son, James Paul, became Vice-president of the *International Acceptance Bank*. He was financial adviser to the *World Economic Conference* in London in 1933. Frederick Marcus Warburg, son of Felix, has been a partner in *Kuhn, Loeb & Co.*, since 1930.

[END OF QUOTING]

We will be moving next to Section III which will look at the World Zionist Organization. This is for the convenience of you Index watchers.

You cannot change a world through use of the gun or the Atom bomb. You can enforce changes but that is all you have done. To develop true CHANGE in mankind or nations themselves, you must build a BETTER WAY within the laws of both God and Man. To change the morality of worlds you must have a preponderance of MORAL PEOPLE and no other way will accomplish the feat. GOD WILL SHOW YOU THE WAY AND OFFER THE TOOLS—YOU MUST DO THE TASK AND CREATE THE PRIZE.

Salu, and may we all be getting far wiser as we TRULY LEARN and stop the complaining and side-taking. God has offered you a way to change the whole of the globe into a better and balanced place to be—WHO will hear and create with US? There are no coincidences or accidents in God's realms. WHO KNOWS WHEREIN HIS OWN TREASURE LAYS OR UPON WHAT BED HE LIES—AFTER MAKING IT? TO YOU WHO HAVE HELPED ACHIEVE—YOU WILL RECEIVE, FOR IT IS THE PROMISE OF GOD. PRETENDING, WHILE OTHERS DO ALL THE WORK, IS NOT THE SAME THING, CHELAS. PONDER IT.

GOOD DAY AND MAY IT REALLY **BE** A GOOD DAY! MAKE IT SO!

CHAPTER 4

REC #1 HATONN

SUN., JUNE 7, 1998 7:39 A.M. YR. 11, DAY 295

SUN., JUNE 7, 1998

JUST WHEN YOU THINK YOU'VE HEARD IT ALL

In the “general” news yesterday, as usual, there was mostly harangue about things of no value to society. But, as you are bombarded by nit-wits and “nothing” news, you might consider that which you hear and to which you instantly pay no attention. The argument arises over Viagra, a new drug for assisting men into and maintaining of an erection for sexual enhancement.

Assistance is being offered by public assistance programs like Medicare and Medicaid, etc. Now, that is important, isn't it? Even though one of the most notable *side*-effects of this drug is heart-arrest death during or after intercourse—the treasure of the important “if it feels good, do it” looms ever brightly above the beds of people on welfare. Well, poor people deserve good sex too, it reads. So, YOU the taxpayers run up more national debt so such as Bob Dole can have a more enduring erection. Good for you, people, as you move into a more IMPORTANT phase of the “getcha” game.

Perhaps you should make this drug a part of every AIDS victim's regime—you know, “You are going to die, but die happy!” A lot of AIDS can be spread about in the seeking of this pleasure moment—but who is going to protect the public and the women of the world?

Well, we get over that “angry women” syndrome by giving them something equally as interesting—a drug to enhance fertility. The problem is that the argument is not about enhancement of life—it is about the fact that if Assistance Programs pay for one, then the other must also be given freely to any wisher. This drug enhances orgasms in females. So what are you doing?

What you are doing is arguing and fighting, yet, for the right of the poor people to engage in better sex and be more fertile while accomplishing that little trick on weeknights as well as on special occasions. You are paying for free drugs to enhance the reproduction of more and more babies at welfare expense. Then, with the argument over abortions looming dead ahead after these give-outs, you will simply kill off the resulting offspring.

I suggest that by year 2000 you will all be screwing-off while the mainframe computers blow out. But, who cares? The big-biters are secure and the new records will either delete you or enslave you—whichever the intent is on that day in time.

And, you want GOD to fix it? Oh, I don't think so!

Some people, such as Gary North, who has gifted you with a whole bunch of good truth and a larger bunch of facts and warnings, hit the year 2000 computer blow-out or shut-down with a lot of attention. Do you really think the New World Order hasn't already fixed YOU in cement and the chaos will simply enhance their programming expectations? He particularly notes that Chase Manhattan Bank has 250 million lines of code to check and then repair, Citicorp has 400 million lines. I ask you: "Why do you think the major banks and business interests are merging so quickly? Don't sit waiting for some collapse of the New World Order SYSTEMS, my good friends. This is when the rest of the "snatchit" game can be fully implemented. This is the built-in excuse for taking everything from you "to protect you".

Is Mr. North correct in his assessment? Yes. Except, of course, for the realization that it is PLANNED THIS WAY. And, in addition, do you know what Mr. North says about this little computer glitch coming up? Well, you SHOULD learn because it is going to be interesting what will be foisted off on you-the-people under the shelter of some glitches in hardware on day one of year 2000. Are you trying to tell us that a sophisticated computer can't count 1999+1? This little PC on which we type endless words and symbols can do so, so where is that big hitch? In all the places that control YOU THE PEOPLE.

Let us just share what Mr. North wrote last Fall, 1997.

[QUOTING:] *Free American Newsmagazine*, Oct. 1997.

Y2K

BLIND MAN'S BLUFF IN THE YEAR 2000

by Gary North

[H: We must take care to not spend so much time on historical education that we miss the daily input on your lives which can and will collapse a societal structure if not attended. I suggest you pay attention to your own business and if the BIG banks are going to be affected—then for goodness sakes deal with independent banks. Oh yes you can, the BIG BANKS just don't want you to know. Use your God-given brains as something besides spacers for your ears.]

What are you going to be doing for a living in the year 2001? Unless you're a fix-it man living in a small town, you won't be doing what you do today. If you make your living in financial services, you will surely be doing something else. If you're a journalist, you will be in a new profession. But what? What other useful service can you provide? You have very little time to make the switch. Let me show you why.

[H: In the regular routine of causing everything to happen and not be blamed for it, the bullies of society will present chaos and you won't know the difference, will you? You will be busy with your new Viagra while Rome burns, this time. If you are on Social Security—the payments will stop and it won't be the politicians' fault. The welfare system will collapse and it won't be the politicians' fault and right on down the line. You won't even have to worry about payments from Medicaid for these enhancing addiction pills. How clever the adversary of God actually IS.]

We live in a world that depends on a high division of labor. That world has less than three years to go. In one gigantic collapse, the division of labor will implode. This implosion will begin in 1999. It will

accelerate in 2000 and thereafter. Those who work in highly specialized fields will find little or no demand for their skills, in the face of an enormous supply of desperate, low-wage competition. Any job classification that did not exist in 1945 will probably not have a lot of demand in 2001, with one exception: computer software programming.

[H: So what is the plan? We will get to the “presented plan” in a minute but it reminds me of asking a high-level engineer at the Department of Water and Power in Los Angeles about the plans for major earthquake post-activities and plans for shoring up power, etc. Answer: “None that I know of.” The whole city will go down with broken power lines, water conduits, viaducts, and broken gas mains—and there is really such an overwhelming prospect of damage as to negate any REAL plans for correction other than just keep hoping it won’t happen. It will happen just as surely as will come 2000 in its natural sequence, if you haven’t blown away your world already. I suggest you who are able to get further education get it in software programming and management.]

The June 2 issue of *Newsweek* ran a front-cover story on the looming computer crisis of the Year 2000—called y2k (Year 2k—shorthand for a thousand). In the week the article appeared (late May), the Dow Jones Industrial Average set a record new high. (It was beaten a week later.) If investors believed the information reported in the *Newsweek* article, the world’s stock markets would have collapsed. Clearly, people don’t believe it. That’s why a small handful of people can get out now—out of the stock market, the bond market, and any city over 25,000.

Not everyone can get out at the top of a bull market. This includes the “bull market” known as modern industrial society. Pull the plug on the local power utility for 30 days, and every city on Earth becomes unlivable. What if the plug gets pulled for five years? **[H: I suggest you give CAREFUL consideration to this paradox of life wherein you might use those nice survival things you so carefully put away against a day of emergency needs. There are more than a few ways to “getcha”, good friends.]**

How do you rebuild the shattered economy if the computers go down, taking public utilities with them? Without electricity, you can’t run the computers. Without computers, you can’t fix computers. How can you assemble teams of programmers to fix the mess? More to the point, how do you pay them if the banks are empty?

Chase Manhattan Bank has 250 million lines of code to check and then repair; citicorp has 400 million lines. All big banks are similarly afflicted. And even if this could be fixed, bank by bank, there is no universal repair standard. Thus, the computers, even if fixed (highly doubtful) will not work together after the individual repairs. A noncompliant bank’s data will then make every compliant bank noncompliant. Thus, the world banking system will crash in 2000. When the public figures this out in 1999, the bank runs will begin.

You will not have a job in 2000. Count on it.

[H: I know you wish I would poo-poo this Plan 2000 but I can’t, now, can I? It IS and there you have it along with NO INTENTION of fixing an old system, but introducing a new enslavement system for the world. What do you think all those myriads of satellites do up there in space all

day, every day, except wait for the BIG BANG? Man, further, has forgotten how to THINK beyond his daily ration of zipper talk and fertilizing ovum.]

“IT JUST CAN’T BE TRUE!”

You don’t believe me, of course. Not yet. But I have published the evidence on my Web site. You can verify what I’m saying. But you still won’t believe it. Why not? Because it’s too painful. In their new book, *The Sovereign Individual*, Davidson and Rees-Mogg make a very important observation:

“A recent psychological study disguised as a public opinion poll showed that members of individual occupational groups were almost uniformly unwilling to accept any conclusion that implied a loss of income for them, no matter how airtight the logic supporting it. Given increased specialization, most of the interpretive information about most specialized occupational groups is designed to cater to the interests of the groups themselves. They have little interest in views that might be impolite, unprofitable, or politically incorrect (p. 339).”

My views are all three: impolite, unprofitable, and politically incorrect. Impolite, because I am saying this: (1) those advising you are as blind as an eighth-century Israelite king; (2) they have given you information that will prove to be wildly unprofitable; (3) all the hype about your getting rich—the world’s getting rich—is a clap-trap. We are heading for a disaster greater than anything the world has experienced since the bubonic plague of the mid-14th century.

[H: What do “I” suggest? I have already made those suggestions over and over again and again. Be prepared. You who can, have a storage of fuel, butane gas, and a water supply of your own. Get some long-storage foods and get with OUR PROGRAM. I did not say—get with us here in our program—we will be having as much trouble as can be handled RIGHT HERE IN THE VALLEY OF RADIANCE. While you wait for my people to get the bounty moving, however, you should be working a plan to get power switched over to the villages from those alternative locations and be able to do so quickly. Do you realize, travelers, that gas pumps do not pump with the power off? Perhaps when all this comes down it will become important, that contract of Russell Herman? What about the give and take of a V.K. Durham? Perhaps she will wish she had geared her life toward God rather than away from His almighty PRESENCE. What you do is fine with me, but I consider the alternative possibilities and I find them lacking in ability to present funds to keep a nation going in such confusion and shut-down. I can tell you this much: what GOD HAS JOINED, NO MAN SHALL PUT ASUNDER—hold it in your hearts. A life-line is better than no line at all in some instances. While the Elite planners grin over the prospects, so too, can some of our own smile and move to the caves for a respite. This one happening, however, will depopulate the nations quite quickly indeed.

You expect some Armageddon across the sea? Forget it—you are going to have Apocalypse right under your noses. You will not be able to water (irrigate) your growing fields without both electricity and available water supplies. You have to eat to survive and, in the cities, how long can the Red Cross hand out doughnuts?

Sorry about this little glitch, team, but there must be thought to these things, and yes indeed,

sometimes it is much easier to **NOT THINK ABOUT IT** and let man take some meagre measure of responsibility for himself. How irritating that this will “come in the Winter when snow is upon the land”—is an old saying and run into Spring when the leaves are coming forth on the fig tree. Ah, but will there be figs? No! You now buy your figs from that thing called “super” market—and grow too few to survive upon your own account.

And so you get funds? How will you insure a FLOW and VALUE? Ah indeed, a miserable thought for a Sunday morning in June. It doesn't take psychics to see what will be happening, does it? Oh well.]

Because the year 2000 begins on a Saturday, millions of victims will not be aware of their dilemma until the following Monday or Tuesday. They will pay no attention to advance warnings, such as this one, that they are at risk.

As you read this report, I want you to think to yourself: “How will this affect me? is my business at risk? Is my income at risk? What should I do?”

THE ORIGIN OF THE PROBLEM

Here is the problem. Over three decades ago, computer programmers who wrote mainframe computer software saved disk space—in those days, very valuable space—by designating year codes as two-digit entries: 67 instead of 1967, 78 instead of 1978, etc. Back then, saving this seemingly minuscule amount of disk space seemed like an economically wise decision. This may prove to be the most expensive forecasting error since Noah's flood.

What the programmers ignored for three decades is this: in the year 2000, the two digits will be 00. The computer will sit there, looking for a year. At midnight, January 1, 2000, every mainframe computer using unrevised software dies. If old acquaintances are in the computer, they will indeed be forgot.

Programmers who recognized the implications of this change did not care. They assumed that their software would be updated by year 2000. **[H: The ones most important to the New World Order will have been; count on it!]** That assumption now threatens every piece of custom software sitting on every mainframe computer, unless the owner of the computer has had the code rewritten. In some cases, this involves coordinating half-a-billion-million lines of code. (Example: AT&T.) One error on one line can shut down the whole system, the way that America Online was shut down for a day in 1996 because of a one-digit error. **[H: What do you nice people think the Microsoft anti-trust stuff is all about? Somebody is going to make a real killing in year 2000 as everyone scrambles to get caught up. This is not a desirable thing for the Plan 2000, so expect more trouble before the solutions are passed around fairly to the masses.]**

The handful of reporters who have investigated this problem have met a wall of indifference. “We're all using microcomputers now.” “This is a problem only for a few companies that are still using mainframes.” “Cheap solutions will appear as soon as there is demand.” “The software will be updated soon, and I'll buy it then.” “If this were a serious problem, we'd have heard about it.” Yet this last response is given to someone—a reporter—who is trying to tell people about the problem. **[H: You wouldn't hear A WORD about this if the New World Order Planners had anything in the world to stop all the**

output of information. And how much good will our pronouncing this probability do? Almost none. Some of you will hear and, hopefully, get some up-and-running supply of electrical capability and a bit of hold-over supplies. But no one big enough to influence the world will give a damn and will play right along with the New World Order in chaos and disaster at the “biggest” level of supply and demand. Worse, a lot of overseas industries and smaller industries have bought up the old mainframes to save money in construction. The most important life-flow systems in the world are basically brain-worked from these thrifty old systems.

Does it have to be a terrible sequence? No, but it will have confusion, for nobody except sophisticated programmers are going to know how to deal with the problem and you have to have software to make a computer work. This is not unlike having to have a mind to make a brain work!]

I first read about this problem years ago in a book by the pseudonymous author, Robert X. Cringely: *Accidental Empires*. It is not as though the computer industry has been unaware of it. Only a few weeks ago, I read a *Wall Street Journal* column on computers that mentioned it. The writer wrote that his editor is getting tired of having him mention it. This is typical. The general public hasn't heard about it, yet editors are already tired of hearing about it. “It's old news.” Well, it's new news for most people.

What does it matter, really? We use microcomputers. Microsoft has solved the Year 2000 problem. So have most software companies. Everyone uses desktop computers or, at the largest, minicomputers, right? **Wrong.**

GOVERNMENTS RELY ON AGING MAINFRAMES AND SOFTWARE

On September 24, 1996, Congressman Stephen Horn, who is Chairman of the Subcommittee on Government Management, Information and Technology, submitted to the full committee a report on the Year 2000 problem. The Subcommittee held hearings on April 16. (Just one day of hearings. This indicates the degree of concern that the government has.) He said that these hearings revealed “a serious lack of awareness of the problem on the part of a great number of people in business and government. Even more alarming was the cost estimate reported to the Subcommittee to remedy the problem which was said to be \$30 billion for the Federal Government alone.” Then he announced:

“Without greater urgency, those agencies risk being unable to provide services or perform functions that they are charged by law with performing. Senior agency management officials must take aggressive action if these problems are to be avoided.”

Yet despite Horn's valid warning, nothing visible is happening. He knows this. These agencies must shift hundreds of millions of dollars from their existing budgets to hire outside programmers to rewrite the code that runs these agencies. This isn't being done. More to the point, the longer they delay, the worse the problem gets. You can't just go out and hire programmers who are familiar with the code. As busi-

nesses find out what threatens them, the demand for these highly specialized services will soar. (If businessmen don't figure this out in time, payment will come [*shatteringly*] due in January of 2000.)

The Subcommittee's report warns: "This issue may cause banks, securities firms and insurance companies to ascertain whether the companies they finance or insure are year-2000 compliant before making investment decisions." It also says that companies will start demanding contractual warranties guaranteeing against Year 2000 breakdowns. A memorandum from the Library of Congress Research Service (CRS) has warned, "It may be too late to correct all of the nation's systems." So, the question arises: Which systems will survive and which ones won't? Here are some problem areas, according to CRS:

Miscalculation by the Social Security Administration of the ages of citizens, causing payments to be sent to people who are not eligible for benefits while ending or not beginning payments to those who are eligible;

Miscalculation by the Internal Revenue Service of the standard deduction on income tax returns for persons over age 65, causing incorrect records of revenues and payments due;

Malfunctioning of certain Defense Department weapon systems;

Erroneous flight schedules generated by the Federal Aviation Administration's air traffic controllers;

State and local computer systems becoming corrupted with false records, causing errors in income and property tax records, payroll, retirement systems, motor vehicle registrations, utilities regulations, and a breakdown of some public transportation systems.

I don't think these are small issues. They will probably start receiving media attention when it is so late in the process that there will be massive foul-ups in coordinating the revisions.

Notice, the biggest one is missing: an international bank run, as depositors demand cash. From that day on, all exchanges will be local: the collapse of the division of labor.

When the computers' clocks think it's 1900, it soon will be.

I realize that there has been tremendous progress in microcomputer power, but does anyone really think that all of the Federal government's forms—not an infinite number, but approaching infinity as a limit—can be put on three dozen Compaq desktop computers and run with, say, Lotus Approach or Microsoft Access? And even if they could, how would you re-train all of the bureaucrats to use the new systems? How fast will they learn? How fast do bureaucracies adapt? The Subcommittee's report warns:

"The clock is ticking and most Federal agencies have not inventoried their major systems in order to detect where the problem lies within and among each Federal department, field office and division. The date for completion of this project cannot slip."

By "cannot", the Subcommittee's report-writer meant "must not". The date can surely be allowed to slip. It almost certainly will be allowed to slip.

Additionally, the task may be more difficult for the public sector, where systems have been in use for decades, may lack software documentation and therefore increase the time it takes from the inventory phase to solution.

Did you get that? The software code's records are gone! Remember also that we're not just talking about the United States government. We're talking about every government—national, state, and local—anywhere on Earth that has its data stored on an unrevised mainframe computer system or which relies on any third-part computer service that uses uncorrected software.

As the year 2000 approaches, word will slowly begin to spread: “After the three-day weekend that will inaugurate the year 2000, there is going to be a hangover the likes of which we have never seen before.” For some, it will be a time of celebration. For others, it will be the end of their dreams. It depends on whether they are being squeezed by the government or dependent on it.

But it's not just government that is at risk. It's private industry.

KISS MEDICARE GOODBYE

Some 38 million people will receive Medicare payments in 1997. In 2000, an estimated one billion claims will be filed, totalling over \$288 billion. This, according to a May 16, 1997 report of the General Accounting Office (GAO): “Medicare Transaction System”.

Problem: the Medicare system won't make it through 2000. The same GAO report shows why. Medicare claims are not actually administered by Medicare. It's administered by 70 PRIVATE AGENCIES. These agencies have been informed that their contracts will *not be renewed in 2000*. [**H: Still think it is not a “plan” of massive proportion?**]

The agency that officially supervises Medicare has plans for one huge computer system that will bring the program in-house. It is the same dream that motivated the Internal Revenue Service for the past 11 years. The IRS announced earlier this year *that after 11 years and \$4 billion, the attempt had failed*.

Medicare now knows that it has a problem with its computers. They are not year-2000-compliant. So, to make sure that they will be compliant, Medicare has issued an appeal to the 70 newly canned companies: please fix the year-2000 problems for us before you leave. As the GAO report puts it, “Contractors may not have a particularly high incentive to properly make these conversions...”

What if the system fails? (What if? Are they kidding? When!!) The report says that the Health Care Financing Administration (HCFA), which is responsible for running Medicare, has not made contingency plans. “HCFA officials are relying on the contractors to identify and complete the necessary work in time to avoid problems. Yet the... contractors not only have not developed contingency plans, they have said that they do not intend to do so because they believe that this is HCFA's responsibility.” [**H: But you see, in governments and corporations—no single entity is responsible. WOW!**]

KISS THE IRS GOODBYE

[H: Well, there could be worse things than this. But remember something terrible to consider: THE IRS IS A PRIVATE COLLECTION OPERATION FOR THE BANKERS AND IS MORE LIKELY TO BECOME A BIGGER AND MORE MISERABLE SQUID THAN IT NOW IS. THIS IS HOW GOVERNMENTS MAKE BOND-SLAVES OF THE CITIZENS.] The IRS has 100 million lines of code. Their code is not year-2000-compliant. After the failure of the 11-year project to upgrade the system, Chief Information Officer Arthur Gross announced that getting the IRS year-2000-compliant is the “highest priority for the IRS”. The IRS has nearly 50,000 code applications to coordinate and correct. This task will require the IRS to move 300 full-time computer programmers to the new project. (reported in *TechWeb*, April 21, 1997.) **[H: This indicates that they know what they are doing, doesn't it?]**

For comparison purposes, consider the fact that the Social Security Administration began working on its year 2000 repair in 1991. Social Security has 30 million lines of code. By June, 1996, the SSA's 400 programmers had fixed 6 million lines.

What if the IRS isn't technically equipped to pursue tax evaders after December 31, 1999? **[H: Stop smiling, you're on Candid Camera.]** What if the IRS computer system isn't fully integrated with all of its branch offices? What if the system's massive quantities of forms are not stored in a computer system that is year-2000-compliant? More to the point, what if 20% of America's taxpayers believe that the IRS can't get them if they fail to file a return?

In 1999, the IRS may find a drop in compliance from self-employed people. If the IRS can't prosecute these people after 1999, there will be a defection of compliance by the self-employed. When word spreads to the general public, there will be a hue and cry—maybe at first against the evaders, but then against employers who are sending in employees' money when self-employed people are escaping. Meanwhile, cash-only, self-employed businesses will begin to lure business away from tax-compliant businesses by offering big discounts.

This will start happening all over the world. Once it begins, it will not easily be reversed. The tax system rests on this faith: (1) the government will pay us what it owes us; (2) the government can get us if we stop paying. Both aspects of this faith will be called into question in the year 2000 if the government's computers are not in compliance.

Big Brother is no more powerful than his software. On January 1, 2000, this strength may fall to zero. Actually, double zero. **[H: Don't count on it for the Plan 2000 developers are not that stupid.]**

If the IRS cannot collect taxes, and if all the other mainframe computer-dependent tax collection agencies on Earth do not fix this, what will happen to the government debt markets worldwide? To interest rates? To the government-guaranteed mortgage market?

Kiss them all goodbye.

“NO PROBLEM! TRUST ME!”

There are a few conservative financial newsletter writers who have heard about y2k. They deny its economic relevance. A shut-down of all mainframe computers would mean that newsletter writers will be

out of business after 1999—a thought too terrifying for them. So, they brush y2k aside with some version of this rebuttal: “Of course, the government may not get its computers fixed.” This is supposed to calm you. It should terrify you. Ask yourself:

What happens to T-bills and T-bonds if the IRS computer breaks down and a tax revolt spreads because taxpayers know the IRS will never find them, and that if they pay their taxes, they won’t get their refunds?

What happens to money-market funds and bond funds that invest heavily in government debt when investors realize that if the IRS can’t collect taxes, the government will default on its debt? **[H: Ah, but just why do you think big operators such as the new United States Postal SERVICE has become so independent of the government—with its own computer systems and new outlets all over the map? There is big money to be made in the interim of chaos and the big dealers insure that this remains so. Those things which will serve the New World Order will work while the break-down hits every Tom, Dick and Harry citizen. A failure in the government insures the take-over, don’t you see?]**

What happens to the banks when depositors figure out that the FDIC is bankrupt and that nobody insures their accounts any more? **[H: It is already bankrupt, friends!]**

What happens to your job when the banks close because of bank runs, and no business can borrow money or even write a check to its employees?

What happens to the delivery of food into cities when money fails because the banks are busted?

What happens to the delivery of public utilities when money fails because the banks are busted?

What happens to your retirement fund when ERISA, the government pension guarantee program, goes bankrupt?

What happens to the 38 million people in the U.S. who are dependent on Medicare? (Medicare is administered by 70 private firms that have all been told they will be fired in 2000 when Medicare installs its new computer system, but in the meantime, they have been asked to do the year-2000 repair on their own, to deliver a fixed system to the government in 1999. Does this sound crazy? Of course. It’s the government. See my Web site for confirmation of this story: a May 16 government report.)

What happens to 42 million people on Social Security?

What happens to crime rates when the state cannot imprison violent criminals and may have to release those who are locked up because they can’t be fed?

Kiss your job goodbye. Especially if you’re a journalist. I know. I am one. I figure I’ll be out of work—forced retirement—January 1, 2000. I’m making plans to be in small-scale agriculture. I’m out of debt. **[H: And right here, brethren, is why you need to hang on to the farm—right here is the reason if you had no other. And, I think you will find a whole bunch of people willing to pull those**

weeds and tote that water.]

What about you?

PSYCHOLOGICAL DEFERRAL

Those in authority prefer to defer thinking about this. They are playing Scarlett O'hara: "I'll think about it tomorrow," followed by, "Well, fiddle dee-dee." Deferral is a normal response to distant Problems. The question is: What can we afford to defer? People defer making this assessment. The fact that you have not read much about this looming problem doesn't mean that it isn't a problem. If your employer has not actively sought solutions to this problem, your firm had better not use mainframe computers or be dependent on suppliers that rely on mainframe computers. **[H: And now for the bad news: WHAT ARE YOU GOING TO DO WHEN THE BUGS RESISTANT TO TREATMENT RAGE OUT OF CONTROL WITH NO WAY TO GET HELP? OH YES, THE GREAT PLANNERS OF YOUR WORLD HAVE SET YOU A NICE SET OF BEAR-TRAPS FROM WHICH YOU CAN'T ESCAPE. ONE WAY OR ANOTHER—THEY PLAN TO GETCHA. There are no accidents, my friends.]**

Everyone assumes that someone ELSE is doing something to solve these problems. "It's being taken care of." The problem here is the passive voice. Who exactly, is taking care of it? What, exactly, is this person doing? Is he on schedule? How do you know for sure? Are you taking his word for it? Anyone who takes the word of a computer programmer that he is on schedule is a person of very great faith. If the programmer says "Sorry, I didn't make it," on December 31, 1999, you're dead in the water. Meanwhile, he moves on.

[H: Wow, now you hit close to home don't you? And what about you who wait for ME to fix your plight, and our team to get you your survival funds and lead the way with flags waving and horns honking? What can they do when the zipper opens and it all falls out? I can tell my team what to do to cover things, like stay on the septic system, keep the butane tanks and fuel for the generator—but these are merely stop-gap. And while Ekkers have to attend the legal mess of the generator's guns and arrows, JUST WHO IS GOING TO FILL IN THE BLANKS? YOU? OH, I DON'T THINK SO, FOR YOU WHO THINK YOU HEAR "ME" OFTEN ARE WHISTLING IN THE DARK. YOU will not have the other resources to conclude the plans already under way. People like Gene D. who claim "you will never see a dime from any of your..." will be the ones to show you the way? Light your lamp? Oh, I don't think so, brothers, for he too is waiting to see what we will do so he can reclaim a job of some sort. The lawyers never lower their rates for us and neither do the industrial people with whom we have to deal. No, it is going to be hard go of it, if you can make it through at all—alive and well. We are missing numbers one and two, so read the upcoming with that in mind.]

Third, here is my personal strategy. I have adopted a question: **[H: Right here is another major flaw in the printing of this article so bear with us as we piece it together as best we can. These are the things suggested as positive actions but we have a large portion missing and perhaps this can be an example of what is to come as life is interrupted and not just some articles by Gary North.]** "Can I prove on paper that he owes it to me?"

I want hard copy print-outs of everything I do with the government. If you are owed money from Social Security, and you're dependent on this income, contact the Social Security Administration every year and get a letter telling you what you're owed. This is true of every government pension system.

Do you have a copy of your birth certificate? If not, write to your place of birth and get it. Even if that community has not computerized the records, do it now. Even if it keeps the records in a desktop, do it. If word starts to spread, they may be buried in requests in 1999. You want your paperwork Completed before word gets out.

Do you have a copy of your college transcripts? if not, get it. The same goes for your work record history. Assume that your records are in some company's mainframe computer. Assume also that the company has failed to update the software.

Do you have a print-out of all of your insurance records? Would they stand up in court? If not, get what you need, now.

Have you spoken with your local insurance agent? Is he fully aware of the problem? Ask him straight out if he has scheduled an update of his software if he relies on vendor-supplied software. He deserves to know what is coming. So do you. (If you want to photocopy this issue to send him, go ahead.)

Think through this problem in advance, before it gets out and creates a banking panic, all over the world. This story will get out eventually. In 1999, when reporters are running around looking for sensational year 2000-third millennium stories, this one will at last surface. It already has: in *Newsweek*. At that point, every government bureaucrat whose agency is at risk will start playing the "no problem" game. "It's being taken care of."

The bureaucrats' number-one rule is to evade responsibility. No one with any authority is going to admit that his malfeasance in office is going to create a disaster on Jan. 1, 2000. **[H: Even your top executive, President Clinton, won't even admit to some smooching in the Oval Office.]** The basic response will be this: "There is no problem here, and furthermore, I'm not responsible when everything collapses next year!"

Keep visiting my Web site for updated information:
<http://www.garynorth.com>.

[H: Perhaps some nice friend can visit that Web site and get the missing information. And, perhaps, give us an update as you move on to almost a year later between this article and our presenting it.]

[END OF QUOTING]

My own advice? Get up off your praying knees and get yourselves into protection. To my immediate crew: I suggest you get documents confirmed and lodged appropriately—ON DECEMBER 28-31, 1999. Make the lodging appropriate to not having been entered into the computers but sitting atop a desk somewhere waiting to be attended. Extra work? No, insurance! I ask that you lodge the

information and demand with a LOT OF MAINFRAME USERS FOR THE IMF, ETC., WILL NOT HAVE ANY PROBLEM WIPING OUT ALL THEIR RECORDS. In addition, get as many certified copies of entries in Illinois or anywhere you can find data appearing. Let us get our own confirmation and affirmations in place. Since the documents are backed by gold I suggest that you make note of that issue. This is likewise true of the Phoenix Institute and any co-corporate entities dealing with banks and exchanges. Make sure your documentation is not lost in the drop-out as intended through massive wipe-out. You will be getting loans, etc., so you need to insure the valid entries of same so that business can continue uninterrupted. It is planned that all these massive roll-over trading programs bite the dust, so don't fall for those manipulators feeding off the blood of nations.

We need to get on with getting something done NOW so we can develop our own sovereign bank(s) with adequate coverage. This one focus will collapse, intentionally, the systems of currency and governments AS YOU KNOW THEM TO BE. It doesn't have to happen to you if you stay right on top of it. But it is going to be very hard to have the government, as you used to know it, refuse the gifts of one Russell Herman for a stable monetary system backed by gold—and by golly, the manipulators are going to have to bring back the gold, aren't they? And yes indeed, V.K. Durham can do whatever she wants and more blessings unto her—if she lives long enough—which with the powers in power, might well not be quite long enough to fit her needs. I can't help anyone who tosses me off like rotten garbage. So, enemies proclaimed, bring your suits and bring your complaints—we have nothing in your care which matters a whit. You think that you know better? YOU DON'T! Try to rule the world if you would—but your folly will become the fool's gold of old. We want nothing from any of you and are happiest when ye leave us to our own.

V.K. has told us off quite squarely and accused us of dumping such as Ronn Jackson, Gunther Russbacher, et al., “after we stripped them of what we wanted”. Is this insanity or what? How many of you nice readers ripped-off these criminals? How much did they rip-off and con from you? Ah, indeed! Factually, how many of you fed and supplied Grannie with her needs for months on end as did our friends? THIS IS A THANK-YOU? Please, with friends like these, who needs those enemies afoot? What kind of sick game is this? Well, we don't play any more. Go attend your own greedy backsides and see if old brother Lucifer helps you out of your dilemmas. Whether he cuts your throat or you do it yourself—the bleeding to death happens. We are not going to bleed with you, so sever those cords right now if you think you have attached strings twixt you and me. I have already cut mine to you.

A long writing? Yes indeed, and a good one at that, if you pay attention.

My scribe needs rest so let's get her out of here for a while. Those computer-run pulse systems WILL NOT CLOSE DOWN—COUNT ON IT!

Can you make it through this upcoming difficulty? Yes! Will you? I don't know; will you?

Mr. Khrushchev, Russian Communist New Worlder: “We will bury you so **gently, you won't even know you're dead.**”

Salu.

CHAPTER 5

REC #1 HATONN

MON., JUNE 8, 1998 7:59 A.M. YR. 11, DAY 296

MON., JUNE 8, 1998

NEWSPAPERS vs. NEWSPAPERS vs. BIG TIME PAPERS

Newspapers are “supposed” to present the most current happenings of a day, week, year—whatever, BUT they are mostly advertising and offer things of local happenings, plus big-time news as it breaks.

BIG-TIME PAPERS guide, with the News Media of other outlets, the opinions desired to be focused on major events as they happen.

Newspapers such as *CONTACT*, *SPOTLIGHT*, *FREE AMERICAN*, and a tiny handful of other JOURNALISTIC presentations, offer news and in-depth research and “intelligence” on the news as offered in the daily bird-cage line of reference.

For instance, if a daily Big Boy writes that Edgar Bronfman has done something or other to merge big organizations or media acquisitions, we are the ones who come along and tell you WHO BRONFMAN IS AND WHERE HE FITS IN THE HAPPENINGS OF THE WORLD CIRCUMSTANCES FROM ECONOMICS TO PEACE NEGOTIATIONS.

My efforts are to do what we can to present the MOST IMPORTANT TOPICS we can note, so you are truly INFORMED and not just fed bits and pieces of something like who played in which movie. You are, however, more likely to know all about Harrison Ford than you are to learn about Edgar Bronfman.

Now, since Edgar Bronfman is a Jew-Jeu with big-time aspirations for a New World Order, we must caution you—however, we would caution you about Harrison Ford were he in such a powerful position, even if he be Pentecostal Fundamentalist or from the Church of England. I have been called “the EPITOME of the EQUAL OPPORTUNITY OFFENDER”.

This is not so in reality—I just present information, and if you like it and approve of these people and their activities, I am given great accolades. If you don’t like what they are doing, I get rotten tomatoes or vice versa—depending on the reader’s perception of the information itself.

Therefore, is Billy Graham better or worse than Edgar Bronfman? Neither. He just IS. Billy Graham will put you to sleep with his own opinions about what is going to happen, has happened, and then will dump you into la-la land with false teachings of a conjured GOD. He will ask that you be open, GOOD, follow God’s laws, and then pronounce his stance toward or against the “death” penalty. Well, killing is not one of God’s permission activities, so can you trust the teacher?

Edgar Bronfman, on the other hand, is dealing with the perceived reality of the day and times by influencing the world toward his New World Order with amazing amounts of funding, power and manipulation. I do not approve of either one, but YOU have a right to know truth of each and both. You would find more time spent, each with the other in this example, than each with YOU as a person.

Truth IS and you are rarely offered the truth. Therefore, when it appears negative in reality, then perhaps the players and play need a lot of looking into.

Nobody seems to mind or note a planting of trees in the rain forest—but cut one down and burn the lands and it gets attention. Perspective is ALL YOU HAVE, chelas—so try to get as much information as you can gather, try to be objective and, either way you opine, you will be doing so with some wisdom and knowledge. I am not as interested in a plane crash as I am in WHY the plane crashed and just WHO WAS ON IT THAT WOULD BE DESIRED “TAKEN OUT”.

I am at loss as to why Jewish people object to our writing on the topic of their history and those living their history today. I am shocked at the numbers who think it is blasting some people or another as in religious assumptions or racial slams. If you are a member of a group, and that is all that either represents, and you don't like what is Truth—look to the do-ers and quit picking the messenger apart.

The next assault is, “You pick on the rich people just because they have money and are mostly Jewish.” Wow, I believe in “rich” but I do not think it be alright for one to gather in his very blood by sucking dry others. POWER comes with riches, it seems, even bloody power. In fact, by the time you really get to the source of the POWER, it will be the top-banana blood-suckers.

Moreover, readers, I am very, very careful to choose the most important topic I see as important. Then I make sure there is a SOURCE of documentation, and preferably I just offer accolades and credit and use the information to offer to you—so you can go research for SELF. My job is not to create news but to tell you what is taking place. My “mission” is to establish a way for survival and thriving within the LAWS OF GOD AND MAN, FOR ALL THE PEOPLE, ALL THE TIME. This “mission” includes providing insurance of survival of such a remnant. You can base no thing on a lie and have it endure the testing of time—KNOW it.

So, using Bronfman, again, as an example, I think you should know what Mr. Bronfman does for a living and expects to accomplish politically. Whether he is Christian or Jewish makes not a whit of difference. He is a shrewd and manipulating JEU playing in a game as a top “gamesman”.

What do I REALLY think? I think my task is to offer information; YOUR TASK is to evaluate it. I RESPECT every man whether or not I agree or disagree with his mission, job, desires or whatever. If this makes me lesser somehow—then such an opinion of me makes you LESSER.

FIND OUT WHAT THE MAN DOES AND IS GUIDED TO DO—THEN AND ONLY THEN CAN YOU TAKE OPINION FOR THE “**IDEA**” IS THAT WHICH MUST BE CONSIDERED. IF HE HAS AN IDEA TO ENSLAVE YOU—THEN YOU HAVE TO HAVE A STRONGER IDEA THAT HE NOT DO SO. THE STRONGER IDEA PULLING FROM STRENGTH IS WHAT WILL PREVAIL—HOWEVER, GOD'S ULTIMATE TRUTH WILL ULTIMATELY PREVAIL IN THE HEAV-

ENS AND ON THE EARTH. Have YOU ever had “an original” idea? I doubt it, for man is a compilation of all that he is taught and has observed from the beginning of man, so you must WISELY consider your ideas and from whence they may come.

Edgar Bronfman has a staunch idea that he claims and spends his whole being and his assets to bring into manifestation. In other words, he is living Creative God manifesting his idea into his reality. If you make that same idea your expectation or idea for manifestation—YOU WILL MANIFEST IT—BUT HE WILL GET THE CREDIT—*DO YOU SEE? In any circumstance the man who creates the way to manifestation of an IDEA will prevail.* THIS IS EQUAL OPPORTUNITY, UNDER CREATOR. A thinking man within Godness cannot be enslaved. He can be incarcerated but he cannot be enslaved. A body can be held—a soul cannot. Further, no man can TAKE your soul—for YOU must GIVE IT away.

Now we have used Bronfman as an example here so we should continue to offer some things about this person for information and education of yourselves. It goes along with a most CURRENT continuance of the topics under way, the Jewish-Gentile connection.

The fact that Bronfman might be Jewish is of little consequence—it is his direction of idea that becomes important for it is very political and has nothing to do with religion one way or another. To blame or credit the Jewish religion, race, creed, or color is a very silly concept.

Let’s look at it and see what comes through the maze of information:

From *Free American*, Fall 1997. (2943 U.S. Highway 380, Bingham, New Mexico 87832. 505-423-3250 Fax 505-423-3258.) They also have an impressive bookstore which can be accessed through this same address.

I am also asked why we don’t have more titles and offer books. We offer, now, only the titles we find most important and our own Journals. This is because we will NOT have a degrading of the information through such as America West Publishers and Distributors who still hold hostage some 50 titles of our work. Friends, at the rate Green was selling our journals at \$10.00 each, he has a fortune in his grubbing hands. He took 110,000 copies and I believe you can do the arithmetic. That is over a million dollars stolen, as usual, from the Phoenix Institute, in journals alone. That not being enough, he took gold, cash and other assets. Therefore, until all legal matters are settled and additional project funding is acquired, we will just move along as best we can. Truth is not going to go away—TRUTH IS GOING TO SPROUT WINGS AND FLY—IT IS A PROMISE OF GOD.

Speaking of Green, I think his old buddies who worked with him and supported him should KNOW that LAST WEEK he has brought new lawsuits and they are ALSO against Leon Fort, Infinite Balance, Schroepfers and TEHA, etc. And dear Betty Tuten, YOU still support the misfit big dealer. You are going to get your own private suit for payment of funds outstanding, claimed by Green’s attorneys. Your little case in Las Vegas goes in the face of the Supreme Court, my dear, but nobody told you, did they? Twice in the Nevada and once in the U.S. Supreme Court. Guess just WHO they don’t intend to pay even if they won the ongoing foolishness over the Green embezzled gold? The attorneys are fighting over THEIR FEES, not your interests! So be it, greed corrupts and total greed and betrayal corrupt totally. Perhaps Dr. Young should publish the cover page for its interest value—Green sues for the “Four Boxes of Gold”

as well. You know, those boxes of gold he stole! And, he wants to be in charge of administering the Estate of the source, David Overton. Is this reaching or what? You decide for I just offer the facts.

[QUOTING:]

THE BRONFMANS—CFR’S MEN IN ISRAEL
THE OPPOSITION

by Barry Chamish

Barry Chamish **is an Israeli journalist.**

E-Mail: chamish@netmedia.net.il

Mr. Chamish’s new book, *A Journal of Israel’s Betrayal* (\$12.95), can be ordered from Hearthstone Publishing Ltd., 4805 NW 10th St. Oklahoma City, OK 73127; TEL: 800/580-2604 or 405/946-7050; FAX: 405/946-8898.

JERUSALEM—Look at the list of members of the Council On Foreign Relations (CFR) and there you will find Edgar Bronfman’s name. He is described as a longtime member and executive. To those unacquainted with the CFR, it is a Manhattan-based organization with 2,900 members, 18 of whom sit in Clinton’s cabinet. As has been noted before, every diplomat in charge of manipulating the Middle East, (Warren) Christopher, (Dennis) Ross, (Martin) Indyk, (Madeleine) Albright, et al., is found on the membership list.

[H: One handy book to have is by GAYLON ROSS, SR., *WHO’S WHO OF THE ELITE, Members of the: Bilderbergs, Council on Foreign Relations, Trilateral Commission, and Skull and Bones Society.* Ordering information: Next page.

ad for gaylon ross

The stated goal of the CFR is the creation of a one world government. Unstated is that this planned tyranny will be run by the descendants of robber barons and bootleggers. Of the latter category, none is so renowned as the Bronfman family, scions of the Seagrams dynasty.

The Bronfmans have a role in Israel. They work behind the scenes to assure that the CFR’s “peace” process is carried through to what will be the bitter end. The task is divided by the two elder sons of the notorious Samuel Bronfman who amassed his fortune smuggling booze during Prohibition. Edgar’s role is political and he works quietly behind the scenes with the insiders who manage world events. To make his

activities seem legitimate he founded his own organization, called it the World Jewish Congress, and elected himself president. Charles has the duty of buying up key industries in Israel with the goal of making himself the most powerful financial force in the country.

Let us examine their strategy and aims.

* In 1990 the Bronfman fortune was recruited to found two funds. The first was the Claridge Fund, which invested in some of the country's more successful communications and medical companies. The second was The New Israel Fund which funnels money, millions of dollars, to far left social groups. The recipients of the largesse form a who's who of the so-called "peace camp". The fund proudly declares that it is the only alternative to all the "conventional" Zionist funds supporting Israeli social projects.

* In 1991, the Bronfmans founded a magazine called *The Jerusalem Report*. They hired two writers known for their hardline views on Israeli security, Hirsch Goodman and Zeev Chefetz. The latter was previously the Likud's appointee as head of the Government Press office. Both had a remarkable change of heart after the peace process began and became the Rabin government's apologists to the Diaspora. The magazine promoted itself as, once again, the only "alternative", this time to the *Jerusalem Post's* critical reporting of the process.

* We have a most revealing glimpse of the Bronfmans' role in the peace process. In January 1996, Edgar Bronfman told Maariv reporter Yitzhak Ben Horin, "I admit to using my influence to secure Rabin's election in 1992 because he was a brilliant strategist. Usually I believe Americans should not interfere with the Israeli elections but in this case I broke my rule and helped Rabin win because I believed in the peace process." **[H: The last time I called Bronfman an American I was stopped cold and confronted with, "Bronfman is Canadian." Isn't "Canadian" AMERICAN?]**

We ask, what peace process? Rabin ran as a hawk who would never negotiate with the PLO or give up the Golan Heights. The only peace process anyone else knew about was the Madrid Conference track backed by the Likud. What Bronfman seems to have said is he backed Rabin with all his resources because he agreed to support a peace process that the rest of Israel was unaware of. As I have documented in my new book, *A Journal Of Israel's Betrayal* (Hearthstone Publishing Ltd.) the peace process was hatched by the CFR and Rabin was their all-too-willing promoter of the CFR's covert diplomacy.

* By early 1995, Ehud Barak was chosen as Rabin's successor. Between March and June, he was sent to America for his CFR training. He began with a stint at Martin Indyk's Washington Institute For Near East Studies, participated in some secret negotiations with the Syrians and ended his study tour with meetings in New York with Henry Kissinger, Charles Bronfman and Lawrence Tisch. Barak explained that the triumvirate wanted to set him up in business.

* 1997 is turning scary. First the Family bought a stake in a major television production company and by the summer paid \$350 million for a 25% share of Koor Industries. Koor is the largest holding company in the country, controlling hundreds of Labour party/Histadrut companies in every sector of the economy.

After the deal was signed, Charles Bronfman allowed himself to be interviewed at length in Maariv. Among his many critical comments about the country's diplomacy he claimed, "No other international investor will put his money in Israel unless the peace process continues."

The patently false observation aside, the Bronfmans are now in a position to determine the fate of the nation. They control an enormous percentage of the economy and are working diligently on acquiring a good chunk of the media.

We know what the Bronfmans' agenda is. The profits of alcoholism are being funnelled into radical and unsettling social projects, most allegedly aimed at promoting "peace" or "understanding" but whose ultimate result if successful will be a drastic weakening of Israel's sovereignty, a common CFR goal in countries around the world. To get their way, the CFR's men in Israel have cleverly bought themselves the most strategic Israeli industrial and financial assets.

[END OF QUOTING]

This above information, of course, doesn't even mention the outrageous assaults on Switzerland. Nor does it mention the connections of Bronfman to such as DuPont, et al. But then, I know all of you will go look up all these things, won't you? And now, YOU tell ME what this mess of fish has to do with religion or race or "anti-Semitism"?

By the way, my map shows Canada to be just north of the northern boundary of the United States of AMERICA. But never mind, this dude has bought his citizenship to any nation he chooses—except of course, the Arab States. China doesn't want him either—just his products. How many have sold out their very souls for pennies on the dollar? How many MORE will do so? And for that area historically recognized as the HOLY LAND—it has become the most UNHOLY PLACE ON THE PLANET. It remains SACRED for every inch of your planet and all upon and within it—ARE SACRED. And further, not one of you is MORE OR LESS *SACRED than another*. Remember: Equal Opportunity EMPLOYER? YOU make the choices regarding your integrity and direction.

Today is the day the trial over property was to have begun so we will fill the expected time consumption with as much as we can get accomplished.

I will have to make time for my scribe and E.J. to get a bit more health matters attended after 20 years of non-attendance to such as teeth, etc. We will send them off to Dr. Carlson who has formed a partnership to help get some of our things done in exchange for sharing his NEW PRODUCT FOR REBUILDING TEETH. Perhaps he gets a short stick in the deal but I don't expect that to be so. This will require 10 days to two weeks out of state. Therefore we will have to consider "time" very carefully. We expect some most important business parties for meetings in this month and then more court and damage control in July along with a lot of business interchanges of various kinds. So, we have to work around all these things. Sorry inquirers, we can't even SEE INTO AUGUST AND OUR BIRTHDAY! Priorities of work is what determines what we will be doing rather than what we WANT TO BE DOING. Perhaps we can arrange for both but it is often not so simple. By the way—there is NOTHING magic about one day versus another—ALL AND EACH IS SACRED.

This should not be a very large interruption as the paper is extremely well-done without my personal input and we are so grateful for that fact. The cycle of preparation and foundational growth is about to spiral into a new phase with some of the rewards for service about to happen. Let us not fall off our intentions for change because we feel weary and sometimes distressed over apparent failures to make impacts. The impacts are magnificent and that which you can't see is what is making great inroads toward true free-

dom—TRUTH. It most surely WILL BE the KNOWING OF TRUTH which shall present with opportunities of FREEDOM.

I would say a personal word to Princeton: Your days are now numbered, my friend. If Dharma suffers through the dental chambers—you promised her that you would do so. Now, she demands of me that if we go through the torture chambers that I must somehow also improve your vision which you have worn out on editing. You might be surprised what happens as you cast off infection sites. Certainly your vision will not hurt as much in the unseeing if you FEEL GOOD (??). Is a decade too long in service? Is a century? How about 25 millenia? How about eternity? What else do you people have that is so all-fired important? Death is that which traps you in LIMBO-LAND, boredom and self-despising. We are moving TOWARD LIFE IN ITS FINEST REALITY—IS THAT NOT WORTH A LITTLE SERVICE TO OUR CREATOR? THAT SERVICE IS ALSO *SACRED* AND ABUNDANTLY REWARDING.

LITTLE CROW: “*Wakan—everything is sacred and everything has a right to exist and nothing is greater and nothing is lesser.*”

“I learned through my Oral Tradition that regardless of whatever it is, it’s wakan, it’s sacred. From the drunk on the street, to the President in the White House, to the Pope in the Vatican, it is all sacred—nothing is more sacred or less—it’s all sacred, it’s all the same—white, black, yellow, red, brown, green.”

This sacred man, Little Crow, is my scribe’s guide even if neither have known it, and we have placed our charter on the *owanka wakan* (a holy place, altar) in our own dedication unto service. May each of you become as gifted in the exchange. And, when you get a whiff of the smoke of the sweetgrass, KNOW THAT GRANDFATHER IS LISTENING.

God promised success in your journey if you put your heart and soul to the wheel. He did not say it would be particularly easy—only simple in its concept. Salu.

CHAPTER 6

REC #1 HATONN

TUE., JUNE 9, 1998 7:02 A.M. YR. 11, DAY 297

TUE., JUNE 9, 1998

CONSIDER CAREFULLY

I have a note here that needs some consideration:

[QUOTING:] May 21, 1998

What did the Gentiles do that made the Jews, Jeus (Kazarians) so darned angry, angry for 2,000 years or so—and still angry? Or what did the Jews think they did? This sort of anger is usually due to non-acknowledgement, non-appreciation, being ignored. The *Talmud* and the *Protocols* are written in extreme anger. Why? Something made them very very pissed to write with such a negative emotion. In all of the writings in *CONTACT* I have never read a clue to this mystery. [END OF QUOTING]

How would you feel if you were the kings of a place, a planet, and along comes some do-gooders objecting to the cultural Barbarism being displayed? There were some pretty nasty things taking place 2000 years ago when a flicker of Light came on board the ship. Get rid of the accusers is always the demand.

Face it, readers, your planet is among the “darkest” floating around in orbit.

There was full opportunity to change thought-forms and move within a goodly range and attitude. However, the souls seeking growth fell back into the traps of the revelators and, as the “kings” began to lose *power* over the people, when attitudes changed and recognition of a Higher Source and reality of God dwelling within self, the stuff hit the fan.

Perhaps a better question for us here is to ask: “What made the so-called Christians so angry?” Evil was doing fine until you goody-two-shoes danced in. Nobody “just got angry” two thousand years ago—Satan has been alive and well from the onset of mankind in/on this place. Bloodbath after bloodbath took place as today, and there were the bleeders and bleedees just as today. Mankind ceased to care about his neighbor, mistrusted everyone as chaos became the controlling FEAR factor. The Jews (Jewish tribal people) simply got caught in the middle of a major philosophical confrontation, and they were of the Tribes of Shem, etc., and had no recognition of actual facts of such as the Pharisees who took their lands and demanded obedience of all citizens. It will be this way AGAIN, and in the not too distant future, readers.

The “Jewish people” are the worst stricken by this wave of corruption and political disaster, and not only have they been dispersed but they have been totally abashed in their perceptions and teachings from those they thought to be their guides and rabbis. So too have been the Christians by well-meaning but false Christian teachings, preachers and teachers. This is a fact of being in EVERY RELIGION. Every RELI-

GION is working for the supremacy of the considered MASTER race, which, of course, is whichever race YOU happen to be.

People write and accuse us of writing terrible and blasphemous things—a sort of universal “hit everybody”—but nobody gets mad at the other things we write as long as it excludes themselves. Sometimes Pogo is correct, readers: “I looked everywhere for my enemy and found him to be myself.”

Perhaps the point is that the *Talmud* and *Protocols* were NOT written in anger—but with intent to set up a protocol for ruling the world and having slaves to do the work of the masters. You experience that today in your lives right in the U.S.of A. You provide for the puppet-masters’ needs. Believe me, some of your patriot ideas are total devastation and anarchy in both practice and intent. And just WHO is predominant in the political circles? WHO is the largest group of lawyers, judges, medical doctors and thus and so? Rebellion is always tacky and bitter, and change is always hard to deliver into a revolvment toward a new and better direction. Man gets very angry and defensive when crossed as to his self-styled WILL. When a warden comes to take your property, you get angry—regardless of how you came by it. And, the Jews, so far, have been driven out of every place they have settled—sooner or later. Therefore, they gather all the advantage they can to keep from being dumped again from the good life they have created for themselves over and above other races, creeds and colors. They don’t even realize they are JEUS any more than you realize there is not much truth in the Christian teachings of the ordinary Church in your neighborhood.

It truly becomes a standoff as to just who will be supreme and the adversary never loses sight of his goal—to be supreme, wealthy and powerful. So, in time, up through the masses moves the giant—always pretending to be the midget, the persecuted, so you step aside and try to make restitution for whatever “he” tells you that you have done to him. He begs, he cheats—he becomes the politician who wields power over everyone from places of domination and control. The game is over when the opponent is dead in the water and unable to find justice anywhere.

The facts are that it is truly the battle of good and evil—wherein the goodly capitulate to the evil of adversarial inconvenience, i.e., “Poor people deserve good sex too!” THESE ARE MAJOR, MAJOR DISTRACTORS for that kind of goal achieved is a total disappointment once acquired.

Satan is for a passage of learning, within some century of time, for any individual in manifest physical form. GOD IS FOREVER AND THE GOAL IS ULTIMATELY “BE GOD”. BUT SOME DO NOT UNDERSTAND THAT PHYSICAL MAN CANNOT, IN HIS OWN LONGEVITY, “BE GOD” OF ALL FOR “ALL” IS OUT THERE SOMEWHERE ELUSIVE. THE VERY DESIRE TO DOMINATE ALL BEINGS AND ALL THINGS IS NOT OF GOD. YOU ARE CARETAKERS OF GOD’S PROPERTY IN THIS GROWING EXPERIENCE—NOT THE CREATOR. YOU COULD BE THE CREATOR OF GOOD THINGS—BUT YOU HAVE FORGOTTEN FOR YOU ARE THE PRODUCT OF THE TEACHINGS OF THOSE WHO CAME BEFORE. AND, WHEN THE TEXTBOOKS PRESENT FALSE TRUTH, YOU CAN ONLY LEARN WRONG DIRECTIONS AND MISINFORMATION.

IDEA is God’s. Can you not see that IDEAS manifest? You are the thought of God and all else is the thought of YOU.

Let us consider the blind man who runs into a bush in his path. He becomes angry and curses the bush, and finally curses and curses until the bush is removed—he is ANGRY. But HE IS THE CULPRIT now for killing the bush just for BEING. Man is very much the same in character and realization. Hate and anger only diminish the hateful and angry, but Ego insists on recognition even if the recognition be stupid and a lie.

The Zionist elders were shrewd manipulators and “things” gatherers and, through hatred of perceived enemies to their journey, they put it to paper and followed the instructions. They also wrote YOUR instructions if ye be not Jewish. They wrote your prophecies while knowing full well that you would accomplish through IDEA the very things you were caused to envision and conceive. More Jewish people paid the ultimate price for this IDEA of conquest than any other one race, relatively speaking—and all the while not realizing that the very ones they thought themselves to be—were the destroyers. Neither GOOD nor EVIL knows any race or color and especially recognizes NO RELIGION.

How terrible it is, however, to be a messenger come to sort and call TRUTH to the attention of the experiencing entities of humankind who are already fed up with preachers and idiots. Who will actually listen to the Host today who says, “You must love these so-called enemies”?

YOU must LOVE the MAN—and DESPISE the actions if they be dastardly—AND CHANGE THE IDEA!

CHANGE THE IDEA(S)!!!

GOD IS IDEA—THEREFORE, IDEA IS CREATOR. MAN CAUSES CHAOS OR PEACE THROUGH IDEA. MAN CREATES AND MANUFACTURES THROUGH IDEA. HOW ARE YOUR IDEAS? TO CREATE, YOUR IDEA MUST BE TOWARD GOODNESS AND A BETTER WAY. MANUFACTURING FROM WHAT IS IS SIMPLY USING ANOTHER’S IDEA. THERE IS BUT BREATHING OUT AND BREATHING IN—TO SUSTAIN LIFE IN PHYSICAL FORM. SO TOO IS THERE NEGATIVE THOUGHT AND POSITIVE THOUGHT. LIFE IS SIMPLY BREATHING AND IDEA—PERIOD. WHEN IDEAS ARE USURPED—PEOPLE GET ANGRY AND SET UP THEIR OWN SPACES TO **KEEP OTHERS OUT**. This is in community and thought presentation.

I repeat something: “When a man tells you he has *chosen* to be a Christian or a Jew or whatever—he is balancing what he has experienced against what he *thinks MIGHT BE BETTER*. This will most often be labeled “Religion” or Religious belief—no, it is to bring some balance within his position, state of being, or to please another for acceptance. It rarely has anything to do with GOD for GOD is in all things and doesn’t require another MAN to make your opinions FOR YOU. You speak of religion and Spirituality BUT WHAT YOU HAVE IS DOCTRINE. You, further, will live within the bindings of these doctrines—UNTIL YOU LEARN OTHERWISE—NO MORE OR LESS. YOU—GOD—SELF CREATES MIRACLES—NOT THE MAGICIANS AND MANIPULATORS—AND WHEN YOU CHANGE YOUR IDEA INTO WORTHY ATTRIBUTION, YOU WILL CHANGE ALL THINGS ABOUT AND AROUND YOU. MOREOVER, YOU CAN ONLY DETERMINE ANGER IN ANOTHER IF YOU ARE REFLECTING THAT ANGER—IT IS THE UNIVERSAL LAW OF DUALITY AND OF EXPRESSION. IF YOU DO SOMETHING, SAY, WRITE A BUNCH OF NASTY PROTOCOLS, YOU SHOULD EXPECT ANGER WHICH CAN THEN BE REFLECTED “HONORABLY” BACK

UPON YOU—THUS, YOU NEGATE YOUR OWN RESPONSIBILITY.

If someone becomes the great actor and, while hating you with all his being, smiles at you—you will be fooled. You must establish the IDEA behind the facade for IDEA is all there IS. GOD CREATES THROUGH IDEA, THE THOUGHT MANIFEST AS YOU—YOU CREATE ALL ELSE THAT COMES WITHIN YOUR SPACE, BE IT POSITIVE OR NEGATIVE. WRONG IDEAS PREVAIL ALL THE TIME, EVERYWHERE, UNTIL THEY ARE CHANGED BY DIFFERENT IDEAS. THE POINT IS: **WHOSE IDEAS DO YOU ACCEPT?**

MOM AND DAD

I have been offered another very interesting concept of God and Creation/Creator. This bears sharing as well.

[QUOTING:] Letter from Anonymous Reader. June, 1998:

As a dedicated reader, since its inception, of the *CONTACT*, I have come to believe I have a fair “handle” on the singular problem faced by this globe’s civilization. And while I will continue to assimilate more detail of this sinister progression of events, I have recently determined to try to adjust my own personal focus more toward solutions, rather than merely continue in a sort of uni-polar “wallowing” in the problem itself.

Certainly the third-dimensional arrival of Sananda and Aton (or forces of Christ and/or God), will be the keystone of our deliverance, but what about the interim moment? What can we third-dimensioners do to prepare the landing field most productively? Surely any effective method of unifying the Children of Light would be a significant contribution. And, conceivably, enlarging their number and their dedication.

The employment, somehow, of the “hundredth-monkey” theory presents as a seemingly useful tool—and surely we HUmans should be able to do at least as good as our primate friends in making use of it. A complementary element, perhaps so-far nebulous but deeply, longingly felt to exist—surely by others beyond just myself—is still needed as substantial to the spreading action of the “hundredth-monkey” mechanics.

With the above in mind as a sketch of my general recent frame of mind, and probably sparked by Hatonn/Aton’s recent comment “me and my flashes!”, here’s what happened recently:

It was a gorgeous sunlit day. I was having a long moment of unusual clarity of thankfulness. Looking past the current difficulties, I was deeply into a thoroughgoing state of grateful appreciation of the unprecedented glories we are soon to witness as the illumination of this planet progresses. As I walked near a wooded stream flowing through a mountain meadow I was literally feeling waves of joyous anticipation at what I clearly conceive we are to experience. The depth of this appreciation and the profound thankfulness I felt and tried to find expression for led me to thoughts such as: “What kind of personal gift (over and beyond our Love and Desire to serve) could we possibly give to our Father of Light?” After all, since HE is in and of everything, HE has everything—*doesn’t He?*

THE ANSWER TO MY OWN QUESTION CAME, SO STUNNINGLY POWERFUL THAT I

LITERALLY WAS STOPPED IN MY TRACKS, JAW A-DROPPED.

A PARENT! Our Father already has everything BUT A PARENT!

In a quick rush of realization came the flash that the Children of Light, UN-fragmenting as we unify in the manifestation of the realization of the immaculate spiritual dream—the completion of the circle—could comprise such a parent.

Phew! I realize this concept may be, for you, on emotionally “shaky ground”—it certainly was and is, for me. Is it arrogant? Is it too presumptuous? The kaleidoscope of thoughts it engenders is still vibrating me right now. But before you brush it aside as a too-far-stretch, let’s try to make a few observations.

First of all, is it functional? I would suggest that when you (or anyone) encounters this as a concept you will have a sort of automatic reception or rejection of it. If you have no faith or belief in a Divine Spiritual Hierarchy it is of course rejected. This is not to suggest that a dedicatedly spiritual person cannot off handedly reject it for reasons of his/her own. (If it is so summarily rejected, I might, somewhat coyly perhaps, recommend a careful self-checking to seek the reason(s) why.)

I would, pray, call attention to the emotional/mental attitude I was securely ensconced in when this “flash” occurred. I suppose this is my comment in response to the possible suggestion it was inspired by the “adversary”. The fact that I was in a state of profound thankfulness, seeking something good—a personal gift for our Father—is, if I may say it, tantamount to a state of Grace. In my opinion, that ain’t when the adversary “gets in”.

Is it a unifying concept? Yes. The very essence of the concept is a unifying of the fragments (individuals) of God.

Is it intimate? Yes.

Is it of absolute significance? Possibly. Who knows whether it is the hundredth monkey, the second monkey, or the 144th monkey that tips the balance so that the inertia flows toward good. Intellectually it doesn’t matter whether the souled entities presently existing third-dimensionally on this Earth are of a contract-fulfilling pre-select group or are we just the lucky ones to be able to witness first-hand the fulfillment of the “immaculate spiritual dream”—the completion of the circle, from the inside out (and vice-versa).

Can this concept reap disappointment? Not if held in the context of the unified Children of Light being (as per the *Bible*) the “bride” of Christ/Sananda. (It doesn’t say that is ALL that they can be.)

Can this concept come into reality as a mass-conscious thought-form? Let’s find out!

Recalling the promise (of Hatonn/Aton, the Hosts and others) that there will be some surprises as the illumination unfolds, may we begin, as uniquely inspired individuals, to foster and contribute to solutions, methods, concepts toward maximizing the long-awaited benefits for HUmanity. To start in all ways possible to complete the Sacred Circle, from down here on the ground.

P.S. In passing this along to someone you are not only advancing the power of this offering to our Father, you are likely to experience a mutually very gratifying discussion of a spiritual nature, perhaps to depths you have not reached before. It's almost a certainty you will have come to know your friend better—and that you will have both gained in Light.

[END OF QUOTING]

Thank you for this opportunity to share and possibly clarify a thought or two.

This writer is on the right path as to IDEA. IDEA WILL CREATE REALITY.

Does GOD HAVE PARENTS? Yes indeed, and sometimes they are good parents and sometimes very difficult teachers. Which are YOU?

Did God have “sexuality”? Yes. Did HE have sexual physical interchange? Probably not—but He did have to have the duality of THOUGHT to be conceived.

It is very difficult, in the face of religious rantings and ravings, to understand GOD and UNIVERSE. The very THOUGHT of being willing to become the PARENTS of GOD is magnificent in concept and runs IDEA to the farthest range of responsibility as SELF. Would YOU be willing to be the parents of GOD? How responsible are you as parents of whatever in your lives as you are living your experience? What are you willing to offer GOD CREATOR? Which came first, the chicken or the egg? What chicken laid the egg of GOD? Well, it was a good and responsible chicken—YOU, as YOU WERE IN PERFECTION. But will you be a good parent when the child becomes the PERFECTION you can only imagine? Well, it is time, isn't it then, to realize your own perfection that you do not fail in your responsibility to your IDEA? Just as you are the IDEA of GOD, then GOD IS YOUR IDEA OF HIM. HE WILL PRESENT AS THAT WHICH YOU CREATE. Therefore, did CREATION come first in this chicken-egg concept? GOD IS THE SUM TOTAL OF CREATION IN PERFECTION AND WORKING ORDER—but who sets the currents of action upon this wondrous painting of experience? Only YOU can give the LIVING to the picture.

Perhaps an example in perception would not necessarily be the direct parentage of GOD-CREATOR but, rather, how much are you WILLING TO OFFER IN LIVING UNTO THAT SOURCE? Willing to DIE is one heck of a big cop-out on both God and Self. “Living” is the gift of gifts. When you LIVE IN THE IMAGE (IDEA) OF GOD, YOU BECOME ONE WITH GOD FOR EVERYTHING HAS DUALITY. BUT, ULTIMATELY, IT ALL BECOMES BUT “ONE”. WHEN THE ONE IDEA BECOMES UNIFIED—ALL MELD INTO THE ONENESS, AND THAT ONE IS GOD OF LIGHT/CREATION FOR THE ALTERNATIVE IS A PHYSICALLY-ORIENTED CONCEPT AND IS A PASSING EXPRESSION AT BEST. AND, ALL IS MIND—IDEA.

You will be the product of the “parent” (caretaker) you serve—usually reflecting the ideas of those teachers along your experiencing journey(s). When you perceive GOD IN TRUTH, LIGHT, LOVE AND AS “ONE”, YOU HAVE GAINED THE INSIGHT TO REALIZE THE BOUNTY OF THAT ONE IDEA.

WHEN YOU HAVE GAINED ENOUGH INSIGHT TO REALIZE THAT YOU MIGHT EVEN ‘CONCEIVE’ AN IDEA OF BEING A PRIOR PARENT OF GOD, YOU HAVE REACHED BEYOND THE NORMAL ABILITY TO “THINK”. YOU WILL REFLECT GOD IN YOUR IMAGE, MY FRIENDS, EVERY TIME.

I will be, God/Creator will be, Christ will be, and yes, Satan will be—THAT WHICH YOU “IDEA”.

Evil is the failure to accept responsibility of being GOD’S parents in truth and teachings. A fragment of consciousness can only be what it can consciously perceive. GOD neither wants nor needs more gifts than the one gift—of becoming ONE WITHIN HIS IDEAS. This one gift of idea brings the expansive and unlimited realization of GOD HIMSELF AND GOD-SELF. It comes with a responsibility of SELF to accept the CREATIVE ABILITY that IS GOD. Are you ready for that perfect task? Yes, indeed, I AM. I am both ready, willing and able—without doubts as in human limitation. Does this make ME the parent of God? Yes indeed. FOR WITHIN CREATION/GOD-CREATOR I CAN BE ANYTHING I THINK TO BE. THIS MEANS I CAN CREATE ANYTHING I PROJECT AS IDEA. I, THEREFORE, MAKE SURE MY IDEAS ARE IN THE SAME PERFECTION OF LAWS AS I HAVE LEARNED—OFTEN IN THE MOST DIFFICULT MANNER POSSIBLE.

In man’s realm of limited reality—he must grow, however, to reach beyond that illusion and into the reality of his power and capability of the human and move into the HUman realization. He then must move on beyond the HUman realization and into the GOD-CONSCIOUSNESS. It is the duty, if you will, of GOD to bring to consciousness these thought-forms in which you can manifest (create) your own reality—and act accordingly so that you can feel the realization of creative understanding.

Living on any plane of experience is realization of self. When you perceive that your gift would be wondrous to give, as in this person’s perception, as being a parent or a creator of God, you have consciously chosen the most giving and re-giving concept to consciousness.

Since, in the physical manifestation of a being, you are limited as to your “time” within this wondrous concept—you will find varying degrees of realization as circumstances change. It certainly is NOT arrogance that leads you to conclude that you are an intimate and integral PART OF GOD—the largest PART. These “flashes” of total insight are remarkably real expressions of finding GOD IN THE TRUTH OF YOUR OWN BEING and RECOGNIZING the CONNECTION. IN THIS REALITY OF TRUTH IT DOES “**NOT**” MATTER WHICH CAME FIRST, THE EGG OR THE CHICKEN. When you perceive these wondrous insights into being—you ARE the chicken AND THE EGG. At that moment of understanding and gratitude you don’t need either a priest or a rabbi. In fact, the last thing you can think about is a priest or a rabbi. YOU HAVE AT THAT MOMENT, EVEN IF EVER SO BRIEFLY, BROKEN THROUGH THE BARRIERS AND ARE ONE WITH GOD. THIS IS FROM WHERE CREATIVE POWER BECOMES.

TO BE THE PARENT OF GOD YOU MUST BE PERFECTION AND ACCEPT THE TASK OF CARETAKER OF ALL THAT IS GOD. WHY DON’T WE NEVER MIND THE PARENTAGE OF GOD AND BECOME ONE WITH GOD SO THAT WE DON’T LOSE OUR WAY IN SUCH A MASSIVE RESPONSIBILITY OF ASSUMPTION? ARE OUR IDEAS SO INCLUSIVE OF RIGHTEOUSNESS THAT WE CAN ALLOW, FORGIVE, AND STILL INSTILL THE RIGHT DISCIPLINE OF SUCH A BEING AS GOD? You ARE the parent and the child OF GOD when you reflect his

DIVINE BALANCE AND HARMONY IN ALL THINGS. You can, furthermore, only reach that realization in Spiritual expression—so the human state-of-being is a very difficult place for full realization. It is the IDEA in GOAL that is important here—for you will create that which is rooted in your desire to achieve or hold. If you “idea” and “goal” GOD, you will achieve GOD. If you only wish to “idea” and “goal” gold, you will have gold, but probably lose your way to God because the focus of mind as creator is directing that which you desire to have and hold. You cannot long hold gold—YOU CAN ETERNALLY HOLD GOD. It is, however, the HUMAN experience to choose; you will become whatever is your choice for mind will produce the IDEA conceived and nurtured.

The mind must be unlocked to overcome those things offered as thought-forms by parents and teachers and life itself. Are you ready to teach GOD all the things of perfection? First you must BE PERFECTION. The human being is not given to be TOTAL PERFECTION AS UNIVERSAL GOD. How will you discipline God if you disagree with HIS PERCEPTIONS? You disagree constantly, so can you put aside these individual self-ideas in order to serve in a PERFECT way a PERFECT IDEA? CAN YOU BE A BRIGHTER LIGHT THAN THE PERFECT LIGHT THAT IS GOD?

The most important thing to remember here is THAT YOU ARE THE PARENT, THE CHILD, THE VERY BEING OF GOD REFLECTED. IS YOUR MIRROR CLEAR AND CLEAN? IS THE REFLECTION YOU SEND BACK OUT TO THE ETERNAL REACHES OF THE UNIVERSE—PERFECTION OF THAT BEAUTY AND ONE-NESS OF GOD? CAN YOU LOVE AND ABSOLUTELY ACCEPT EVERY CREATION AS DOES GOD? HOW ABOUT THOSE ASSUMED “ENEMIES”? IS THIS ARROGANCE? NO, IT IS WISHFUL GOAL-SETTING TO WISH TO BECOME THAT WHICH GOD MIGHT NOT HAVE—BUT EVEN CREATOR WAS CREATED, AND YES INDEED, CREATED FROM UNIVERSAL PERFECTED THOUGHT-FORM.

We are all stewards in various levels of growth, which means some of us are destructive, some are creative—but each is individual and unique. Moreover, if you think about it, your thoughts (ideas) are either FOR GOD or AGAINST GOD. Either is fine for to become one with God you will find the right passage or you will linger outside the circle of God of Perfection until you DO learn.

The concept of being willing to parent God is wondrous in its very conceived idea. God, however, is not in need of parents—HE IS IN NEED OF CO-CREATORS. This requires thinking, realization in thought, and IDEA of gaining creative perfection. He needs willing hands and feet to achieve his own IDEA of manifestation in concept of goodness—THE BETTER WAY. HE NEEDS LIVING, NOT DEAD OR DYING, PARTICIPANTS.

Negative energy-forms simply do not REFLECT the GOD OF LIGHT AND LIFE. They cannot focus on other than the restrictive things of experiencing manifestation in physical concept. They are bound in the heavy compression of containment while thinking POWER is CONTROL. POWER is FREEDOM—never control. CREATIVE activities and IDEA require realization of *power* and never the restraint of “I can’t”.

When God said, figuratively of course: Go forth and inhabit the world, He was saying—go forth and CREATE and let’s see how well you can choose and create—or will you limit selves to the limitations and greed of the human concept? WHO ARE YOUR OWN PARENTS? REALLY? OR, DID A MALE

AND A FEMALE SIMPLY PRODUCE YOU FROM A COMBINATION OF SPERM AND OVUM? BIRTHING AND DYING ARE HUMAN CONCEPTS—NOT GOD’S CONCEPT OF ALL THERE IS. IT IS THE BREATH OF LIFE GIVEN AS “SOUL” THAT DETERMINES YOUR PARENTAGE. A SOULLESS BEING IS THE MOST SAD OF ALL CREATURES AND A SOUL HELD IN THE GRIP OF THE ADVERSARY OF LIFE—IS THE MOST DESPERATE OF ALL.

Even if briefly you can reach beyond the limitations of human physical and into the truth of being in a Spiritual reality of thought and idea, you have arrived at abilities far beyond anything you can find on the globe of physical realization. Reality and realization are NOT the same thing. Therefore, REALIZATION OF REALITY is the GOAL you seek and when it is achieved, even briefly—you are on your way to Higher understanding and expression. When you begin to see and know the gifts of God, you can seize them as they come into your consciousness and therefrom CREATE that which is needed for our journey and mission. You must be in recognition of your ability to CREATE and when that recognition comes you must be willing to materialize that which you know you must have for accomplishment of your goals.

You must, however, be very careful for with the coming of things from your creating—you most often get pulled off the pathway to higher consciousness by the “things” acquired and accomplished. Power and riches are the two most deadly pitfalls for MAN. MIND will produce whatever you set forth as fixed IDEA. However, that IDEA must be rooted in true desire toward that chosen goal. You will never, for instance, paint well unless your MIND demands that you achieve your wishes as an artist. So, why waste your precious creative expression on that which offers no other than someone’s opinion of what you should or should not be? You will only achieve well that which you WANT with all your IDEA to be or achieve. Sometimes that idea is immediately present and evident—most often it takes a very long time to focus on THE IDEA of SELF.

So, back to God-parenting. This might well be YOUR idea but if it can’t be the idea of all seeking to serve God, it won’t happen, so better, perhaps, to do as God’s direction in gifting—”In the Grace of Christ, Thy Will Be Done—BY AND THROUGH ‘ME’.” This leaves opportunity for all fragments to move in one direction toward the ultimate “one WITH God” goal and leaves out the necessity of limiting oneself to a perception with all its myriad of understandings, concepts and limitations.

Sometimes the perception of “parent” is one who wipes and changes diapers on one end and pokes food into the other end. Surely we must not limit ourselves to such a narrow concept of life—and believe me, GOD IS LIFE.

I am so blessed that this writer has shared a bit of soul recognition with us for man is slow to share his thoughts and ideas—if they are meaningful. There is no experience as sensitive and wondrous as personal Spiritual expression and it is the most difficult thing-of-things, to share. Unless, of course, you have set self up as some know-it-all guru. True teachers are but STUDENTS and it is up to you to recognize which is which. GOD PLACES NO LIMITATIONS ON IDEA—HE ASKS FOR GOOD IDEALS, NO MORE. GOD does not love unconditionally—HE LOVES ABSOLUTELY—WHATEVER THE CONDITIONS. Are these the “same”? NO.

We are OUR OWN PARENTS for “WE” are not the physically genetic of human form. WE ARE THE ESSENCE OF GOD’S SPIRIT WITHIN, AS IN SOUL. THAT ONE ENERGY ENCOMPASSES

ALL CREATION AND CREATOR AND HOW VERY WONDROUS TO HAVE ALLOWANCE TO BE ONE WITHIN THIS MIRACLE OF LIFE.

Mankind measures time and moves always toward the concept of DEATH AND DYING. No, dear ones, you must move TOWARD LIFE if you would grow in consciousness of reality.

You MUST become God's lover if you would experience truth. I did not say sexual partner—I said LOVE-er. This means always reaching for balance, harmony, and BEING one in IDEA. Then, when you project only THAT idea, you will achieve goodness for you will have no other concept. It is not easy to move from where mankind IS and into that perfection of IDEA—but we must always move forward TOWARD that perfect realization or we precipitate great catastrophes upon ourselves and our environment.

The worst of all, however, is the accepting of the negative and catastrophic prophecies of OTHERS in their limited perceptions.

I do not wish to limit the thought process of this awakening soul being who shared with us his gift. Never mind his “gift” to God—try accepting the gratitude of this gift to man. Expanding conceptual IDEA is the name of the game, beloved friends—it IS the game and so few find themselves able to play in it as it actually exists. Realization and arrogance are NOT even remotely the same IDEA. ARROGANCE IS AN ATTITUDE OF MAN—REALIZATION IS A PRESENCE IN GOD.

We are no better (or worse) than our THOUGHTS—check out your own IDEAS.

Salu, and may the blessings of understanding and knowing come to rest gently upon your beings.

CHAPTER 7

REC #1 HATONN

WED., JUNE 10, 1998 7:25 A.M. YR. 11, DAY 298

WED., JUNE 10, 1998

DEATH IN INDIA

Thank you for calling attention to the terrible heat wave in India and for your interpretation that it is, perhaps due to testing of bombs etc. No, but you have a whole region which is suffering untold hardship from that as well as from the near 120° heat wave in India along the coastal areas of the Sea of Bengal. India is a very large area which is overcrowded and in abject poverty. Once again, WORLD, the results will be outbreaks of disease with nothing to stop the wave of infections as they move into places like New Delhi. The area is experiencing near-death-ray heats but where the temperatures range now is not lethal in themselves—so you can know there is something being jointly put upon the people besides a simple heat wave.

NEW DISEASE OUTBREAK IN THAILAND

If I could, short of isolating you people, I would not let you leave home where you have resources for care of selves. Even to Hawaii I would want you to stay mainland. Why? Because some of you are urgently needed WHERE YOU ARE, and secondly, any shift of location is a compromise to both selves and those to whom you visit. The point of your adversary is deliberately to get you out of your protection center and off running about strange places where there are no shields to protect you. No, I don't have to "name names"; this is for all of you with restless feet. We will only go to the mountain if we can't get the mountain to come to us. Am I being cautious? Yes indeed for this is still one of the most CRITICAL times of our journey—RIGHT NOW. How nice it would be for the other guys to just bump-off my team before we can finalize our ideas.

TO 2 X 1-AND-A-HALF

Keep doing what you are doing—but in addition, because of it being a more effective antiseptic solution, wash out the mouth with a lot of swishing a STRONG solution of hydrogen peroxide—many times a day and always after intaking any type of food or drink. (By strong I mean a diluted solution of say 10 drops of 35% peroxide in a couple of tablespoons [1 oz.] of water. Otherwise you will BURN your mouth. Use your heads, readers.) If you wish, you can use the medicinal (3%) peroxide diluted only a small amount and then rinse your mouth with water. Stabilizers in the over-the-counter (3%) peroxide can be harmful if taken orally in much quantity. However, you wouldn't want to swallow the solution used for rinsing your mouth if you are using other than food-grade peroxide. I suggest you just swallow the food-grade solution as that will attack any bacteria in the throat and back nasal passages as it passes down the esophagus. Know that an ongoing infection, such as tooth decay or gum ailment, doesn't get totally "cured", but the nasties hang around and offspring move right into the space of any you clear out, ASAP after cleansing. Once compromised as to tooth decay and damage—it is not simple to stop reintroduction of bacteria. All

of the products except Gaiandriana are short-acting (as in antibiotic or antiseptic) solutions. This means that your regime of care must consider that you can't just use once a day and hope for 24-hour topical action. OxySol, et al., are not as effective as several-times-per-day peroxide is for the teeth themselves as well as the gum-lines. OxySol is best for the abscessed areas because it generally gets INTO the blood system to work from "inside". BOTH is the best approach.

Beware, further, of wines, carbonated drinks, sugars and drinks with caffeine (or without) as the "staining" substance in these things clings to the teeth like super-glue. Try to keep away from extreme heat or cold because you "crack" or "craze" the porcelain which then allows the softer portions of the teeth to be under attack and actually break. Well, good friends, a smart-aleck said it best: "Life's a bitch and then you die." I remind you that LIFE IS WONDERFUL—AND THEN YOU LIVE! However, living in the body is a bunch of trouble most of the time. We most certainly don't want to fix those teeth too well, though, you who know Dr. Carlson, because it is worth a broken tooth just to GO VISIT HIM—so, try JUST GOING TO VISIT HIM.

When we get funding, we will bring his products forward—in spite of the Dental clubs who wish to bury his discoveries.

E.J., you will be fine for a long time if you just don't let them add any additional amalgamate into or on your teeth—especially as bare fillings where fumes can rise easily. You are dragging because you NEED SLEEP, you need exercise, and you need to remain in mental stimulation. When you are fatigued you are going to go to sleep anywhere you sit down. You can't always blame old age but we do have to consider the toll of stress and time on the old bodies. You, like your brethren, tend to miss the bus more than catching it and that is a no-no IF YOU WISH TO BE ALERT AND FEEL WELL. I need you in full-time thought and work on our funding, please—not running off hoping to find a magic bullet to wake you up. Change your state as to habits and you will improve instantly. And, perhaps if you read my writings as to CONTENT and never mind the editing—you would not sleep so well during your own reading sessions. No puns intended.

I need you and spouse to be available for attending any legal encounters—I intend that you shut down those stupid and ongoing outrageous insults to the judicial system from Green et al.

PART 4: *HIDDEN PARASITES*

[QUOTING ZION'S TROJAN HORSE, Sen. Jack B. Tenney, Circa 1940s:]

PRELUDE TO CONQUEST

THE WORLD ZIONIST ORGANIZATION

The rise of the House of Rothschild was accompanied by an organizational stirring of world Jewry. Inter-marriage with impoverished Gentile European nobility brought Gentile protection to Zionist aspirations, while inter-marriage with other Jewish banking families consolidated Rothschild financial influences and direction.

International Jewish conferences became more and more frequent during the last half of the Nineteenth Century. Such meetings were held in 1869, 1872, and 1878. In 1893 the *Central-Verein Deutscher Staatsburger Judischen Glaubens* was founded in Germany. (By 1929 this organization was alleged to have had 555 local units and over 60,000 members.)

It was Leo Pinsker and Theodor Herzl who had publicly called for international organization, but it was the Rothschilds and their control of international finance that made the international call possible. What would have been treasonably fantastic in the Eighteenth Century passed without challenge in the last part of the Nineteenth. Pinsker called for a “*National Congress of Jews*” and Herzl demanded “*The Society of Jews*”.

Herzl’s *First Zionist Congress* held at Basle, Switzerland in 1897 created the first open international Jewish organization in modern times. There was nothing new in either the world organization or the reasons for it. “I wish it to be clearly understood from the outset,” declared Theodor Herzl, “that no portion of my argument is based upon a new discovery.”

The *World Zionist Organization*, while ostensibly devoted to the establishment of a Jewish State, took cognizance, almost from the beginning, of its political potentialities throughout the *Diaspora*. Simon Dubnow, in 1903, urged that the *World Zionist Organization* be reorganized as a *World Jewish Congress* in behalf of international Jewry. Although there is little doubt that this was the organization’s sole purpose, it was not until 1918 that it openly so declared. The so-called *Copenhagen Manifesto*, adopted by the *World Zionist Organization* in 1918 and ratified at Carlsbad in 1921, in addition to reaffirming Jewry’s claims to Palestine, called for “full and *de facto* equality of Jews in every country, as well as national autonomy with regard to cultural, social and political activities for the Jewish communities of the countries with a Jewish mass population, and of all other countries where the Jewish population may demand such autonomy.”

The “*Copenhagen Manifesto*” may be considered almost as unique as the “*Communist Manifesto*”. The latter called for the confiscation of private property and the overthrow of the world’s existing governments. The “*Copenhagen Manifesto*” demanded the conquest of a country the Jews neither occupied nor to which they held title, and in addition demanded special status over their fellow-citizens in the lands where they were born and where they resided.

It appears that there were times when the *World Zionist Organization* did not consider it politically expedient to interfere in the domestic affairs of a given country for fear of losing support in its endless conspiracy for the conquest of Palestine. It, therefore, apparently consented to the formation of a second international organization, and the *World Jewish Congress* was launched with its blessings in 1932. The *Zionist Actions Committee* hailed the preparatory conference of the *World Jewish Congress* by declaring: “*The Zionist Organization* which was the first to proclaim the national rights of the *Jewish people* in the *Galuth* countries, supports *every form of international action* by the *Jewish people* to defend its civic and national rights, as well as its political, economic, and social positions. In these days of unheard of attacks upon the existence of the *Jewish people* and of a threat to vital Jewish rights in diverse lands, *every effort at an international union of Jewish communities and groups of various countries is doubly necessary.*” (Emphasis supplied.)

In 1935 the *World Zionist Organization* went on record as having “affirmed the idea of a *World Jewish Congress*” from the beginning. “The 19th Zionist Congress,” declared a special resolution, “regards a union of all sections of the Jewish people for the defense of its political rights and economic possibility of existence and the creation of an authorized representative body on a democratic basis as an urgent necessity. The 19th Zionist Congress looks upon the *World Jewish Congress* as a suitable form of such a representative body. The 19th Zionist Congress calls upon Zionists and Zionist groups to take part in the *World Jewish Congress*.”

“We are a people—one people!” said Theodor Herzl. “The longer anti-Semitism lies in abeyance the more fiercely will it break out. The infiltration of immigrating Jews, attracted to a land by apparent security, and the ascent in the social scale of native Jews, combine powerfully to bring about a revolution. Nothing is plainer than this rational conclusion.”

TOWARD WORLD GOVERNMENT

The *World Jewish Congress* is the creation of the *American Jewish Congress*. More than this it is the product of American Jewry. The directing force came from New York City.

World War I forever destroyed the fiction that Jews were citizens of the countries of their birth or naturalization. American Jewry, more and more under the domination of the hordes of Russian Jews who had flooded the United States since 1881, organized for the relief of European Jews whether or not they served the Kaiser or the allies. The *American Jewish Joint Distribution Committee* came into existence in 1914. As the war developed and victory became certain, American Jewry laid plans for participation in the Peace Conference. The impudence of such plans is curious in itself but not nearly so curious and amazing as the fact that no one seems to have seriously or effectively questioned the idea of a private group of American citizens presuming to take part in an international conference of governments in which they would be represented by officials of their own government.

B.G. Richards, N. Syrkin and B. Zuckerman submitted a resolution to an extraordinary Zionist conference in New York proposing “a convention for the purpose of considering Jewish affairs”. The Zionist Conference, August 30, 1914, referred the resolution to the *Provisional Zionist Committee* for action and Louis D. Brandeis was named to discuss polity for such a convention with the officers of the *American Jewish Committee*.

The *American Jewish Committee* represented the most Americanized element of Jewry in the United States, and although the influence of the **descendants of the Judaized Khazars dominated the Jewish masses**, the leadership of the *American Jewish Committee* hesitated to take the bold step advocated by the Zionist Conference of 1914. AJC leaders argued for a conference of “prudent and experienced leaders” and against an open mass convention which must necessarily be dominated by the revolutionary fire-brands of Eastern Europe. Aligning itself with the *American Jewish Committee*, the *National Workmen’s Committee on Jewish Rights* opposed the “collaboration of classes in an organization representing the entire Jewish collectivity”—exemplifying the curious alliance of right and left-wing cooperation so frequently apparent in Jewish affairs. This strange collaboration was attacked by the *Workmen’s Circle* through such spokesmen as Dr. Chaim Zhitlowsky, Ber Borochow, Pinchas Ruthenberg, Dr. Nachman Syrkin and Baruch Zuckerman.

On March 21, 1915, Judge Julian W. Mack, Louis D. Brandeis and Dr. Stephen S. Wise established the *Jewish Congress Organizational Committee*. The man who was to become a Justice of the Supreme Court of the United States was able to say (September 27, 1915) that the *American Jewish Congress* was to be “an incident of the organization of the Jewish people—an instrument through which their will may be ascertained, and when ascertained *may be carried out*.”

Meanwhile the *Kehillah* of New York City proposed a secret conference on October 24, 1915 and the *American Jewish Committee* proceeded to carry out its recommendation. Brandeis opposed the “secret” conference. “Secrecy,” he declared, “will lead necessarily to suspicion and misrepresentation of Jewish purposes and deprive us of non-Jewish support. We seek action in the open so that there shall be no misunderstanding either among our own people or among our fellow-citizens, as to our aims and methods.”

It is interesting to note that Brandeis, a future Supreme Court Justice of the United States, was capable of distinguishing between “*our own people*” and “our fellow-citizens”—an amazing, but enlightening, example of dual loyalty and alien thinking.

The preliminary conference of the *American Jewish Congress* was called to order in Philadelphia March 26, 1916. It is alleged that 367 delegates representing more than a million American Jews presented credentials and participated. Dr. Stephen S. Wise made the “keynote” address, “*American Israel and Democracy*”.

Although the United States was not yet involved in the war in Europe the conference looked ahead to the “Peace Conference”. It recommended that “the Congress consider the question of securing to Jews free and equal rights, civil, political, religious in all such lands where these rights were denied to them; that the Congress consider the question of securing to the Jews national rights in all such lands in which national rights were or ought to be recognized”; and “that the Congress consider cooperation with Jews in other lands, in furtherance of the Congress program.”

Louis D. Brandeis was named honorary chairman and a National Executive Committee was elected. Jewish organizations in Europe, South Africa, South America and Australia were invited to work with the Congress. Both the *American Jewish Committee* and the *National Workmen’s Committee on Jewish Rights* were pressured into compliance, out of which came a united Executive Committee. At a meeting of this group on Christmas Day 1916 it was agreed that the *American Jewish Congress* would confine its activities to the Peace Conference, and dissolve when its purpose in this connection had been completed.

THE REVOLUTIONARY PROLETARIAT

THE JEWISH SOCIALIST FEDERATION OF AMERICA

Frank F. Rosenblatt (chief of Staff of the *Jewish Bureau of Philanthropic Research* in 1918) declared that “the birth of the *Jewish Socialist Federation of America* in 1912 must be recognized as the most important landmark in the history of the Jewish Socialist movement in this country.” It is perhaps significant that Mr. Rosenblatt specifically uses the phrase “*Jewish Socialist movement*” and not merely

the “*Socialist movement*”. We learn that the *Jewish Socialist Federation* was an outgrowth of the *Jewish Socialist Agitation Bureau* organized about 1905 in support of the unsuccessful communist revolution of that year in Russia. It was organized at a time when the little-noticed *Second Communist Convention* storm was throwing ideological waves against the Jews throughout the world. The tidal wave had actually started in Basle, Switzerland when Theodor Herzl had called for the mobilization of the “*Jewish Nation*”.

The *Jewish Socialist Bund of Russia and Poland* had spearheaded revolt in Russia and the *First Communist Congress* was largely composed of Bund delegates. The affair was held in Minsk in March, 1898. It was convened under the auspices of the *All Russian Social Democratic Labor Party*. Neither Julius Martov (Yurii Osipovich Tsederbaum), who had been one of the leaders of the *Russian Jewish Socialist Bund*, nor Lenin (Vladimir Ilyich Ulyanov) were able to attend the Congress, both having been arrested and sent to Siberia a few months previous.

It had been truthfully said that every radical or revolutionary movement in Russia was heavily staffed with Jewish leadership. The Jews had always been most active in revolutionary propaganda. A Jew named Mloditzkia attempted to assassinate Count Loris Melikoff in 1880. Five Jewish names had dominated the list of assassins who had murdered Czar Alexander II. *The Jewish General Workers Union of Poland and Lithuania* (the *Jewish Socialist Bund*) was, of course all Jewish. Leo Deutsch and Pavel Borisovich Axelrod were among the Jews who founded Russian Marxism. Axelrod and Martov were two of the six editors of *Iskra*. A Jew named Gershuni was the leader of one of the terrorist groups. Many other examples might be given. Most Jewish apologists attempt to refute the Jewish character of Communism by disclaiming Jewish adherence to the Bolshevik wing of the *All Russian Social Democratic labor Party* was over the issue of *Jewish nationalism* which had swept out of Switzerland in 1897.

An attempt had been made to convene a second congress of the Party in April of 1902. An unsuccessful conference met in Bialystock. Theodore Dan (Gurvich) attended this meeting. The “student movement” reached its climax on April 4, 1902 with the assassination of Sipiagin (successor of Plehve) by Balmashov. The so-called *Nishni-Novgorod* workers’ demonstration followed, resulting in the arrest of many of the “comrades”. The trial of Zalomov and Denisov was highly capitalized by the Communists and gave an added impetus toward open revolution. The escape from the jail at Kiev of a number of the arrested “comrades”, including Maxim Litinov (Finklestein) and Piatnitsky, and the creation of an “organization committee” by *Iskra* (with Gregory Zinoviev called the first Central Executive Committee) cleared the way for the official *Second Communist Congress*.

The organization committee was composed of hard-ribbed revolutionaries who were destined to play leading roles in the rape of Russia. Among them were Krisishanovsky, later to become commissar of Soviet electrification; Alexandrova; Lengnik, a later member of the Soviet Commissariat for Education; Krassikov, to become prominent in the Soviet Finance Commissariat; Krasnucha, delegate from the *Petersburg Committee*; Levin, delegate from the *South Russian Workers*; and Portnoy of the *Jewish Socialist Bund*.

The Organization Committee was charged with the task of convoking the “*All-Russian Party Congress*”. A program was drafted by the editorial staffs of *Iskra* and *Zarya*, the latter being a theoretical organ published abroad by the Piekhanov-Lenin combination. Needless to say, the draft was the work of

Plekhanov and Lenin. Its theses included the development of capitalism, the concentration of capital, the creation of a proletariat, and the transference of power to the proletariat. The draft was completed in time for the opening of the Second Congress in Brussels.

The revolutionary tempo was accelerated by the Jewish Bundists throughout 1902 and 1903. A series of peasant revolts flared in Saratov which were suppressed by Governor Peter Arkadevich Stolypin, later to be assassinated by a Jewish lawyer named Mordecai Bogrov. Terrorism marked the rising pace of revolt as the assassins Karpovitch, Balmashov and Hirsch Leckert emptied their revolvers at Russian officialdom. Clashes between communist demonstrators and the police became more frequent, creating a bloody back-drop for the shabby Congress when it clamorously descended on Belgium.

Among those who were to write the history of the Second Congress were the following: Schatman, representing the *Petersburg Committee*, later to be active in Karelia; Lydia Makhnovetz, second delegate from Petersburg; N. Baumann, of the *Moscow committee*; Lydia Knipovitch, nicknamed “Djadenka”, of the *North Russian Alliance*; Stopani, also of the *North Russian Alliance*; Makhlin; Lenov, an anarchist; Krasikov, of the *Keiv Committee*; Dimitry Ulianov, of the *Tula Committee*; Zemlyatchka, of the *Odessa committee*; Panin, representing the *Crimean Union*; Maschinski, of the *Donetz Union*; Gussev, of the *Don Committee*; Ackerman, also of *Don Committee*; Galkin and Lyadov, both representing the *Saratov Committee*; Levin and Nikolaev, of the *Kharkov Committee*; Trotsky and Dr. Maldenberg, representing the *Siberian Union*; Zurabov, of the *Batum Committee*; Bogdan Knuniantz, of the Baku Committee; Topuridze, of the Tiflis Committee; and Kramer, Eisenstart, Portnoy, Liber (Goldman), Medem and Kossovsky, all of the *Jewish socialist Bund*. Lenin represented the foreign organization of *Iskra* and Martov represented the editorial board. Plekhanov, Axelrod and Deutsch were among others who attended the Congress. Only two delegates, Babushkin and Schatman, could lay any claim whatever to a workingclass background.

Nearly sixty revolutionaries gathered at Brussels, Belgium for the *Second Communist Congress*. The affair was held in a flour warehouse draped with red bunting and opened July 30, 1903. The first clash came on the question of the relationship of the *Jewish Socialist Bund* to the *All Russian Social Democratic Labor Party*. Both the *Jewish Socialist Bund* and *Zionism* had emerged in the same year and the question of Jewish nationalism was uppermost in the minds of the Bundists. They had adopted Yiddish as their language and contended that “national consciousness and class consciousness must go hand in hand”. The Bundists therefore demanded autonomy for specifically Jewish problems and the right to represent *all* Jews in Russia. Lenin, of course, held out for a centralized party and Martov, Axelrod and Trotsky—all Jews—stood with him. The question was still largely unsettled when the Belgian police interfered. The Congress moved to London where it met from August 11 to August 23.

Gregory Zinoviev, a Jew himself, in his “*History of the Russian Communist Party*”, explains the split in the party: “The Bund demanded that it be regarded as the sole representative of the whole Jewish proletariat of Russia, refusing to take any cognizance of the fact that the Jewish people in general were scattered throughout the whole country, and that therefore the correct course was for them to join the organization of the place in which they lived, just as the Finnish, Estonians and other workers. We could not agree to splitting up our organization into separate fragments, for we were a single international party, carrying on a struggle against *international capital*. This was the view-point maintained by the *Iskrovtsi*, conceding only that the Jewish workers have their own benefit societies and special groups, publish their

own papers in their mother-tongues, etc. But the Bund, giving the first sign of future social-chauvinism, pushed the matter to the limit, demanding that the workers be divided according to nationality, and allowed the right of having separate parties of their own.”

Martov and Lenin split on the definition of “party member”, Lenin insisting on restricting language. Trotsky and Axelrod joined with Martov. Martov ultimately won his point by a vote of 28 to 22. Lenin was infuriated and started a vigorous campaign to reverse the vote. He moved to dissolve the *Rabochee Delo* (*The Workers’ Cause*), a revolutionary publication in ideological competition with *Iskra*. Both of *Rabochee Delo*’s delegates had voted with Martov and when Lenin’s motion had carried they left the Congress. The five delegates of the *Jewish Socialist Bund*, smarting under their defeat on the question of autonomy,—and who had also voted with Martov—walked out and Lenin’s minority was therefore converted into a majority! The Russian word for *majorities* is *BOLSHEVIKI*! Those who supported the Bund (the minorities) were to become known by the Russian equivalent *Mensheviki*. Zinoviev explained it this way: “Lenin and Plekhanov were upheld, their resolution being passed, I believe, by 25 to 23 votes. From this juncture derive the terms ‘Bolsheviks’, (Majority, and ‘Mensheviks’ (Minority). As is known, during the revolution often an altogether different interpretation was placed on them. Many thought simply that the Bolsheviks were those who desired the most possible; while the Mensheviks were prepared to be satisfied with less. In actual fact, however, this winged word (Bolsheviks) arose in connection with the fact that the majority (Bolshestvo) voted for the Plekhanov-Lenin editorial board, the minority (Menshestvo), against it.”

Thus it is that Frank F. Rosenblatt, Jewish Research director, was able to heap praise upon the Jewish revolutionaries. “It is to the glory of the *Jewish Socialist Bund* in Russia,” he wrote, “that the question of nationalism which in the minds of the Socialists of the older generation was synonymous with oppression and subjection, was forced into the foreground.” The truth of the matter is that *nationalism* and *internationalism* are mutually exclusive terms. Adherence to both ideas in a single conception is only logical when the apparent paradox is designed to serve a specified purpose. **[H: So, too, is Judeo-Christian a useful tool for the same crowd of people.]**

Needless to say the *Jewish Socialist Bund* continued its revolutionary activities and joined again in Congresses of the *All Russian Social Democratic Labor Party*. Many were arrested and exiled to Siberia but hundreds of thousands came to the United States. As a result a “net” of Bund branches spread across the United States and into Canada. The chief activity of the branches was the collection of funds for the *Jewish Socialist Bund* in Russia. American Bund members organized the *Workmen’s Circle* (*Arbeiter Circle*) and swelled the ranks of the Jewish trade unions. Annual conventions of the Bund were held and a *Central-Verband* was elected which coordinated and supervised the branches. The waves of Jewish revolutionaries fleeing the police of Russia after the unsuccessful revolution of 1905 swelled the Jewish Bund branches in the United States.

The Seventh Congress of the *World Zionist Organization* in 1905 gave impetus to *Zionist Socialism*. “*Jewish administrative autonomy*” (*Saym*), *Golus nationalism*, and *Yiddishism* were current ideological movements. One B. Boruchov declared himself a *Paole-Zion* in Switzerland. He had been a Socialist for a long time. he advocated that *Zionism* should join forces with socialism. The establishment of *Paole-Zion* therefore effectually established the Marxist basis for *Zionism*.

In November of 1905 Borochof and J. Benjamin Zivi organized a conference of *Poale-Zion* in the Province of Poltava. In December of that year, at the time of the great Russian general strike, they organized a Jewish Russian conference in Berditchev. In 1906 the first *All Russian Conference of the Poale-Zion* met in Poltava and laid the foundation for the *Social Democratic Zionist Party Poale-Zion*. Borochof, together with other “intellectual comrades”, published a number of radical papers which the Russian Government suppressed one after another. “*The Jewish Workmen’s Chronicle*” and “*The Hammer*” were published in Russian. “*The Proletarian Idea*” and “*Forward*” were **published in Yiddish**. At the same time the *Social Democratic Zionist Party Poale-Zion* was organized in Russia. “Sister” parties were organized in England, Austria, Palestine and America.

In Palestine *Poale-Zion* published a **Yiddish** paper, *Der Anfang*. [**H: Remember that Yiddish is a distinct LANGUAGE for the TALMUD but using Hebrew alphabet characters.**] In 1909, at its sixth conference, the delegates adopted Hebrew as their official language. After the Turkish constitution was adopted *Poale-Zion* launched a Hebrew paper, *Ha-achduth (Unity)*, which was suppressed in 1914 by the Turkish Government, and its editor Zerubbel, condemned to life imprisonment. Israel Schochat (banished by the Turkish Government) and J. Ben Gorion were two of the early leaders of *Poale-Zion* in Palestine. The *Poale-Zion* was recognized as a part of the Socialist Party in Turkey which gave it the opportunity of influencing the international Socialist movement in favor of *Zionism* and Jewish national objectives.

Poale-Zion organized *Ha-Shomer (The Watchmen)*, a group of young men who guarded Jewish property against the native population of Arabs who were slowly being dispossessed of their property and their country.

During the *Zionist Congress* at the Hague in 1907 *Poale-Zion* delegates organized the *Poale-Zion Weltverband*, a worldwide group to penetrate the Zionist and Socialist movements. The *Palestine Workers’ Fund* was collected from Jews all over the world and administered by this World Organization.

The *Poale-Zion Weltverband* is credited with successfully propagandizing socialist and labor leaders in behalf of its program. Working through the *Socialist International* and the *England Labor Party* the Jewish Socialists in the *Poale-Zion World Organization* were able to have both groups adopt *Zionism* (a Jewish home in Palestine) as part of their respective “peace programs” (1917-1918).

Socialism and *Zionism* marched hand in hand from the beginning. Israel Cohen, reviewing *Zionist* progress wrote: “At the (*Zionist*) Congresses... the delegates from Russia formed at least a third of the total number. They played an important, and often decisive part in the proceedings, and far more Russian was spoken than English; even translations from German into Russian were demanded. Throughout the decade that elapsed between the death of the leaders and the beginning of the War the Russian-*Zionists* formed the backbone of the movement...”

[END OF QUOTING]

Do you begin to see, around the globe, WHY such as Jerry Falwell and other evangelical LEADERS proclaim their “*Zionists* and proud of it” stance? This is also why, when the Jews in the U.S. denied help to Mr. Yahoo, he simply went to Falwell and the Christian coalition. Christian? Oh no, Anti-Christ! Does

good old Jerry know? OF COURSE, you silly ducks. TBN is a tool DIRECTLY SET UP by the Jewish Zionist Organization. Does old Paul and Jan KNOW? OF COURSE. All three are not only JEUIISH, they are JEWISH.

DO YOU ALSO SEE WHY MOST “JEWISH PEOPLE” DON’T HAVE THE FOGGIEST IDEA OF WHAT HAS PUT THEM SO IN JEOPARDY? THEY ARE THE FIRST TO BE BROUGHT DOWN INTO DISASTER TO PREVENT A MOVEMENT LARGE ENOUGH TO STOP THE ZIONIST MASSACRE OF A NATION—YOUR nation. If I were “Jewish” in any reasonably recognized grouping, I would be totally IRATE at the damaging deceptions taking place on YOU.

Unless you LEARN FACTUAL TRUTH about any topic—you are not qualified to quarrel about it. GO DO YOUR RESEARCH IF YOU DON’T BELIEVE THESE WRITINGS. However, actual eyewitness observation should suffice for any THINKING entity.

This is sufficient for this writing, Dharma. Let us mark the place where we stopped today and get back to it ASAP. (The Socialist International.)

We will have to “hit and miss” with our writings until we further clear up the other mandatory meetings scattered around. Our team is now “out-thinking” the opposition in their trickery games, so expect a turn-about quite soon now. Meanwhile I appreciate the “fill-in” for Dharma of Aton and other Cohans and to the “receivers” who take up the task. I ask that “Hatonn” be left to Dharma, however, to stop confusion in presentations. I have OTHER needs in presenting this information than just giving an interview to a paper. Thank you, and Good morning.

CHAPTER 8

REC #2 HATONN

THU., JUNE 11, 1998 12:59 P.M. YR. 11, DAY 299

THU., JUNE 11, 1998

HEAVY DUTY PROJECTIONS

There are a lot of prophecies and actual information being tossed about lately—LISTEN TO THEM and heed some warnings.

When the jet-stream starts hitting the ground as it has lately—you are in for some very devastating happenings because it always moves at a fast rate of speed and there is no “funnel” to cut small and narrow roads through an area. There will probably BE funnels but the stream is so close to the surface that winds will be kicked up exponentially strong.

GOD is getting even with NO ONE as is projected by Pat Robertson, but things in Florida will get increasingly more furious, and to blame God’s attitude regarding gays is stupid at best. “MAN” PLACES HIS DRUTHERS AND BIGOTRY ONTO EVERYTHING—NOT GOD. Neither is the jet stream course or attitude the Wrath of God, so knock it off lest you really irritate said God. How do you account for so many “Christian” people being hit so hard all around the place? You had best hope God doesn’t take note of your false teachings as are being presented to you “in the name of God, Christ, Jesus”, or whoever else you wish to find invisible to pin your junk onto.

And DO NOT go about spewing that Hatonn/Aton, etc., is somehow AGAINST the Jews or anyone else. I am against crime, evil intent and evil deeds. I am against, for instance, the three nit-wit devils who dragged a man to his death. This is murder. I am NOT against a man choosing another man as a mate—except for the deliberate physical actions which take place in such a relationship. Remember that SEX is NOT LOVE. I am against the abuse in heterosexual relationships so don’t go interpreting my input. WHAT “I AM” IS “FOR” INTEGRITY, TRUTH, RESPONSIBILITY, LOVE AS IN TRUTH OF EMOTIONAL EXCHANGE, HONESTY AND GOOD MORALS.

I am weary of Man’s opinions and interpretations of what God thinks or is. GOD NEEDS NO INTERPRETATION BY HIS HUMAN CREATIONS. AND, NO SAVIOR IS GOING TO, OR HAS, COME TO SAVE YOU FROM YOURSELF. IF YOU WANT SALVATION, THEN GET BUSY IN RESPONSIBILITY FOR YOURSELF. NO “MAN” DIED TO SAVE YOU ANYTHING—NO MAN COULD DIE TO SAVE YOU. THE ONE YOU BLAME DID NOT EVEN DIE TO SAVE HIMSELF! THE “RAPTURE” TALE IS A LIE AND ISN’T IT TIME YOU FACED IT? AND FURTHER, A PROPHET IS NOT WORTH HIS WEIGHT IN PEANUT HULLS IF HE ISN’T RIGHT 100% OF THE TIME—THAT IS, ALL OF THE TIME, EVERY TIME. This does not mean that intelligent and insightful people can’t see what is taking place, and hence, will take place.

Proclaimed seers and prophets, remote viewers and psychics may well be on target and offer some pretty

stunning presentations—but realize that you too can see and know if you only PAY ATTENTION. Everything is connected—even that jet stream to your weather patterns, and then right on to the satellite systems that control the jet stream, strength and weather caught in the push. It is called PLANNED chaos. Even your nuclear time-clock is now reading 9 minutes prior to midnight with all the nuclear “things” taking place around your globe—and that clock is run by your own scientists and it doesn’t just include such as India and Pakistan. You in the U.S. have not yet paid the penalty for your own tests in Nevada—in any direction from detonation point.

I am not going to go into fortune telling and it would appear the ones who do and are abounding now are doing pretty well on their own. Stress the thought-forms, readers, and you will precipitate the thing as surely as you live and breathe. I do not choose to buy into your demands for destruction and failure. We have enough to keep our hands full without pushing panic—just preparation and attention to consideration of your own possibilities.

So many disasters have come to already bankrupt your disaster service. What happens when it is finally GONE? Worse, so many farmers are being now forced off their lands and poverty has struck the growing fields right along with the storms and droughts that you are going to have major shortages—worse even than that—your grain stores have been sold and you have no reserves. The blight of “scab” has hit the mid-northern states and has almost wiped out the grain crops and that disease takes YEARS to reclaim the fields once you have the immediate spread under control—and you do not have the immediate spread under ANYTHING but more spread. And, no, it is not a happy topic. There are not many happy topics running around lately, so be grateful to KNOW and gain information that you might attend some of your expected needs.

PART 5: *HIDDEN PARASITES*

[QUOTING *ZION’S TROJAN HORSE*, Sen. Jack B. Tenney, Circa 1940s:]

THE SOCIALIST INTERNATIONAL

What was the *Socialist International*?

The *International Workingmen’s Association* was organized in London in 1864 under the leadership of Karl Marx. It was generally referred to as the *International*, and later, the *First International*. Its primary purpose was the promotion of the objectives of the *Communist Manifesto* by Karl Marx and Frederick Engels. The last Congress of the *First International* met in Philadelphia in 1874 and rapidly disintegrated thereafter.

The *Second International*, generally referred to as the *Socialist International*, was founded at Paris in 1889. Headquarters were ultimately established at Brussels, Belgium in 1890. It was composed of most of the Socialist parties in the world, among which the German and Russian Social Democratic parties were the most important. The terms “socialism” and “communism” were generally used to signify the same things—revolutionary overthrow of existing bourgeois governments.

Poale-Zion embodied from the beginning the basic principles of Marxian communism (socialism) and

the principles of Zionism.

The *Poale-Zion* movement through its *World Organization (Poale-Zion Weltverband)* made rapid strides after its organization in 1907. The *Jewish Socialist Labor Party Poale-Zion of America*, filled with revolutionary Jewish refugees from Russia, became an important factor in the movement after the abortive Russian Revolution of 1905. Many of the leading Jewish advocates of Marxism found their way to the hospitable shores of the United States and immediately joined the American branch of the party. A Memorandum, known as “*The Red Book*” (mainly the work of the *Jewish Socialist Labor Party Poale-Zion*) was presented to the *Socialist International* by the world Organization (*Poale-Zion Weltverband*). It was printed in several languages and dealt principally with “Jewish nationalist working classes” and “Jewish aspiration in all lands”.

Following well established technique, *American Poale-Zion* agents in the *American Federation of Labor* were able to secure the adoption of resolutions “favoring the creation of a Jewish home in Palestine” as a point in the A.F. of L.’s “peace program” (1917-1918).

In 1917 and 1918 the *American Poale-Zion* was small in number of members—three to four thousand—but amazingly strong in its international relations. It created *parallel* organizations such as the *National Workers’ Alliance*. It boasts that it initiated the movement for “national radical schools” (*Alliance of the National Radical Schools*) which, as early as 1918, was “growing from day to day”.

Frank F. Rosenblatt declared: “It is a party not for Palestine alone, but also for the *Golus* and its interests. For this reason, *Poale-Zionism* is the centre of the East Side, from which come forth almost all Jewish American movements, or without which no movement can prosper.”

It follows, therefore, that *Poale-Zion* was an important factor in the creation of the *New York Kehillah* and the *American Jewish Congress*. Pressure from *Poale-Zion* “forced the whole Jewish laboring class on the one hand, and the Zionists on the other hand, as well as the better-to-do elements, to participate” in the Congress movement. “All of the radical elements in the *National Socialist Workmen’s Committee*” were united by *Poale-Zion* for the Congress and for the publication of its weekly, *The Jewish Congress*. Both P. Rutenberg (Vice-Commandant of the Petrograd Military District under A.F. Kerensky and Socialist revolutionary) and Dr. H. Schitlowsky joined the *American Poale-Zion* as soon as they were safely through immigration at Ellis Island.

THE NATIONAL WORKMEN’S COMMITTEE

The Bolshevik Revolution had a profound effect on American Jewry. Gentiles and Jews throughout the world hailed the Bolshevik triumph as Jewish instigated, executed and accomplished. With Lenin and Trotsky (Leon Bronstein) on the Czar’s throne and Alexander Kerensky’s Russian Republic in the ash-heap, many American Jews believed Jewish objectives already achieved. The 1917 political division of East European Jewry in the United States was perhaps the first concrete evidence that the Jewish drive for world power and dominion was a two-pronged attack. The *National Workmen’s Committee On Jewish Rights* withdrew from the Congress movement on the contention that its need had passed with the event of the Russian Revolution.

The organization was composed of four of the most radical American Jewish organizations;—*The*

Workmen's Circle, the *United Hebrew Trades*, the *Jewish Socialist Federation of America*, and the *Forward Association*. It was organized early in 1915. A conference was called for April 18, 1915 for “all labor and radical organizations”—and over two hundred responded. Its first convention was held the same year in New York City, September 4, 5, and 6. A half million American Jews were represented through several hundred organizations. It is alleged by Jewish writers that it was the first time that representatives of all radical wings of Jewry convened for *one* purpose. The 1918 officers of the *National Workmen's Committee* were Frank F. Rosenblatt, treasurer; J.B. Salutsky, secretary; A. Baroff, L. Baskin, Isidor Cohen, M. Gillis, J. Halpern, Dr. J. Halpern, A. Held, B. Hoffman, E.H. Jeshurin, H. Lang, M. Lulow, M. Olgin, Jacob Panken, Max Pine, Frank F. Rosenblatt, J.B. Salutsky, L. Schaffer, J. Schlossberg, S. Valitzky, B. Vladeck, M. Winchevsky, directors. (M. Olgin is the author of *Why Communism?*)

One additional Jewish organization, mobilized for the support of the *Jewish Socialist Bund* in Russia, Poland and Lithuania, should be mentioned in passing. It was known as the *Central Verband of the Bund Organizations of America* and at one time maintained offices at 202 East Broadway in New York City. Its avowed purpose was financial aid to the revolutionary Jews in Russia. Branches were maintained in “all cities of the United States and Canada”. During 1904 to 1907 “the branches of the Bund were the most active and influential bodies in the Jewish radical spheres in the country.” During the abortive 1905 Russian revolution the *Central Verband* “obtained tens of thousands of dollars” for the Bund in Russia. Meanwhile it carried on propaganda work among the Jews in the United States against the Russian Government. After the successful revolution of 1917 the *Central Verband* was busy collecting funds “to assist the Russian Bund in its work against counter-revolutionary forces”. In 1918 M. Gurwich was Secretary and Dr. C. Kopelson was Treasurer.

The activities of the *National Workmen's Committee on Jewish Rights* and the *Central Verband of the Bund Organization of America* indicate the wide-spread support of American Jewry for the Bolshevik revolution—especially among the Eastern European Jews of Khazar descent. Trotsky, Zinoviev, Kamenev, Sverdlov, Uritzy, and Volodarsky were famous Jewish leaders of the new Soviet government. Although these pseudonyms concealed the Jewish identity of these revolutionary leaders from the world at large, the Jewish socialists of America knew who they were. There were many more. Isaac Steinberg, as a member of the Soviet of Peoples' Commissars, had become a Commissar of Justice, and Uritzky was striking terror into the hearts of Russian Gentiles as the chairman of the ruthless and all-powerful *cheka*. They were rising to positions of power everywhere and Western Christian civilization was trembling before their advance. Rosa Luxemburg was terrorizing Germany and Kurt Eisner was driving to revolutionary power in Bavaria. Bela Kun cut a bloody path across Hungary to find ultimate reward under Stalin in the Soviet's Crimea. The American Jewish Bundists believed that the red dawn that had broken over Russia was the beginning of an era—an era that must fulfill not only the hopes of Zionism but deliver to them dominion of the world as well.

[END OF QUOTING]

I realize this is a very short writing but I would like to not begin a new section this late in the day.

I will be focusing, as well, on other topics through the upcoming days even though there is so much taking place that we don't have time to address all of them.

I want to remind all you people out there who follow along with the recent items being run as public notices,

that it is exactly what it looked like—public notices. Rick is being hounded by the curious, the insane, the sane, the unjust and the just, as, I suppose, the view of something or other of great desire seems to be popping forth. No, readers, there is nothing to CHASE, please. Rick did his job and fulfilled what was asked of him—nothing more. I, Hatonn, had the interchanges with Herman that led to the transfer for security of some of his thought-to-be assets. He was being murdered inch by inch and he wanted to have the possibility of holding something for America as a nation. His whole perception was that the original certificate was to be given over to the “saving” of America. When Bush, et al., started buying arms and literally doing things to DESTROY the nation—Russell did what he could do to cover his portion to later join with V.K.’s and establish value in the Treasury Department backed by gold. Can this yet happen? I suppose but it doesn’t seem anyone wants to make the effort of making it work and the buck stops here. It has already stopped as a matter of fact. And, further, it appears to have dead-ended at V.K.’s door.

Nobody here has any idea what that lady plans to do—and the people here plan nothing. We have some possible funding in the working for some smaller projects and to make sure the players here can clear all debts and walk away if necessary. The price of gold dropped another six dollars overnight and we will have to simply see what happens next. The Institute is still operative but dormant due to the Tuten case. Since it is the time to purchase rather than sell, you can certainly still be assisted through secured means. The Institute as it WAS cannot be used as other than a vehicle until the cases are cleared from possible assault. And people on any of our possible mailing lists, BEWARE, for Green is trying to raise a lot of money to corner, somehow, the stolen gold from the Nevada court. He apparently is desperate so you may well be hearing from him—this time with bigger lies than before—even if you don’t think that to be possible. He has recently seeded many lies about himself and his lovely wife and also about property sales, etc. This was to circumvent attorneys and ongoing court cases. He has a lot of problems, however, because he is in contempt of court having somehow “misplaced” 110,000 books. This is a *little* asset of over a million \$\$ he has overlooked in his bookkeeping and IRS notices. When this all comes to court as is, he is in deeper yogurt than ever before, so all he can do is try to keep delaying and delaying as long as he can do so.

If he is criminally cited, and he may well be after the contempt charges settle in—he is considered a “flight risk” so his bond will be even higher than it would ordinarily be for a responsible citizen. Don’t let him sell you a bill of goods, friends. Why would we concern that he would come to YOU? Because he has no “old friends” to which to go and he is doing just exactly what Gunther and Ronn Jackson did—USE YOU. I would be less than a good person if I failed to warn you. We haven’t yet determined how much gold, etc., he has run through his mill since he left California but we are led to believe—quite a bit.

The UFO “community” has it that Green ripped off the Institute for over \$10 million. If so, it never made it this far and there is no way to account for same here. Perhaps his back yard is again full of gold plantings.

Thank you and good evening.

We needed to attend the Rick-involved papers because too many “old” acquaintances started popping up like the proverbial gophers out of the holes. I repeat that there were several people involved in Russell’s business at the time in those past years and especially as it neared Russell’s death. If anyone knows where, for instance, Andy Nicholow is, please give Rick the information at the paper or have Andy call for himself. Thank you.

CHAPTER 9

REC #1 HATONN

FRI., JUNE 12, 1998 6:53 A.M. YR. 11, DAY 300

FRI., JUNE 12, 1998

WHAT ARE YOU GOING TO DO?

Are you going to take your pop-guns and go shoot some people? Are you going to do a sit-in in some intersection? What are you going to do as things look more and more critical in downturn? The Big Boys are just waiting for you to do something totally foolish for mass consciousness is something they can count on—insanity of the masses. You know, one man breaks a store window and everybody loots.

I'm a bit sorry, Dharma, that I ask that we sidetrack from our ongoing series to offer a couple of things from the pile of critical information piled around this room.

One is just an article from a Florida paper but it deals with farmers in North Dakota who are thousands of miles north of the paper in point. But the problem expressed is from EVERY STATE IN THE U.S.A. AND WORLD—readers. And, I ask again: WHAT ARE YOU GOING TO DO? It doesn't take rocket scientists or psychic fortune tellers to point out that you as world citizens are in personal jeopardy.

Even the supermarkets are doing a trick on you in pricing, claims of organic this or that (everything grown is organic) and even in your hamburger meat. A major study was just done by one of the Network News programs, across the United States, in the major cities. It was found that 100% beef in ground beef was mixed with trimmings from lamb (sheep), pork and poultry. I suppose the beef used was 100% beef but who knows—a lot of cereal shows up in ground products as well as meat. It is a way to use up scraps otherwise discarded, came one answer. "Dirty grinders" came another. Boy doesn't THAT make you feel safe and secure? "Well it gets mixed up because we grind the hamburger meat after the meat can no longer be top-quality from packages of 'slab' meat, so it can get mixed up sometimes." In other words, after steaks get a bit "off-color" the meat is ground! That ought to make you feel even better about your possibilities of getting tainted product. All the above are legal except the advertising of 100% ground beef, or kumquats or buffalo. They get further around that law by labeling "ground meat" or "ground poultry" or ground kumquat JAM with sweeteners and added flavoring.

Now, how many of you do what I suggested and take to your cafes a bottle of mixed colloids (silver and OxySol at least) and take some AS you eat? Even with stomach acids, you have a chance of killing bacteria in the food you are eating. You don't have to make a big deal of it—just add it to your water glass and sip through your meal. I weary of you getting sick, nagging me about your illness, and then finding that you aren't even doing the simple things to protect selves. Oh well, it is your tummy, tum-tum.

The above things, however, are assuming that you HAVE food.

[QUOTING, ASSOCIATED PRESS, 6-10-98:]

NORTH DAKOTANS FINDING FARMING
A HARD ROW TO HOE

ROCK LAKE, N.D.—After almost a quarter-century of farming, David Leas plans to trade in his tractor for a computer and leave the land that has been in his family since the 1920s.

“I’m getting my Plan B going,” he said. “Like the dinosaurs, if you don’t change, you’ll be extinct.”

He is among hundreds of North Dakotans fleeing their farms for jobs in more prosperous and less weather-dependent industries. Others are struggling to wait out prices and yields that, in some areas, have reached crisis stage.

“You feel like you’re kind of in front of a slot machine, putting in your last few quarters,” Leas said, while driving through wheat and canola fields he may never plant again.

The state’s Farm Service Agency **estimates North Dakota has lost 1,400 farms since January 1996 and, depending on this year’s crop, could lose up to 1,400 more next year.**

Taxpayers spent \$1.2 billion on disaster assistance and crop insurance in North Dakota from 1985 to 1993, according to a study by the Environmental Working Group, a Washington-based organization that often studies farm issues. That was more than any other state except Texas.

Much of North Dakota has absorbed above-average moisture since 1993 and 1997. At the same time, parts of the state battled drought.

Excessive rain has prevented farmers from planting some fields, drowned out others after they were seeded **and created prime breeding conditions for insects and disease.** The most *devastating disease for the wheat crop has been scab, which economists say has caused more than \$2.5 BILLION in economic losses in the state since 1993.*

THE COMMERCE DEPARTMENT ESTIMATES NORTH DAKOTA’S NET FARM INCOME IN 1997 AT \$15 MILLION, COMPARED WITH \$764 MILLION IN 1996. Based on government estimates of **30,000 farms in the state, each farm generated an average net income of \$500 in 1997, compared with \$25,500 the year before.**

Although farm income often fluctuates greatly from year to year, economists say the 1997 figures are the lowest since the early 1980s, when crop prices tumbled and production costs and interest rates soared. **[H: Go read the *Protocols*.]**

“Last year, I lost \$70,000,” Leas said. A good chunk of his land near Rock Lake, in northeastern North Dakota, has been flooded off and on since 1993.

To make up for the loss, he sold 320 of his 1,100 acres for \$90,000. “You can’t do that forever,” he said.

A recent survey of 4,500 North Dakota farmers found that 40 percent will not be able to make payments on their annual farm operating loans this fall, and an additional 30 percent will have trouble next year.

“We can all take a certain amount of adversity. But we also all have a point at which we just say, ‘Enough is enough,’” said North Dakota Agriculture Commissioner Roger Johnson, who owns cropland and pastures 50 miles north of Bismarck.

[END OF QUOTING]

“Well, we’ll just have to eat spelt off the Institute’s farm!” you say? There is not any spelt being grown on the farm—just weeds which cost about \$3,000 just to disc under to hold the land. Mustard and Starthistle have taken much of the land around these parts of California and are now destroying the deserts. Then this year, water ran through the best field at the farm like a wide river bed. Then came the ability to lease the land to organic growers—but they have to have more water supplies than available without major expense—and on it goes. Perhaps they will plant a few carrots and a few beans, but it is mid-June and the season for growing is not big around here. We had sabotage to the irrigation system, introduction of Smut in the grain-fields (deliberately), and sabotage to the tractor and equipment. Mr. Ence even took and sold one of Mr. Turner’s personal drag-discs. People, you are going to sabotage yourselves right into famine and disease. And, you don’t JUST get rid of Smut and Scab—these are both devastating diseases in grain crops. Spelta is resistant but it must be planted in the Fall for it is a long-maturing-time plant but is resistant to invaders—unlike hybrid wheat. The largest field would have washed out—but the other fields would not have needed irrigation. However, thanks to our nasty fiends wanting to get some gold already thieved, there was nothing with which to work the land, the tractor motor having been burned-out. You know, sort of like the “accidental” wide separation of the gas line from the water heater by a sweet little foot stamping it and the gas blowing up. And THESE are YOUR FRIENDS—MAY GOD SAVE YOU FROM YOUR ENEMIES.

Well, readers, if you want advice: Get in a supply of Spelt, if you can find it, with a grinder because you don’t want to lose food value in the form of flour unless you have refrigerator/freezer space, a supply of Adzuki beans (they are the most valuable food substance of the bean family), and some powdered Melloream. This is NOT milk but has all the wonderful qualities of milk without most of the allergic qualities of milk itself. Shelf-life is long and the taste, especially chilled or in drinks and cereal is excellent. It is especially good for babies who have trouble with regular milk. Also, don’t forget to get some salt supplies, sugar, flavorings and things like dried onion chips (for flavoring) and, where possible, get some dried veggies. I also suggest some soup-base items, yeast (keeps best in frozen state) and other things to make bread palatable. Brown or “whole” rice is also excellent—but STORE PROPERLY. Also keep water available which has been treated or get bottled water (treat it a bit, as well, as you use it). When the taps shut off you have problems and MANY things can stop water flow—from earthquake, etc., to an interruption in power.

We do not want to give up the farm for another major reason other than chickens and eggs and growing fields; it has water wells independent of the general supply. It is, by the way, time to add some chickens to the farm so that they will be laying by the time you need more eggs. Buy the female chicks, however, to stop the interbreeding as long as is possible. I don’t want to supply chickens for slaughter—I want YOU

to learn alternatives to killing. Dried tofu is good and has a long refrigerator life. Cheeses are good and can be frozen. Honey and syrups are also basic things you will want in your pantry.

I am not going to push you, readers, as we have done plenty of that in the past and we get back: “Well, we’re not in trouble yet and we lost some of our food supplies.” Can’t you ROTATE your food supplies? What is wrong with you that you can’t BOTHER with your own well-being?

I also suggest you get extra supplements, shrink wrap them and freeze them for quality control. You are going to find, when the chips are down and the nation is in real trouble—you will be on your own! Shipments of food are already being stolen right off the mail trucks. If you like coffee and/or tea—get some in large batches and freeze it. Coffee unopened will last a very long time and give you something special to have along the way—especially if you store some extra Mellorcream and powdered imitation cream.

If you have family, as in children moved away, you may as well prepare for their arrival when it really gets bad—and they will NOT be prepared. A freezer with a few roasts (well tended in food-saver type packages) and a few turkeys and chickens will be wise. If you can, have a generator and fuel enough to keep that freezer freezing for a while. If you have a lot of poultry seasoning, etc., you will do nicely through the upstart of hardship. You can also break and de-shell eggs and freeze them nicely along with some ham and bacon or like products.

Am I scaring you? Friends, if you aren’t scared—you don’t understand your position or circumstances.

I would like to share another article with you, this one from *Free American newsmagazine*, Oct. 1997.

[QUOTING:]

THE SECOND SECRET WAR FOR AMERICAN INDEPENDENCE

by Clayton R. Douglas

There is a secret war being fought once more for American independence. Behind the scoffing of the media at “conspiracy theories” is a very real campaign to move America into a global alliance that will benefit the giant corporations, the international banks and the few elite families that control an inordinate amount of the world’s wealth.

Look to the former country of Yugoslavia for a clue to America’s future. Serbs against the military **occupation** of Bosnia by the UN and its NATO army, are being referred to as “Ultra-nationalists”. As more and more of American sovereignty is given up to the massive onslaught of “international agreements” within the halls of Congress, Americans who treasure their *Constitution*, independence and rights, are under attack, first referred to by the government and liberal press as, “kooks, nuts, and conspiracists” are now being called “dissidents, rebels and nationalists”.

As more Americans become aware of the cost of participation in a “Socialist World Government”, as more Americans are victimized and harassed by federalized police bent on lining their own pockets with “booty” and “plunder” awarded them under confiscatory laws, as “Constitutionalists and Patriots are

transformed by the media into something “bad” and viewed as “the enemy” by the government, we must accept the fact that, if we lose the battle for the minds and hearts of our fellow citizens today—tomorrow, we will either be a “good Citizen of the world”, a resident in “a global village” with no property rights and even heavier taxation, or we will be criminals and rebels, demonized and charged as war criminals like the Serbian leaders, or our independent states attacked like Chechnya.

Minor skirmishes are being fought every day in a battlefield of public opinion. Occasionally, these encounters have turned deadly and erupt into gunfire, primarily by government forces operating outside and beyond their legal authority. In many of these cases, it has taken years for justice to be brought to bear upon those so-called “law enforcement” officials who have crossed the fine line of legality. In cases like the attack on Randy Weaver’s family at Ruby Ridge, the Federal government has refused to prosecute their own. Only after years of public pressure, did the state of Idaho exercise its prerogative to prosecute Len Horiuchi for the killing of Vicki Weaver. **[H: Note however, that since this writing—Mr. Horiuchi was found NOT GUILTY by reason of “acting under orders”. THAT should scare you worse than the act itself in the first place.]**

We are seeing an unprecedented attack on our *Bill of Rights* in Congress and a corresponding enforcement of unconstitutional “statutes” that have no basis in law, by Federal agencies operating outside their jurisdiction.

Fueled by propaganda created by the Anti-Defamation League and Morris Dees’ Southern Poverty Law Center, law enforcement agencies have fallen victim to the inflammatory rhetoric and targeted those who are merely trying to understand why our government officials keep referring to our Constitutional Republic as a democracy.

Jack McLamb, one of the most decorated police officers ever to retire from the Phoenix police department, formed an organization called Police Against the New World Order. This organization published a book called *Vampire Killer 2000*, designed to inform lawmen and soldiers how our Constitutional system was being undermined, complete with an overview of suppressed history. They also produce a monthly magazine called *Aid and Abet* written for lawmen, by lawmen. This organization is comprised of Jack, officer Rick Dalton and a petite lady named Carol, who (wo)mans Jack’s booth at shows while he speaks. **NCIC lists this organization as a “terrorist group”.**

In olden days, groups of people who banded together to protect their country were hailed as heroes. (Remember the Alamo?) Today, Americans who never dreamed of committing a crime are being targeted by the federal government for attending meetings, lectures or preparedness shows as dangerous terrorists. The war is not limited to patriots like McLamb. Ordinary people, businessmen, are considered fair game for the New World Order disciples working for the federal government. They consider themselves comandos, blindly following rules that make no sense, because in this war, the American people are the enemy!

[H: I am going to remind you readers of WHAT WE ARE and what we are about in the instance of CONTACT. It is undersubscribed because readers are frightened to get on any list—but it is a well-read paper and that is what is intended. When we can afford to do so, we hope to furnish it free to anyone. We need circulation to reach people in times of other media shut-down. Groups

are watched, assaulted, raided and branded cults or terrorists. WE ARE NONE OF THESE THINGS—NOT EVEN A GROUP. If YOU have to be a part of a group in your insecurity—take it up with GOD, or the New World Order. You CAN be a member of the New World Order and you will be patted upon the po-po and welcomed in—but you will NOT get a “security” card, my foolish people.

The assaults against *Spotlight* and *Liberty Lobby* are going to continue until they are closed—just wait and see. That, or there will be no longer honest articles printed in the papers and books offered by them. That is the way it is, and if you continue to claim you are a part of some group HERE, you err greatly. You are, however, quite secure in being on the subscriber’s list. We actually HELP the very strong-armed people at the top who think themselves beyond damage. We tell you how powerful they are and how futile to fight them with guns and play-toys. They LIKE that honor and self-controlled patriots. A “Patriot” is NOT one who furthers the cause of anarchy or plays in silly gorilla and hooligan games. In fact, the Big Bad Wolf will even help you in some of your projects if you mind your manners. If it makes “him” look good, the wolf will even help you fund stuff such as community gardens, etc. But, how many of your neighbors in the high-rent district are going to come farm a garden with the so-called “poor” people? They will wait and confiscate yours and call it “national interests”. So be it.]

**CONTROL THE FOOD,
CONTROL THE PEOPLE**

Control of the food is currently in the hands of the multi-national corporations. Today’s farmers, controlled by federal loans, are allowed to grow only certain crops, and sell them at certain prices, usually just enough to keep them in business but not enough to reach a comfortable level. The independent farmer was almost wiped out by Roosevelt and the contrived depression.

Our food supplies are in jeopardy, not from mad cow disease or karnal bunt but by new federal agencies.

Sixteen people in Colorado get the runs, and the Federal Government shuts down a meat processing plant, idles hundreds of workers, and recalls 20 million tons of meat! Seems like a little overkill, but a million Americans accepted a Burger King without burgers and ordered chicken.

A spin favorable to the government made it look like the government was really doing us a favor, protecting us from those nasty old meat packers.

Bet you won’t see Frank Paddi’s story on TV.

Frank Paddi owns Joe Paddi Seafood in Pensacola. He was raided by armed federal agents in mid-July this year (1997). Not the IRS, or the FBI but by the National Fisheries Agency. There was no warrant yet they took his check stubs and financial records. They also raided his neighbor and competitor, Al Williams, of Williams Seafood, even pulling their arms and confiscating a perfectly legal rifle from the man’s building. They spent over six hours rifling the two businesses. The Vietnamese working for Frank were frightened, shouting, “VC, VC”, thinking they were back in a war-torn Vietnam.

The crime? Buying Mexican Snapper, over two years earlier, from a man by the name of Fred Mathis.

Shame on you Mr. Paddi and Mr. Williams. You actually believed that Fred Mathis was an honest businessman like yourself? Wrong. He was an undercover agent working for the NFA. It wasn't Mexican Snapper at all but Louisiana Snapper. (Evidently, under NAFTA, you can buy snapper caught in the Gulf of Mexico by Mexicans, but not by fishermen in Louisiana.)

The senior agent considered himself to be not only the investigator, but the judge, jury and, ultimately, enforcer. "The fine is \$10,000, Mr. Paddi, just write us a check now and we'll be on our way."

They underestimated who they were dealing with. Frank Paddi, 63, told them, "If the fine was one red cent, I wouldn't pay it."

For Frank Paddi, owner of Paddi Boatyards, builder of the finest ships in the world, was suddenly, and whole heartedly, an American warrior against the New World Order.

THE PRESIDENT'S MIND SET

Conspiracy 101 will teach you about the Council on Foreign Relations. Made up of the heads of major international corporations, Generals, Admirals, Congressmen and Senators, ABC, NBC, CBS, CNN, *Time*, *Newsweek* and the *Washington Post*. You must be invited to join, have demonstrated your belief in one world government, and be able to keep the secrets of the organization. **It has been around since the Federal Reserve took over our money supply and its members have made up the majority of every presidential cabinet since World War I.**

It is the members of the CFR who have provided the money, platform and air time to create their presidential candidates and assure they get them elected. If the election swings the wrong way, no problem, they provided the money for the opposing party also!

The majority of the people refuse to believe that our President, Congress and the heads of our greatest corporations could possibly be anti-American. The truth is, many believe they are doing what is best for America by doing what is best for the world. They have swallowed the Globalist Agenda, BioDiversity, One World, Gaia, hook, line and sinker.

President Clinton was recently asked on camera what he thought about Harrison Ford in the movie, *Air Force One*. Mr. Clinton's answer should have sent chills up and down the backs of every American but few even noticed.

His answer went along these lines; "Well, there are a few things that were fictionalized. We don't have an escape pod, we don't have that kind of an arsenal on board and we don't have to deal with that kind of rampant **nationalism**," referring to the fictional Russian rebels that were fighting for independence of their former Soviet state. Does he feel the same about Americans who support their *Constitution*? You bet, "The *Constitution* gave Americans a 'Radical' amount of freedom," Clinton told an MTV audience. **[H: Of course, please realize this article came before Mr. Clinton's zipper problems this winter, running right up through all the news of today. The world is blowing up nuclear bombs, dying in**

disasters, and the news is full of Clinton's zipper problems and what about Monica. Note that Mr. Clinton is going right on straight to China and because why? "It would endanger the free world to not do business with China." (!!!) Blackmail? Of course, but what else is new today, readers?]

The facts are, his approval of the implementation of the Bio-Diversity Treaty, NAFTA, GATT, the international Biospheres and Heritage Sites, his American Rivers Heritage Act and his Terrorist Initiative, proves Clinton is actively promoting One World Government. Nor is he through. More legislation on the pike: Religious Persecution Act creates a new, cabinet level position to "monitor" religious persecution; S-830 will bring us into line with the European Union to make vitamins and minerals available ONLY by prescription; and the "Multi-Lateral Agreement on Investments" takes control over multi-national companies out of American hands. It is, virtually, the constitution of the New World Order where the corporations and banks rule.

Since Clinton got into office, actions against so-called tax protesters, patriots and militias have escalated. Are those who support the *Constitution* and the Republican form of government it guarantees us, qualifying us as "Rampant Nationalists" worthy of the government's wrath?

The media has cooperated in an effort to demonize this small group of Americans, trying to portray Randy Weaver as a dangerous Separatist to justify the murder of his wife and son, passing on government lies in regard to the massacre of innocent men, women and children in Waco; changing news stories in mid-stream concerning the Oklahoma bombing to try to tie the crime to the growing militia movement.

Why would the government created by the *Constitution* turn on those who support it the most unless that government is not what it seems?

[H: Let's clear up one or two things in the Oklahoma City bombing. The nerds from the so-called patriot group set a rather simple, and not very large, bomb in a truck. The ATF and FBI set the other destructive bombs to the support columns which would bring down the building. How do we know? There was no debris on the roof from such a large explosion as would take the whole of the building down into rubble. IT WAS AN INSIDE JOB.

But, don't you understand how this works, people? You are watched, and more especially are groups like these citizen guys, and when they do a no-no of any kind—they are NAILED. The government gets away with mass-murder, gets rid of a bunch of government crime documents, gets its people into safety before the bombs go off—and wham, bam, thank you ma'am. There were also helicopters over the building to shear off the edges of the building that wouldn't "blow". And, people, you just get sad-eyed and blame all the wrong people ALL THE TIME. Witnesses were present, but even then you have disinformation people who interrogate these witnesses and you spoil the rest of the integrity possible for observation and testifying at trial.

When so-called "patriots" exaggerate and blow up facts that are lies, like the "massive building program by the Chinese at Adalanto, Calif.", you ruin your own cause. Now is that overzealousness or foolishness, or, INTENDED to mislead? Think about it, readers, for IT IS YOUR LIFE!]

GLOBAL MILITARY

A picture of a Russian helicopter was featured on our October 1996 cover. It was taken in Carrizozo, NEW MEXICO, 30 miles from the GERMAN AIR FORCE BASE in Alamogordo (NEW MEXICO). It is no figment of your imagination. It was flying over the home of Jerry Carroll, a local, vocal supporter of the *Constitution* just days after he had spoken up *against* the expansion of the German air base at a “scoping” meeting designed to soothe the public outrage at a foreign base in America... an obvious violation of the *Monroe Doctrine* and an obvious attempt to intimidate. It was not the only one. Jerry has quite a collection of photographs of black helicopters hovering over his home. **[H: Well, we have those nice black and camouflage choppers watching and hovering all the time—we rather like them around because we know they are there for our protection. These guys, in the KNOW, really DO want to keep all of our people alive and, indeed, well. It is the idiots like Jason Brent who cause the blundering problems and might well get visited by military people and told to cease and desist.**

By the way, readers, this is the SAME *Monroe Doctrine* that VALIDATES THE BONUS CERTIFICATE NUMBER 3392-181.]

This is only one of numerous reports of foreign military equipment in America, all documented with photographs. A few years ago, the militia and the patriot organizations were called kooks and nuts for suggesting that UN troops were moving into place in America. Yet today you can go to the Army’s own website and see pictures of troops from former Soviet “Republics” training to detain Americans at roadblocks and checkpoints. “Operation Peacekeeper” took place in Fort Polk, Louisiana. Our August issue had a photo of Russian troops “inspecting” an American military base.

A “training film” for NATO showed German troops “simulating” torture and rape was aired in Germany and even hit the pages of a few American newspapers.

An American soldier, Michael New, was given a dishonorable discharge for refusing to wear a UN uniform.

A questionnaire given to troops at Twenty-Nine Palms asked if they would fire on American in gunconfiscation sweeps. Would they follow orders to shoot given by UN commanders.

The Special Forces have created an organization and publication called “The Resister” to counteract the Marxist forces at work in our country.

Bringing in women and homosexuals into our military has reduced the physical and fighting abilities of our armed services. Our military manuals are beginning to reflect the “kinder, gentler approach to training, reduced stress, lower physical standards, slack discipline and psychiatric counseling in case they get “too blue”. Like Goals 2000, our army is more worried about “feeling good about themselves” than their “fighting ability”.

Gone are the American flags that we once proudly wore on our uniforms. Gone are the insignia uniquely American. The average American will not be able to distinguish the origin of the soldier detaining him. We are watching the creation of a global military whose loyalty is not too American.

PDD 25 allows him [the president] to put our soldiers under the command of the UN.

PDD 39 turns Americans who support their *Constitution* into terrorists!

Our soldiers are currently in one hundred countries at last count, from hot spots like Bosnia and Lebanon to Peru and Brazil. Presumably, they are in the latter countries to protect the trees from loggers.

In this country, in violation of the Posse Comitatus ACT, Clinton is using our troops to patrol the borders that the La Paz Agreement (EPA's Border Area 21) is trying to eliminate. This resulted in the shooting of a young American goat herder tending his flock while armed with an ancient 22 rifle.

Since when, is “shoot first, ask questions later”, the norm, when government agents are concerned?

A LITTLE HISTORY

In the early fifties, the FBI and Army Intelligence knew that our state department and other government departments had been infiltrated by our former, Communist, allies. Army Intelligence was aware, according to Col. Philip Corso, that the CIA and KGB had infiltrated each other to the extent that they, for all intents and purposes, were virtually one organization.

Col. Corso, in his book, *The Day After Roswell* states, almost offhandedly, that these intelligence organizations were considered by the Pentagon to be a part of some shady, one world government plot.

Whether you believe the rest of Col. Corso's revelations about the real purpose of the Cold War and Star Wars Defense Initiative as a defense against a very real alien invasion (I find his story much more believable than the Air Force's current time-traveling crash dummies story!) you better believe there is a very real war for independence being fought on every level in America today.

The Communists were created as an insurgency group well over 150 years ago. Their rhetoric was designed to appeal to the ignorant peasants to unite them under a banner of revolution against the rulers of the day. In Russia, the leaders of the movement railed against the wealth of the Czar, and blasted the taxation of the poor. Emotions incited, the rabble failed to realize that the Czar was extremely benevolent and taxation of the common man was almost non-existent.

The Czar and his family were murdered by the Communists, thereby removing all rightful heirs to the throne of Russia. **[H: This is not so but effectively it is as well as done. The survivors have had to live in total seclusion with no hope of reclaiming their own identity or the throne.]** The plight of the people worsened under Communist rule. Arms were removed from the people. The programs instituted by their new rulers to guarantee equality gave the poorest access to certain services but at a tremendous cost. The middle class virtually disappeared. Millions of Christians and the more educated classes of people were killed or imprisoned. This pattern has been repeated in China and many other countries that fell prey to the machinations and propaganda campaigns of the Communists. **[H: Even then the Jewish citizens suffered the most at the hands of what they assumed to be “their own”. YOU ARE ALL PEOPLE OF THE GREAT LIE.]**

In America, those organizations and individuals who have tried to stop this insidious invasion have been eliminated, either by assassination or demonization. Remember McCarthy, The John Birch Society, John and Bobby Kennedy, George Wallace, and Congressman Larry MacDonald. Today, it is the spokesmen and women in the patriot movement that are under attack.

WHOSE SIDE ARE YOU ON?

We are in a SECRET WAR. Following the “fall” of the Soviet Union, Americans were convinced that we no longer had enemies. Joint Russian/American space programs have cemented our “friendship”. In truth, the Russian people **were never our enemies**. It was the Soviet and American governments who escalated the Cold War to keep the people frightened and confused. All the while, cooperating behind the scenes.

Today, the Chinese are being built up to become our next threat. The threat of alien invasion may be the last step in uniting all government under one banner. The real question here is what kind of government will it be?

Will the American *Constitution* be the guiding light of the world? Or will the *UN Charter* with its cultural heroes Karl Marx and Adam Smith be the path that we are forced to follow?

[H: Let me interject here that if you get a TRUE “alien” invasion—it will not be cosmos aliens. And, if that would be so—you would be far better off because cosmic citizens are GOOD CITIZENS. So, you are again victims of a massive LIE to terrify and subdue you. There will be “alien” pretense at invasion—to panic you, but it will be human-land-locked people doing the grand scheme and game. Now pay attention: IF YOU SHOULD BE INVADED BY “SPACE” ALIENS—YOU ARE DEAD IN THE WATER IF THEY CHOOSE TO RENDER YOU HELPLESS. THERE IS NO WEAPON ON YOUR PLACE THAT CAN OUT-DO DISTANT ALIEN TECHNOLOGY.]

The UN’s “Agenda 21” calls for the elimination of all “Sovereignty”, replacing it with a bureaucratic boondoggle under the banner of “Sustainable Development”.

The UN’s Human Development 94 called for unlimited immigration into America and the G7 nations. This plan to turn us into even more of a melting pot threatens to undermine our heritage and resolve.

This time it is not a battle between countries, it is a battle for control of the mind. In this battle, it is difficult to determine just who the enemy really is.

England was our ally in World War I and II, but it was England and its monarchy we rebelled against in 1776. It was England that controlled the drug trafficking in opium that subjugated China in the 1800s. It was England that established the money laundering scheme that led to the birth of Hong Kong as the banking center of Asia.

It was American industrialists, J. P. Morgan and John D. Rockefeller, whose interests built the railroads and opened the West to settlement, but it was the same men who killed and contained the American

Indians and stole their land for the railroad.

It was the American banking giants who financed the Bolshevik Revolution and created Global Communism. The same interests created the Federal Reserve and saw to the passage of the Act in 1917 that ultimately led to the confiscation of the gold of the American people in 1933. That gold was used to help Hitler build an army. When war broke out, Rockefeller and Rothschild-controlled companies supplied both the Allies and the Axis powers.

Today, the men who woo you with their portrayal of the good life in their Visa and Mastercard commercials are the same men who are backing the MFN status to send our industry over to plants in China. Thanks to NAFTA and GATT, those plants are now shipping 50 billion dollars more in goods to us than they are buying. They call it a trade deficit on your evening news.

Your Congressmen are all in on it. The gradual merging of the US with Russia and China has been part of US policy, officially, for over thirty years. **SEE PUBLIC LAW 87-297 FOR CONFIRMATION.**

Nor can you turn to your religious leaders for advice. **THE PROTESTANT COUNCIL, IN 1942, CALLED FOR ONE WORLD BANKING, ONE WORLD GOVERNMENT AND A ‘LEAGUE OF NATIONS WITH TEETH’.** [TFA December 96—*“Is Your Church a Part of the New World Order?”*]

IF YOU ARE IN DEBT, YOU SUPPORT THE NEW WORLD ORDER

The trick used by the NWO is debt. Create a debt and you are slave to the lender. The national debt (over \$6 trillion) is a debt you are passing on to your children. They will grow up to be slaves. It was created in your lifetime because the senators and congressmen you and your parents elected were financed by globalists/monopolists. To repay these campaign contributions (of which the Chinese are only the latest to engage in manipulating our political system) these elected officials were given a blank check to institute any and all socialist/globalist programs they could. Many of these programs are now conceived within the halls of the UN. Remember, it was Rockefeller who donated the land to build it.

For what reason do we give money, in the form of foreign aid, to countries like Russia, North Korea and Israel? Why would we make a loan to China to build competing industries or Mexico to bail out the bankers? Why must taxpayers bail out failed Savings and Loan companies who have gone broke giving loans to their friends? The “loans” we have given Israel and Russia would have paid for all of the health care needed by the American people.

If this was truly OUR country, run for the people, by the people, we would not be paying taxes to support corporations bigger than most countries. We would not be building factories in Mexico to allow American companies to make use of peasant labor at ridiculously low wages to build a Taurus that now costs Americans more than it did when we were building the automobiles here.

If we are no longer subjects to the king, why must we ask his permission before we can eat, work or sleep? If we were really interested in balancing the budget, could we not eliminate the thousands of regulatory agencies we must now contend with?

If we ran this country to the benefit of the common man, we would be getting bonus checks from our share of the profits generated by our industry; our industry would be owned and operated by Americans and there would not be a single Republican or Democrat within the halls of Congress.

What part you play, oppressor or victim, patriot or politician, militiaman or UN soldier, UN advocate or American strategist, is up to you. But from here on in, you can never go back to that blissful state of ignorance. Will you fight to preserve a Constitutional Republic and a *Bill of Rights* for your children, or will you join the forces of the New World Order, working to disarm the American people and consign America to a single voice in some global council?

[END OF QUOTING]

Fight? I suggest you look up the definition of that word. I find only one word which I would even use to infer confrontation in the listings: “struggle”. I would note that “fighting” rarely does more than insure loss. You don’t WANT to “fight” and you don’t want to further destroy. Why can’t you see to BUILD and BECOME? Can’t be done? Dear ones, it is the ONLY way to prevail—THE ONLY WAY!

And no, we most certainly are NOT going to have some leadership conference here in this place or with these people. We have too much to do to go off half-cocked and uninformed. LOOK WHAT GETS YOU INTO TROUBLE AND STOP DOING IT! WE WANT NO FOCUS ON ANYONE HERE WHILE, YES INDEED, WE WANT A LOT OF FOCUS ON THE PAPER AND JOURNALS—BUT EVEN THEN, ***WE ARE NOT BUILDING A GROUPIE OR SOME TYPE OF PATRIOT GANG***. If others wish to handle patriotism in that manner as with guns and clubs—go for it—but DO NOT EVEN MENTION OUR NAMES IN CONJUNCTION WITH SUCH. YOU ARE WELCOME TO ANY AND ALL INFORMATION THAT YOU CAN USE—FROM US, BUT OUR MISSION IS NOT TO GO TO WAR WITH ANYONE OR ANYTHING.

Our thrust is to prepare for some difficult times, and hopefully avoid the direct assaults of some teams who think they need to subdue anyone. We will not have a group, and if you do, please make it clear that it is YOU and not we who have organized same. But I can tell you now, YOU DO NOT WANT THAT KIND OF ATTENTION EITHER. Let me example something for you which is painful even in the telling: Dr. Carlson is having such a go of it in the set-up against him because the “group” of interested parties in Hawaii used “Phoenix” in their label. The group was listed as “domestic terrorists” and published as such along with hundreds of other groups scattered around. We did not get on that list because we have NOTHING here to list as an organization or a cult or anything else remotely subversive. We demand non-violent approaches to all things and we don’t even advocate target-shooting guns because it is usually your own gun that gets you killed. We don’t harass and we don’t cause trouble so that when we are under attack—there is nothing to find but a clean bill of goods and at best a few honorable friends in various business activities. We don’t have dues and we don’t take up a collection unless there is a guest speaker visiting, and then it is usually only in the form of purchasing tapes or books of interest to individuals.

Unfortunately people often continue to think whatever they WANT TO THINK and show up here thinking it to be some far-out club or a far-out flying object center of some kind. I can recognize most of the flying objects that you have to question—but so can dozens of other, and better, speakers. Almost NONE of

the assumed alien UFOs are alien or space. The most interesting and deadly craft come from non-alien terrestrial craft of your own making. And yes, they ARE IDENTIFIED. So, even the term UFO is a silly non-term. As for E.T.s? GOD IS AN E.T. so what silliness is that garbage? Your SOUL IS AN E.T., but you are a terrestrial, land-bound physical human. If this is too much to consider—then you don't want to be around this location for we sort of destroy all that wonderful fun and games played by the assorted authorities about those things of which they actually KNOW NOTHING. Are we the “real” thing? WHAT “real” thing? Of course we are the “real thing”. Are YOU a “real human”? Do we have “real” jobs here? NO, NO, AND NO! We do not have a group and we do not have a job agency or a community move-in crew or a take-care-of-anyone club. The ones who spouted those misconceptions are the same ones who stole from their own people and embezzled funds from their own companies. No, we don't do anything of those sorts here—PERIOD.

If you want to visit us when we have a meeting, even a business meeting for the Institute which can be open, welcome to the cookies and the afternoon (or morning). We have NOTHING else to offer here, not jobs, not some entitlements of any kind, not an open forum for writers or receivers, and certainly not for hand-outs because we have to live on gifts ourselves. We have a lot of friends all around everywhere who make the living worth the effort and that, especially, through the hard times of trying to sort out the ongoing mess with former “takers”. We do NOT mind the so-called “enemy” among us—we are NOT doing anything either politically incorrect or even notable. Our friends here, however, are not longer accepting of anyone who comes along and then betrays even one, or lies and depends upon us to somehow help out. No thank you, keep your tricks and lies to yourself.

Will the paper print things which may not be so? Yes, *CONTACT IS A PAPER, A VALID NEWSPAPER REGISTERED AND CERTIFIED IN THE STATE OF NEVADA, LAS VEGAS*. There is a major effort to present fact and not fiction, but that too is sometimes impossible to sort at onset of a tale. There is a purpose to inform, educate and, beyond all, bring Truth that is missed elsewhere. We thrust nothing down anyone's gullet, and if you find people who do—they are not from us for there is no “us”.

I ask right here and now that “The Phoenix Project” heading, which simply indicates the idea of the Phoenix bird, be stricken and something less suggestive placed instead. Call it “The Phoenix Informer” OR “The Phoenix Educator”. “Project” seems to indicate a group doing something. We would like to have lived up to that title through projects of educational and industrial value through the Phoenix Institute—but the thieves destroyed the very concept itself—until we clean out the rats from their thieved nests. Can we do it? Of course—all it takes is enough funds to keep legal counsel and staunch people who DON'T QUIT. The world is and always has been made up of liars, cheats, thieves and robber barons—so what else is new? A new and better way in building and structuring is not to FIGHT something or someone. Be in TRUTH and freedom will eventually come forth from the experience. You birth NOTHING good from the lie.

May we all consider these writings carefully and perhaps since this is not “novel” material—re-read it, it could be the information which saves your lives.

Salu.

CHAPTER 10

REC #1 HATONN

SAT., JUNE 13, 1998 7:15 A.M. YR. 11, DAY 301

SAT., JUNE 13, 1998

CURRENT PROSPECTS

This is not to complain to any of you readers regarding your inquiries and concerns as some “prophets” are giving you dates for delivery of disasters. I simply wish to take up the topic Sunday, personally.

I’m sure that Cmdr. Soltec will have input and, further, I would like to come to the support of people who seem to be finding windows for happenings, i.e., Scallion, the Remote Viewers, et al.

When a man is pinned down by direct questions to locate a day or time when significant changes might occur, you put him in a terrible position. Some “viewers”, in fact, wait for “a” Scallion to make his predictions and then ride along on that information. Some of your very best seers are shackled by this type of demand. Geophysical reports are coming out constantly for your reference, if you need more specific information, but be kind to those willing to go out on a limb in case they might avoid some devastation to life-forms by cautious predictions. I personally avoid making a date for disaster because, after all, what happens depends on so many factors as to move out of concept of using a clock. By Earth symptoms, however, you can KNOW you haven’t much time left before some major shifts and eruptions.

Some of the bad news is that when testing was taking place on nuclear devices in Nevada, and elsewhere, chain reactions continued to take place right up to current days. These reactions produce so much heat as to be shocking and they DO continue to release radiation in dangerously high amounts. When these gasses and fluids surface, there is damage going to happen to life-forms in the immediate area, even if not carried on such as jet streams around the globe.

You have continuing havoc from quakes and heat in India where the recent testing took place. You have the El Nino effect happening as a result of testing off Australia along with volcanism in the Pacific and in the Atlantic.

Magnetic pole shifts are under way as we write and have been for some time now. With the HAARP system activated, you can expect worse responses from the normal shifts occurring at this time. The artificial attempts at control are to prevent devastation in one fell-swoop. You can expect a whole series of jolts as the poles reposition themselves. Weather is in change and will not settle down for several years—and certainly not until a lot of massive damage is done. The Jet-Stream is moving very near the surface of the planet and will be hitting land more and more often with extremely high winds. These winds will often be accompanied by hurricanes and tornadoes. Weather control has been a capability since the first quarter of the century. FULL CONTROL IS IMPOSSIBLE, but storm management is a tool of fools. The Russians are more advanced in that technology than are you and have space “craft”, spheres, from which

to play. It is not remarkable other than most people are just beginning to take note of happenings as they are impacted personally. And, yes, there are places to avoid, even in travels, but people are going to do whatever they are going to do and heaven help anyone giving them advice, about vacations. STAY HOME is my advice unless inner intuition is working to get you to somewhere else which might read to be more stable than your home-turf. Further, when the tectonic plates begin to shift in a major way—everywhere on the globe will get backwash, figuratively and literally.

There is nothing new of which we have not WARNED you to be already under way. To panic won't help, but preparation for adverse conditions will probably get you through most of the chaos. You of God will be exactly where you are supposed to be, so I have no right to tell you to be otherwise, and neither does Mr. Scallion, or Art Bell, or Andy Rooney. I do suggest you get some maps as projected by some of these seers and pay attention, for a lot of land mass will be water mass as things settle down. And, for goodness sakes, if your house blows down and you rebuild it—build an aerodynamic structure because you are not going to be able to depend on the prevailing wind directions to hold as directional shifts happen. If you are already in an area of high winds, i.e., windmills for electrical production, you had best get ready for much higher velocity sustained blows. If you are sheltered against hills in those areas, you probably will not sustain much damage for quite a while and perhaps never.

I would warn you, however, that the Federation ordered the holding of the planet from full tilting until about eight years ago, at which time we pulled back the assisted stabilizing at the equator. We have not replaced any of that stabilization so, like a spinning top without a gyroscope, you will spin and tilt and that will bring massive change to topography as you now see it. Gradual changes allow for gradual responses, but you will note that most people will burn out, wash out or storm out—and will rebuild right where they were—in the direct line of more disasters. The happenings will be greater, repeated, and then, abrupt. Worse, most of the really nasty games will be political but intended for you-the-people NOT TO KNOW.

Now to the punch line: YOU DON'T HAVE TO GO THROUGH THIS, YOU KNOW; YOU CAN CHANGE IT IF YOU CHOOSE TO DO SO. BUT I URGE EVERYONE TO PREPARE FOR SOME HARD TIMES JUST IN CASE. AND, YOU ARE IN IT NOW, SO NOW IS THE TIME TO STOP TOYING WITH POSSIBILITIES AND GET ON WITH GETTING ON.

I marvel at the foolishness of the labor unions in, say, Flint, Michigan. They are in full strike to stop so much work from going to Mexico where there is cheap labor. So, now, the answer of industry will be to move the parts supplier plants ALSO. These are but the signs of national shut-down.

If there are no jobs, there are fewer taxpayers, no funds for welfare and yea, yea, yea, the country must borrow more and more to get less and less, and finally, it is toppled.

Can we get anything working BEFORE the topple comes? I don't know—that depends on YOU, AND YOU—AND YOU. We here already have some things “working” so the question is how much can we accomplish? Every day we take a step forward and are literally pushed BACK two. Perhaps now we can step forward two steps and only get pushed back one—and that is gaining by great strides. My hope is that some people around the globe are seeing the direction of life without major changes and where they are destined to fall.

Even today comes a note with a news clipping which says [quoting]:

REPORTS: GADHAFI [**H: Qaddafi, in the almanac and dozens of other spellings elsewhere**] HURT IN ASSASSINATION ATTEMPT.

CAIRO, Egypt—Libyan leader Moammar Gadhafi escaped an assassination attempt last week that left him slightly injured but killed one of his female bodyguards, Libyans arriving in Egypt said Thursday. The June 1 attack took place on a coastal road in eastern Libya when Gadhafi was enroute to Egypt for an official visit, the travelers said. The account could not be independently confirmed, and diplomats in the Libyan capital, Tripoli, said they had not heard of the incident. One European diplomat could only confirm that Gadhafi was in eastern Libya last week.

[End quoting]

With all the upset in Pakistan and India, Iraq and now, again, Libya, how long do you think those OPEC nations are going to lay dormant?

And further, how about the breaking news last night that for YEARS and years now, the British “Whites” were working on terrible weapons to kill off people in South Africa. They had lethal toys like shooting screw-drivers and all sorts of toys that could inject poisons, scatter Anthrax, HIV and other biological killers, and now it comes to light. It is not denied; it is simply stated that the research has stopped—in at least one lab. There is no argument that the intent was to exterminate the Black population.

By the way, why should China work with the U.S.? You are a dying and soon-to-be-dead country! You are in foreclosure, U.S.A., and the garage sales are under way while you remain blind as salamanders and twice as unwitting. Clinton HAS TO GO TO CHINA; he doesn't have a choice in the matter. The game is too far along for him to stop now. Time is running out, friends, and you aren't making many friends around the global track.

PART 6: *HIDDEN PARASITES*

[QUOTING *ZION'S TROJAN HORSE*, Sen. Jack B. Tenney, Circa 1940s:]

JEWISH REVOLUTION

On March 19, 1917, at 8 o'clock in the evening David R. Francis, U.S. Ambassador to Russia, addressed Communication No. 1110 to the United States Secretary of State. Among other things the Ambassador reported that it was “immeasurably important to the Jews that (the) revolution succeed”. (House Document No. 1868, 65th Congress, 3d Session, *Papers Relating to the Foreign Relations of the United States, 1918, Russia* (In Three Volumes), Volume I, page 7.)

In Communication 1361 (June 5, 1917) the Ambassador told the Secretary that Russian refugees were returning from America and that they were “planning to inspire attack upon Root charging that as Secretary of State he refused to permit certain Russian refugees to enter United States.” (Ibid, page 114) In reply Secretary of State Robert Lansing cabled Ambassador Francis setting forth the contents of a letter

written to **Jacob Schiff** by Mr. Root under date of October 16, 1908 explaining United States law as it pertained to political refugees entering the country. (Ibid., 114, 115.)

On July 18, 1917 Ambassador Francis notified the Secretary of State that the Socialists were “making supreme effort to put their principles into operation” and that they were being “assisted by German money in abundance”. The Ambassador pointed out that the “Russian population comprises Caucasian, Yellow and Semite races as classified here and composed of seventy-four nationalities.” He believed that the problem was “extremely difficult but not insoluble”. He further referred to “deplorable conditions mainly attributable to returned exiles, majority from America, Trotsky being most troublesome.” (Ibid., page 203.)

William G. Sharp, Ambassador to France, reported to the United States Secretary of State from Paris, February 9, 1918: “Your 3118 (3154) February 7. I have just been informed by the Foreign Office that the report to which you refer is entirely correct. It was explained that the British Government having received a representative of the Bolshevik Government there was nothing else to do for the French Government but to adopt a similar course. It has therefore visaed the passport of Kamenev proceeding to Paris via England in the capacity of Envoy Extraordinary and Plenipotentiary at Large. I have been informed that it is also (true that?) Zalkind has been appointed in the same capacity to Switzerland. I am told that the latter is the brother-in-law of Trotsky and has been his assistant secretary.

“The Foreign Office informs me that until recently a representative of the Bolshevik government by the name of Holzman was here in Paris...”

During February of 1918 the Ambassador to Russia informed the United States Secretary of State that documentary evidence seen by himself and Sisson tended to prove that Lenin and Trotsky and other Bolsheviki leaders were in German pay “and that disruption of Russia is but one move in plan of Germany to sow disorganization in Entente countries.” Referring to certain papers uncovered in Petrograd the Ambassador reported: “all documents except letter signed by Yoffe (Joffe) are said to be from the files of ‘Kontrerasvedka’, Government secret service organized under Kerensky. If so, unavoidable question arise why K. did not use evidence against Bolsheviki last July... Many clues lead to Stockholm and Copenhagen...” (Ibid, pages 371 and 372.)

The following excerpts are from translated documents sent to the Secretary of State: “Document No. 1. Circular 18 February 1914... The management of all German banks which are transacting business abroad and by agreement with the Austro-Hungarian Government the *Osterreichische-Kreditanstalt Bank* are hereby advised that the Imperial Government has deemed it to be of extreme necessity to the management of all institutions of credit to establish with all possible dispatch agencies in Lulea, Haparanda and Vardo on the frontier of Finland, and in Bergen and Amsterdam... Moreover, the managements of banking institutions are urged emphatically to make provisions for very close and absolutely secret relations being established with Finnish and American Banks. In this direction the Ministry begs to recommend the *Swedish Nya Banken* in Stockholm; the banking office of Furstenbert; the commercial company Waldemar Hansen, in Copenhagen, as concerns which are maintaining relations with Russia.” (Ibid., page 372.) The signature was “N3737”. Ambassador Francis commented: “This is outline of basic financial structure begun February 1914, five months before war was launched and still in operation; notice reappearance in subsequent Lenin messages, towns Lulea and Vardo, likewise reference to American banks. Olof

Aschberg, one of the heads of the *Nya Banken*, came to Petrograd month ago and boasted that N.B. was the Bolsheviki bank. He was overheard by one of our own group... Furstenberg is now at Smolny under the name of Ganetski, is one of inner group and is likely soon to be placed in charge State Bank. Aschberg now in Stockholm but returning. The material in this and other comments is independent of the documents and accurate on fact statements.” (Ibid., pages 372 and 373.)

Document No. 2 was signed by “Doctor Fisher” and is headed “Circular June 9 (November 2?), 1914”. It was addressed to “all military attaches in the countries adjacent to Russia, France, Italy, and Norway.” It announced that “special war credits have been opened for the subsidiary war requirements” in all branches of German banks in Sweden, Norway, Switzerland and the United States. “The General Staff” says the communication, “is authorizing you to avail yourself in unlimited amounts of these credits for the destruction of the enemy’s factories, plants and the most important military and civil structures. Simultaneously with the investigation (instigation) of strikes it is necessary to make provisions for the damaging of motors, of mechanisms, with the destruction of vessels, setting incendiary fires to stocks of raw material and finished products, deprivation of large towns of their electric energy, stocks of fuel and provisions. **[H: See, things have not changed one iota.]** Special agents detailed, which will be at your disposal, will deliver to you explosive and incendiary devices and a list of such persons in the country under your observation who will assume the duty of agents of destruction.” Ambassador Francis pointed out that the document was dated six weeks before the rest of the world knew it was to be warred upon “and even then making exact plans for a campaign of incited strikes and incendiary fires in the industrial plants and the yet uncreated munition plants in the United States.” (Ibid., page 373.)

Document No. 3 is signed “Risser” and dated “Circular November 2, 1914”. It is addressed to the representative of the *Nya Banken Bank*. “At the present time,” the document reads, “there have been concluded conversations between the authorized agents of the Imperial Bank and the Russian revolutionaries, Messrs. Zenzinov and Lunacharski. Both the mentioned persons addressed themselves to several financial men who, for their part, addressed themselves to our representatives. We are ready to support the agitation and propaganda projected by them in Russia on the absolute condition that the agitation and propaganda (carried on?) by the above mentioned Messrs. Z. and L. will touch the active armies at the front. In case the agents of the Imperial Bank should address themselves to your banks we beg you to open them the necessary credit which will be covered completely as soon as you make demand on Berlin.” An addition to the document states that “Z. and L. got in touch with the Imperial Bank of Germany through the bankers (D.?) Rubenstein, Max Warburg and Parvus.” Comments Ambassador Francis: “L. is the present People’s Commissar of Education. Z. is not a Bolshevik, but a right Social Revolutionist and in the discard, whereabouts unknown. Parvus and Warburg both figure in the Lenin and Trotsky documents. P. is at Copenhagen. W. chiefly works from Stockholm.” (Ibid, pages 373 and 374.)

Document No. 5 is signed “Kirdorff”, president of Kirdorff’s *Rhenish Westphalian Industrial Syndicate*, and is addressed to the central office of *Nya Banken* in Stockholm; Svenson Baltzer, representative of *Diskonto Gesellschaft* in Stockholm, and to a Mr. Kirch, representative of the *Deutsche Bank* in Switzerland. “The *Rhenish Westphalian Industrial Coal Syndicate*,” writes Kirdorff, “charges you with the management of the account of which you have been apprised for the support of Russian emigrants desirous of conducting propaganda amongst Russian prisoners of war and the Russian Army.” Comments the Ambassador: “Note that this document already figures in the (omission) several governments having been intercepted in the correspondence of Prince von Bulow. It has new and direct pertinency to the

Lenin-Trotsky data which follows herewith.” (Ibid., pages 374 and 375.)

Document No. 6 is dated June 18, 1917 at Copenhagen, signed “Svensen” and addressed to “Mr. Ruffner, Helsingfors”. The communication reads: “Please be advised that from the *Diskonto Gesellschaft* account, 315,000 marks have been transferred to Mr. Lenin’s account in Kronstaat as per order of syndicate. Kindly acknowledge receipt Nilandeway (Nylandsvej), 98 Copenhagen, W. Hansen & Co.” Comments Ambassador Francis: “Kronstadt, the navy base, was the nerve center from which L.’s activities radiated during the summer, both before and after he fled from Petrograd. Sailors were, and still are, his first dependence. Hansen & Co. are named in document 1.”

Document No. 7 is signed “Svensen”, dated September 8, 1917 at Stockholm, and addressed to “Mr. Farsen, Kronstadt (via Helsingfors)” and reads as follows: “Carried out your commission: passports and the indicated sum of 207,000 marks as per order of your Mr. Lenin have been handed to person mentioned in your letter. The selection met with approval of his excellency the ambassador. Confirm the arrival of said persons and separate receipt of your counter receipts.” Ambassador Francis noted that the ambassador referred to was probably “Von Lucius, a complimentary reference.”

Document No. 8 is signed “Kriek, *Deutsche Bank*”, dated at Kontrerasvedka, Geneva, June 16, 1917, addressed to Mr. Furstenberg at Stockholm. It read as follows: “Please note that at the request of Mr. (Jullias?) francs 32,000 have been paid for the publication of Maximalist socialist pamphlets. Advise by telegram addressed to Decker of the receipt of the consignment of pamphlets, number of bill of lading and date of arrival.” Needless to say “*Maximalist*” means Marxian or Bolshevik. Mr. Francis pointed out to the Secretary of State that Furstenberg was known in St. Petersburg as “Ganetski” and that he was named in document No. 1. (Ibid., page 375.)

Warburg is solidly welded to Trotsky in document No. 9. The communication, signed by J. Furstenberg, is addressed to Mr. Raphael Scholnickan at Haparanda and reads as follows: “Dear Comrade: The office of the banking house M. Warburg has opened, in accordance with telegram from the *Rhenish Westphalian Syndicate*, an account for the undertaking of Comrade Trotsky. The attorney (?) purchased arms and has organized their transportation and delivery track Lulea and Vardo to the office of Essen & Son, in the name Lulea receivers and a person authorized to receive the money demanded by Comrade Trotsky.” Comments Ambassador Francis: “This is the first reference to Trotsky. It connects him with banker Warburg and with Furstenberg. Lulea is a Swedish town near Haparanda.” (Ibid., page 375 and 376.)

Document No. 10 was signed by J. Furstenberg, dated October 2, 1917, and addressed to Mr. Antonov at Haparanda. It reads: “Comrade Trotsky’s request has been carried out. From the account of the syndicate and the Ministry (probably Ministry of Foreign Affairs in Berlin, press division) 400,000 Kroner have been taken and remitted to Comrade Sonia who will call on you with this letter and will hand you the said sum of money.” Comments the United States Ambassador: “Antonov is the chief military leader of the Bolsheviki. He was in command of the forces that took St. Petersburg. He is now in the field against Kaledin and Alexeev. At the date of this letter Trotsky was already at the head of Petrograd Soviet and the Bolshevik revolution was only a month away.” (Ibid., page 376.)

Document No. 11 is signed “Scheidemann”, dated August 25, 1917, and addressed to “Mr. Olberg”. It reads as follows: “Your desire for (omission) together with the intention of the party. By agreement with

the persons known to you 150,000 Kroner are transferred to be at your disposal at Furstenberg's office through *Nya Banken*. Kindly advise *Vorwärts* about everything that is being written by the newspaper about present events." Scheidemann, explained the Ambassador, was a German socialist leader. Document No. 11 "links him with Furstenberg-Ganetski, with the *Nya Banken* and with subsidizing the Russian revolution. Trotsky published a newspaper during the summer. Another newspaper spoke for Lenin. *Vorwärts* would seem to refer to the socialist organ at Berlin. Scheidemann's roles both as German peace propagandist and as strike queller in Germany are illumined by this letter." (Ibid., page 376.)

On October 8, 1918 the Charge d' Affaires in London transmitted to the United States Secretary of State a copy of a note (October 1, 1918) and a report from M. Oudendyke, Netherlands Minister, "relating to conditions in Petrograd". The note from the British Secretary of State for Foreign Affairs (Balfour) to the American Ambassador (Page) is numbered 162839/W/38 and read as follows:

"The Secretary of State for Foreign Affairs presents his compliments to his excellency the United States Ambassador and, with reference to his note No. 1261 of the 25th September, has the honour to transmit herewith, for his excellency's confidential information, a copy of the report by the Netherlands Minister, relating to conditions in Petrograd, which was received through His Majesty's Minister at Christiana.

"Mr. Balfour trusts that his excellency will agree with him in considering that it is undesirable that any of the information contained in the report should be made public until the Allied subjects and citizens now in the power of the Bolsheviks have left the country." (Ibid., page 674.)

Among other things the Netherlands minister reported that "the Red Guards under the direction of several commissaries... behaved with the greatest brutality" and that the "whole Soviet government has sunk to the level of a criminal organization... The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilization of the whole world will be threatened. This is not an exaggeration but a sober matter of fact; and the most unusual action of German and Austrian Consuls General before referred to, in joining in protest of neutral legations appears to indicate that the danger is also realized in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless as above stated Bolshevism is nipped in the bud immediately it is bound to spread in one form or another over Europe and the whole world as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all powers. I am also of opinion that no support whatever should be given to any other socialistic party in Russia, least of all to Social Revolutionaries, whose policy it is at the moment to overthrow the Bolsheviks, but whose aims in reality are the same, viz, to establish proletariats rule throughout the world... I would beg that report may be telegraphed as soon as possible in cypher in full to the British Foreign Office in view of its importance." (Ibid., pages 675, 678 and 679.)

The Consul General (Summers) at Moscow notified the Secretary of State May 2, 1918 that "Jews predominant in local Soviet government." (Ibid., page 518.) "Fifty per cent of Soviet government in each town consists of Jews of worst type, many of whom are anarchists." (Ibid., Volume II, page 240.)

[END OF QUOTING]

Now I ask you nice taxpayers: Has America stopped funding ANYONE? You never stopped funding Russia. Further, you have unilaterally FUNDED ISRAEL once it was established—and clandestinely, prior to the founding of the State of Israel in Palestine. Now, the same bankers, through the U.N., fund what they wish and make billions of dollars on the loans.

Do you actually believe that the refusal of IMF, UN, and World Bank to further loan money to Pakistan and India to “punish them” will make a difference? Well, it will make a difference—to the better well-being of both countries in point. This “Punishment” garbage is in response to India and Pakistan stopping interest payments for what was already foisted off on them through those grubby banks and bankers. And the bomb tests were just to PROVE that there was clout should the Banksters come to forcibly collect. Wouldn’t it be wondrous if Indonesia could stop their interchange?

All we are writing about is simply a foundation of information so that you can see what and WHO is taking everything from you, including your freedom. And, these criminals will blow up the entire world before they will back off of their intended goal of global rulership.

I just want you people to remember something very important: THE ENEMY OF YOUR GOVERNMENT (WHEREVER OR WHOEVER YOU ARE) IS NOT, PROBABLY, YOUR ENEMY. The first and most important thing in taking another country is by disruption of GOVERNMENT. Bring anarchy and you don’t even have to have an international WAR. The rabble can be roused easily and then the killing begins in serious action. Then terror becomes the activity of the day(s) wherein you won’t even be able to drive to the store without consideration of the road blowing up under your vehicle—or if you are a target, your car may well blow up first—or your home—or, or, or. You can no longer, already, trust your 11-year-old children.

I am far more concerned about the human things coming down than anything Mother Nature will toss at you, so I must leave that advertising of possibilities to others.

Thank you and good morning.

CHAPTER 11

REC #1 HATONN

SUN., JUNE 14, 1998 7:55 A.M. YR. 11, DAY 302

SUN., JUNE 14, 1998

MOM'S GARDEN

Dharma went out onto the front little porch outside the front bedroom to look down on the garden of wild-flowers this morning. They are God's gift to a world in waiting for all bad things to come. She thanked us for the flowers, and finally, as we came to write, she asked if we could just write today—about things which allow us just a brief moment in time—and appreciate that which we have to hold for the moment with no regrets, no alternative wishes—just appreciation. Perhaps we can deal with the flowers' passing tomorrow—always tomorrow—IF POSSIBLE. Well, the flowers will not pass away tomorrow but will be replaced by those Fall blooms—IF SEEDS ARE PLANTED.

“Oh, I don't want to replace the seeds for these blooming are Japanese silk poppies and California poppies and I want them next year.” So, I answer, “Then let whatever God provided and man put into the wild-flower package—do its thing.” But rather than think of the missing flowers—ENJOY THEM WHILE THEY ARE THERE! EXPECT MORE BEAUTY AS THE WEEKS PASS—AND GOD WILL PROVIDE—BUT YOU MAY HAVE TO ATTEND THE PLANNING.

“SIR, I don't plan things of that sort—I type, remember?” says She. “Then, allow God to plan, ask help for the weeding, and WATCH THE FLOWERS BLOOM,” I responded. Even the flowers have seasons, readers, and as each kind blooms in the garden of time—each is as beautiful as the other—if you but open your heart and see. A friend, a child, a plant: these are things of beautiful blossoms in the very HEART OF GOD. Each is a blessing which allows you to KNOW all things of life can go on through eternity. Have those poppies in some form not been in some garden somewhere for lo the generations? All except the lavender Venusian Germaines. They were seeded in the late winter-early spring of 1988-1989. Why? Because it would be a “new” type of flower that would become outrageous in its display within the decade, and yet, would show you EXACTLY where the expected “water line” would be—in their first year.

Water line? Indeed. We seeded the entire area around Tehachapi in the snowfall in April. Anyone here in that season noted that the line of flowers was exact to the “foot”. In Tehachapi proper the flower line was below the city level, but in some parts of lower country there were only flowers on top and high sides of the hills and mountains, and none lower than the snowfall THAT year. Now they are everywhere—but that year we needed those particular flowers to show the line where water could eventually be expected to rise. This was for our mapping of the area, but we shared that with you way back then. The information has never been the same again, so now all you need them for is to remember and enjoy as they turn the place into a lavender painting. But then? Ah indeed, you were told it might not be safe a few decades later to plan very much below that flower blossom line on the hillsides, in this area.

Even people who have lived in the area for generations were shocked as “new” and unusual little posies painted the countryside. Now, they would tell you that “they have always been here”! No, they were NOT always there—not in this area. Is it important? YES INDEED. If you are to make a successful progression—these things are VERY IMPORTANT to the changes expected topographically. Do you like shorefront property, underwater property, or dry toadies?

There must be realization that we could expect waves as high as the snow line of that particular month a dozen years ago. That does not mean that the level of ocean water would remain at that level, as things would settle back down to “normal”, whatever that means.

Why would there be expected changes if Mother Earth always has and always will, do her thing? BECAUSE YOU HAVE DETONATED SO MANY NUCLEAR EXPLOSIONS UNDERGROUND, AND ABOVE GROUND TESTS, THAT NOTHING IS REMAINING AS IT WAS. You must realize that the results of a nuclear reaction produce incredible heat and mutation of everything from body tissue, genetic structure, to intense heat, and that reaction goes on for tens of thousands of years.

Your Earth mass and sea mass is completely undermined with these fissures of radioactive material with temperatures high enough to have combustion of air in some places. This is exactly what happened on other planets and the planets most near to you—we can judge by what happened last on other “great” planets. The public doesn’t have the faintest idea about MOST of the research in point.

Can we cool things down enough to salvage everything? No. We wouldn’t if we could. Why would we tamper into YOUR LIFE PROGRESSION? YOU MUST JUDGE AND DISCERN FOR WE HAVE ALREADY LEARNED OUR LESSONS.

If things get totally out of control, your planet will be encapsulated in a plasma bubble so that you do not interrupt the orbiting order of the cosmos. So you who think we are here to play footsie or patty-cake with you, forget that old rapture bit. We are not here to interfere—we are here to protect those of other realms of life.

Ah, but will the flowers continue to bloom in our gardens? Perhaps, for the mountains and hills, in this location, will be thrust upward and Nature will have to reclaim those higher peaks, while much you recognize now will be under water. I remind you, however, that the only real cleansing for radiation—is WATER. Water and air are THE mandatory things of sustaining life as you recognize it in the human form.

Will the planet be destroyed? No, God does not destroy His creations once created—HE USES THEM FOR FURTHER INVESTIGATIONS TOWARD PERFECTION OF HIS FAVORED SPECIES. There will be a remnant and you who understand that will be among the teams remaining in security after the horrendous changes happen. I did not, however, say “God cannot destroy or uncreate His creations.” I said He doesn’t. If He has uncreated or destroyed His creations, then they are not around for you to concern about—are they? I have a lot more insight to that which is around now so why bother about that which IS NOT? If something “comes to be” within your consciousness—THEN you spend time bringing it to life with YOUR thoughts—or leaving it lay to dissipate into the ethers of thought-form, waiting to be manifest.

GOD promised to send you THE WORD OF TRUTH before there would be more destruction than the species could handle—and in time for the changes to be made. THIS HAS BEEN DONE NOW, READERS. In deepest Africa now we have made connections and a lot is taking place among your remnant brethren. Then, to the other direction, there are more of the remnant doing everything they can to salvage possible ongoing life. But the WORD, itself, has now gone around the globe—just from this keyboard location. Is that not a mighty feat of something of which miracles are manifest? And YOU HAVE DONE IT! YOU are THE miracle of miracles.

We were not given a mission of “saving the world”, friends. We were given the mission of making sure remnants survived and can flourish AND TO GET TRUTH OF GOD AND MAN AND THE RELATIONSHIP BETWEEN THE TWO ALONG WITH THE RELATIONSHIPS WHICH MUST BE SUSTAINED BY NATURE AND MAN—IN CONNECTION WITH CREATOR. THIS MEANS THAT WE MUST FOCUS ON OUR ABILITY TO “CREATE” BETTER WAYS, HONORABLE WAYS, TRUTH IN ALL THINGS AND COVER OUR ASSETS FOR WE WILL ALSO NEED THE THINGS OF THIS CIVILIZATION TO SURVIVE AND THRIVE INTO THE NEXT.

My response to “what about all the others?”, is this: “Never mind the OTHERS.” If they are souled beings, they are already safe as to continued life in proper form. If they are not souled beings, then they are not of God nor Man as you might recognize “creation” in perfection to be—and thus they will simply BE NO MORE. IF THERE ARE EVIL ENTITIES LEFT AMONG THE REMNANT, THEY WILL NOT BE ABLE TO REPRODUCE THEMSELVES FOR THE SOCIETY IN POINT WILL NOT ALLOW THE THRIVING OF SUCH ENTITIES FOR MANY, MANY GENERATIONS TO COME.

Will those of yourselves who make it also—change? Indeed, in just about 30 seconds as the water rises! Will it be worth the surviving? Yes.

If you who basically have “charge” handle things correctly and generously, ways will be established which CAN see you through in ways you recognize, while building for a “future” which will produce NEW ways of doing things and new ways of living. The things of mass destruction will be buried in order to cleanse the planet and the globe will be off-limits to warring visitors in order to give human-kind a chance to rally his creative abilities. The higher intelligent brethren will be available to assist and help you to stay on a righteous pathway. The negative energies will be housed elsewhere by mandate until some time far later in your imaginings.

Unless you wish to start again with sticks and stones as your only tools, you will prepare, and by that I also mean you will HELP the ones in leadership and CONTACT to flourish and gain that which must be gathered in sequence of gathering. This means, in this perception—great funds for our needed preparation for long-time survival. You will need, in various places here and there, tractors, tillers, discs, transportation, water purification capabilities, and yes, even banks. This is why we are going back to our once totally honorable Native population. They have, however, learned to be equal to any bad persons on the globe—so they too must be sorted and identified. But you START where you can do so and GROW FROM THERE. And yes, you must do it while there is still evil afoot at every turn. How much evil do you hold? Lots and lots, good friends. Good is not birthed from evil but the Good shall prevail OVER THE EVIL.

Will evil be abolished? No, MAN must handle evil within himself—that is not an intention of God to take

away Man's schoolrooms. HE can see, however, that YOU are going to annihilate your own schoolrooms. How "good" or "bad" it ends up being, is up to YOU.

But you will learn to live and thrive on the "living" things of life—on the products produced by the livestock, etc. Without the governmental CONTROLS you will be able to grow the best crops for weaving cloth for your clothes and for spinning wool to make your warm covers. You will eat cheese, drink milk, eat fruit, and plant seeds. You will eat eggs and use feathers for pillows. You will stop killing everything that comes within your spaces. You will live in harmony or you will not survive. If you eat your chickens rather than save them for eggs ongoing—you will starve yourselves to death sooner than later.

In OUR villages, or great cities, there will be no acceptance of violence and indeed THERE WILL BE GUN CONTROL. GUNS ARE FOR KILLING AND TO ENSLAVE ANOTHER, so if you have to have guns to live—get thee OUT OF OUR PLACES. I can promise that the rousters of the world will NOT LIKE OUR PLACES and they will eventually turn their own guns upon themselves—and indeed, we shall certainly allow it.

There are ones in prison who believe that they will come and perk up our little ongoing "stuff". NO, they will not and they will not be welcome—period. So, I suggest you who participate with some of these expected visitors—that YOU make it very, very clear that we are not a paper to present hate, revenge, subversive activities, or even just Constitutional Law. A lot of your constitutional LAW stinks—and warring capabilities is one of the worst.

In most instances you will find that WE OF THE HIGHER BROTHERHOOD will make your decisions FOR YOU as regards those who think themselves the solution to your problems and wish to run things for themselves. They have distorted intentions and considerations. The *Second Amendment* will be the FIRST to be removed from your *Constitution*—then we might be free to work on the other points in consideration.

"If this be true, then count me out," some of you will say loudly and clearly. So fine, we count you OUT—but you take yourself elsewhere where you will be happy in their presence and you can just shoot each other until all of you are GONE.

Killing of animals will also be stopped in almost all instances so that knives will be useful for the trimming of weeds and harvesting of grain and crops.

Along those lines I suggest you get a goodly supply of SOY BEANS for they still produce the best curd for tofu and fermented seasoning with life sustaining qualities.

You will also stop the cutting of trees for your silly needs. You can make better paper from plant fibers as well as clothing. Leave the trees and shrubs for your oxygen supply for it will be diminished as it is taken up in massive reaction chains.

For the tofu you will need a supply of salt, preferably sea salt—to make your curd. I told you a long time ago to get instructions and learn to make these basic foods. And no, Dharma is not going to do it FOR ANYONE, probably not even herself—NOR AM I. What are you going to do when Dharma is not

“there” to make your silver nitrate solution? What about the mixture of vitamins for the Drias? **WHAT ARE YOU GOING TO DO?**

I am asked about banking, daily. What about it? My suggestion might be to find a suitable casino that Mr. Wilson or Mr. Clinton plans on **CLOSING** on a reservation, as handy as possible, and convert it to a bank **WITH A LARGE VAULT** in which you can store your gold which backs your currency for the future hard times. A whole network of these banks can be accomplished in quite a short time with new computers and enough space to allow start-up.

Building supplies? There are plenty of building supplies without cutting even one more tree. You can get power from the Sun—so stop the wheeling and dealing—and learn **HOW**. You can form your structures of great size and quantity from the Earth, as in various kinds of cement—say cement with spelt hulls. When the government closes—so too will the silly restrictions which disallow wells and growing of various things.

As you have funds, you will want to have looms, dehydrators, and other things to allow for living. This means that, as industries shut down for whatever reasons, you can acquire a great many things which will allow you to flourish in your island of living. You would be surprised at what wondrous fabrics and paper you could make from processing such as mustard and starthistle plants. Anything that grows in hard and poor soil areas have long fibers which serve the textile industry well indeed.

Will everything be changed and wiped out at once? Probably **NOT**. Therefore **PANIC** is not the name of the game. Take it one step at a time—but hit those steps running the minute possibilities for funds are available. **AND, YOU MEET EVERY REQUIREMENT OF THE LAW—OF GOD AND MAN.**

Do you need to go back to the cave? Heaven forbid—why do you think you start this time with so much wonderful technology? You simply do not want the destructive technology—but rather, the life-enhancing things.

Why would we wish to put our “survival” places in proximity to the worst underground facilities on your globe? To have access to the protection **AND THE PRODUCTS** of those underground operations. The negative life aspects will be closed down. You are going to need to know how to get growing lights down under the ground, aren’t you? You are going to have sustained winds up to somewhere around 250 miles an hour—so life underground may well be your most comfortable way of going about living until normality returns to the chaotic top-side.

This means you will need to collect some earth movers and tunnel drillers and other neat mechanical things beyond the shovel and pick.

Does this mean that you live like ants in a maze of underground holes? Yes, probably. You will also have to provide underground for your animal life as well—and for crops and foodstuff. The “natural” resulting chaos will probably return to what you call living normalcy by about 2015 and you will be a long way ahead in your underground controlled-growing capabilities. When you are able to comfortably build above ground again, you will be wiser and more diligent in your approach. **AND THAT, FRIENDS, IS THE LEGACY WE LEAVE TO OUR CHILDREN—NOT DEATH AND DESTRUCTION.**

I have not missed a beat of our song, chelas. I have chosen people who I **KNOW ARE TRUSTWOR-**

THY and will SHARE TO THE LAST FARTHING WHATEVER THEY HAVE OR WILL HAVE. Would you? It always seems as if you would—but then again, it is always “after I get what I want”. We must move quickly and in full intention of God’s Will and I had to test my teams to the breaking point—to see if they would break. No, they have not. THEY HAVE NOT. They want to run away a LOT. They want to simply do things other people do—like go to a doctor or a dentist—but that too can wait if necessary. We must keep pushing and pulling and working every possible moment, and stop the dreaming about wings and posies—and get on with the “getting” for our needs. Gaining for self must stop as a focus. Greed or envy MUST BE ELIMINATED! STOP measuring self by any other for your job and joy will come from your own direction in action—not another’s.

I am asked why we don’t have as many listeners as does Art Bell? We don’t have a program is why. WE DO NOT WANT A PROGRAM—WE WANT NO ATTENTION SAVE FROM “OUR” PEOPLE, AND NO ATTENTION AT ALL FROM THE GENERAL PUBLIC OR GOVERNMENTS OF ANY PLACE—LARGE OR SMALL. DOES EVERYBODY HERE HEAR ME? WE WANT NO ATTENTION, FOR OTHERWISE WE CANNOT BE GETTING OUR MANDATORY WORK DONE. LEAVE THE BLOWING AND PROPHECIES TO THE ART BELLS, SCALLIONS AND OTHERS. THAT IS THEIR PURPOSE; IT IS NOT OURS.

“BUT WE COULD MAKE MONEY IN CASE WE DON’T GET FUNDED,” IS THE HUE AND CRY. NOT ENOUGH, IS MY RESPONSE—NOT ENOUGH. WE WILL DO WHAT WE HAVE SET OUT TO DO—MASSIVE FUNDING FOR MASSIVE GROWTH. A BIG PIECE OF DIGGING EQUIPMENT IS GOING TO COST YOU HALF A MILLION DOLLARS, AND ONE ONLY WILL BE NOTHING. WE MUST HAVE MAJOR RESOURCES AND OUR OWN VILLAGE MUST BE DUPLICATED IN VARIOUS PLACES AROUND THE GLOBE, DON’T YOU KNOW? WE DON’T WANT TO EXPOSE OR DISPOSE OF OUR VERY INTENTIONS THROUGH IDIOCY OF EXPECTATION THAT WE NEED TO BE BIG SHOTS IN THE OVERALL CALAMITY AHEAD. YOUR OWN ISLAND WILL SEEM VERY, VERY BIG WHEN YOU HAVE TO WALK IT. WE ARE REACHING THE VERY ENTITIES WE NEED SO IF YOUR INTENTIONS ARE JUST TO HUG TREES AND ATTRACT PEOPLE LIKE FLIES—STOP AND THINK AGAIN—CAREFULLY. WE HAVE MEETINGS—FOR OUR TEAM—NOT TO SOLVE THE NATION’S PROBLEMS. WE USE THE NATION’S PROBLEMS TO GEAR OUR ACTIVITIES SO THAT WE ARE NOT NOTED NOR PLAGUED BY INVADERS. WE ARE NOT IN COMPETITION WITH GOVERNMENTS, AND BILLY’S ZIPPER IS HIS PROBLEM AND THE PROBLEM OF THOSE WHO NEITHER SEE NOR HEAR ANYTHING ELSE. THOSE PROBLEMS WILL SOON NOT BE ANYONE’S PROBLEMS AND MORE ESPECIALLY ***NOT OURS***. NARROW? YES. VERY, VERY NARROW. WE WILL NOT INTERFERE NOR INTERRUPT THE POLITICAL AGENDAS. WE HAVE A MISSION AND IT IS NOT RELIGIOUS NOR IS IT POLITICAL. IF THIS DISPLEASES YOU WHO MIGHT HAVE BEEN WAITING FOR GRAND ACCOLADES FROM THE CITIZENS OF A WORLD—SORRY. WE SIMPLY WANT YOU TO STAY ALIVE AND THE CITIZENS TO GO THEIR GREEDY WAY. I WANT CITIZENS OF GOD—NOT CITIZENS OF THE WORLD. And, oh yes, there are a LOT of those nice people scattered all over your globe.

By the way, we are not here to know who killed Kennedy or which rendition of video tapes are correct. We learn the past to prevent the repetition of the acts in the future for we can only build in KNOWING—not in fighting or tattling or even in practicing a governmental process done before. We must know how to

build and grow in the direction of God's way and that means all we have to know of the old is what was—so we can recognize, in truth, what IS. Then we take the knowledge and USE IT WISELY.

The sequence of events MUST BE PERFECT, chelas, and not according to your desired (you think) timetable. If you act too quickly, you will be stopped—and every one of you are so impatient as to act TOO QUICKLY. But if you act too slowly—you miss, entirely, the possibility presented, forever! If we truly serve GOD, we will have the right WAY matched to right TIME-TABLE. This does not mean that my team can drift about in the breeze lest they never get their part of the “way” provided so that we can get on with the rest. I have about, give or take, “one” who is not allowed to get very far distracted from myself. The rest try for about every distraction they can find—to avoid the input which is mandatory but is so fearsome in responsibility. When they get on with focus on that which is mandatory, we will get INSTANT AND IMMEDIATE RESULTS. They all, E.J., just like you—cop out at every opportunity—even if it means going to sleep in the middle of a sentence. YOU HAVE ONE PURPOSE—AND THAT IS TO DO THIS NECESSARY WORK AND EVERYTHING ELSE IS OF NO IMPORTANCE WHATSOEVER. DO YOU BETTER UNDERSTAND ME NOW?

We have waited and nagged and pleaded with others to take up this awesome responsibility FOR US, and we FIND NO ONE. Some have taken up THEIR responsibility and have seen to it that we make it THIS FAR. They support in ways that are unmeasured in simple love and, yes, foundation upon which we can continue our own production. And they do this from great distance and solid realization of the need to keep us from folding our own tents just short of the city of stability.

Yes, Dharma is given to see and know—but usually not in consciousness for the conscious visions are devastating and loom large to the human senses. It is painful for Scallion, as a for instance, or your other “Knowers” to see and realize the components of things to come, which are but the remembering of how it WAS. This allows you, however, to not duplicate errors, but rather, change, grow, balance and harmonize with all that comes hereafter. BUT, gang, the time is now for action with the LARGE possibilities.

Dharma, for instance, just this week was given to see a vision of a man in robes with blood on almost all of his being—turning to help others who were injured and dying. It was not a large group and the faces were unclear—but she has seen something which will happen within the week or next, as notable people begin to be targets of assassins and governments making a play for final domination. Yes, she knows who it is—but the final placing of a face on one of the departing GREAT people, is much to bear and the brain will cover the features so that you can deal with possibilities but not focus on the grief of “one”. It is like Ellen in that she can grieve over a friend called Del in his departure at 80-plus wherein others who know not Del can only note that an 80-plus man “passed” on. We must honor BOTH, but one stops the motivation for a bit while the other allows continued focus instead of distraction.

So, was it HERSELF she witnessed? Is it symbology? It is warning and reference, and don't read more into it than is there. IF it be her in her vision, she must realize that she was still living, even if bloodied, and things would go on. If it is not her, it is important, that person there, even the dead ones, of note. If you see the face and realize the missing person you planned from which you would receive help—does it slow or speed your assumptions and necessary actions? YOU MUST GO ON FOR NO MAN IS INDISPENSABLE TO GOD'S CAUSE. YOU MAY EACH BE “VITAL” BUT NOT INDISPENSABLE ENOUGH TO ALLOW CLOSING OF THE MISSION AT HAND.

She says to me, “But Sir, I believe it to be Kofi Annan in my picture.” I say, “So what? Is it the one living or the one dead?” Is there a difference? Not to us there isn’t—except to realize that things happen and more and more will be happening which will literally break your hearts as you see man destroying man. Do not the living spill the most blood? The dead stop bleeding in the human form. If a man is bleeding—he is still alive and isn’t that a wonderful realization? The dead may well precipitate the actions of the living toward positive and good actions—and isn’t that an even more marvelous realization?

May you NEVER stop seeing the flowers—but may you always continue your vision to that which is to come IF YOU DO YOUR WORK. And, WORK is a silly word—for your work is your very life-sustaining joy. BOREDOM has killed your world and left it to the dregs of humanity.

Think carefully upon these things for the time is upon you in the choosing and in the sorting. CHOOSE GOD AND ALL ELSE WILL BE ADDED UNTO YOU—BUT YOU CANNOT CHOOSE **FOR ANOTHER**. HOWEVER, THAT **OTHER** MAY WELL TRY TO DO “YOUR” CHOOSING. BE CAREFUL AND GO WITH THAT WHICH YOU **KNOW TO BE RIGHT**.

Salu and good morning. May the day you create be wondrous.

People nag about knowing where is it safe? You will know where you are to be in God’s placement—for you will be where you are to be! If you pile in upon those who you think to be in security for any reason at all—you will make gross errors for those in my location, for instance, may be destined to physically not make it. Stop moving about and working in FEAR, and start trusting GOD and SELF—AS ATTACHED TO GOD.

CHAPTER 12

REC #1 HATONN

MON., JUNE 15, 1998 7:57 A.M. YR. 11, DAY 303

MON., JUNE 15, 1998

SEERS, PROPHETS AND PUPPY DOG TALES

I am not being sarcastic, readers, there are real things coming down and when you spend your time trying to Pick-a-Prophet in the game of living, you do waste a majority of your time allowed for attending your needs of today while never minding the things to come.

We met yesterday and discussed these things and I ask, did anyone hear anything that I had not told you years ago? Is it confirmation you need? Is it reality you need? Are you hoping to find *someone—anyone*—who will tell you all this chaos is just going to fall away if you just hug your rose-bush and pray real hard—FOR WHAT?

Today you have trouble in India and Pakistan, new troubles in Kosovo and then the OLD troubles are simmering on the stove which has NEVER BEEN TURNED OFF. Now you again have to face the y2k computer stuff. Come now, these are all guerrilla terrorist encounters to one extent or another.

If you think the Banksters are stupid enough to let the banks fail because of a “run”, you are mistaken. You can’t get more cash from any bank than just a few small dollars at any one time. If you use much cash—you have to order it in advance and then a report is made. Banks DO NOT KEEP CASH on which to have a run! The Big banks are still merging and exchanging and vying for position in the new cashless society, AFTER the changes come down and you-the-people don’t have any way to fight back. Killing the local teller will not hurt the banks—just your chances of surviving.

The old useless fragments of any Constitutional government will fail and that is still set to happen by year two thousand. Further, world corporations are going to do just fine in such a changeover for they are owned by the same Banksters as control the rest of society’s apparent holdings. Do you really think the Banksters are going to allow all that interest on the trillions of dollars of debt to just go away?

I suggest you use your heads for THINKING and not for talking until you sort this mess of possibilities.

Opinions by intelligent people have everything from total disaster and collapse to “nothing” is going to happen. Some just take an average of opinions and come in the middle with “something may happen but only to the OLD systems”—and they are the ones to hear.

The big story goes that in Year Two Thousand the whole world financial system and the connected economies will go down. It is said that everything is so connected that when the first little fragment goes down everything will topple and go down. That is a remarkably naive assumption. The big pitch is “use my product” and perhaps you won’t go flat like the pancake dough when the entire world financial and

political government systems collapse and all starve.

Readers, these systems have check-points wherein if there is a failure in the grid system, only the portion with the problem is shut down—and that is usually only until the connections are cleared and the circuits reopened. And, since the “home offices” are now on satellites, there is not any particular reason to concern over little banks in Podunk having glitches while the major resources continue to function. Therefore, KNOW that whatever is coming down, it is because of PLANNED ACTION.

BIGGER PROBLEM

The bigger consideration is this Photon Belt you are IN. There are now solar flares which are bombarding the Earth—along with the planned bombardment of planned activities easily loosed upon you.

When the “remote viewers” do their viewing—they don’t have to look further than this paper for what is going to happen and neither do you. The Photon Belt is a naturally occurring phenomenon, and if you add to that the HAARP pulses, the nuclear bombardment, and the incredible pulses of electricity—the electronics systems of your little network of toys will go down, if not burn out forever.

What is going to hit your world, planned prior to the close of 1999, is going to be magnificently large in electric-particle games. Photons are going to be the most easily utilized weapons.

You are being told that you need to be some thirty feet underground to protect yourselves from heat and radiation. That’s a good number. I wonder if you will ever wake up, however, and realize that God and Nature are not the culprits in these organized and orchestrated events.

And, oh yes, the “remote viewers” know all about this because they started out in the military security forces. They KNOW what is available with which to play out there somewhere.

Richard Maybury puts it very well indeed:

“A bug-infested bank could bring the whole world to its knees *only if it stayed connected to the world net and no one did anything about it.*”

How much do you think it takes to shut down sections of a system? One switch? Two? Sometimes it only takes a local surge of power. The local section is down and without power, but the rest functions just fine until all come back “on-line”. Why do you think you are having massive weather testing? This allows the Big Boys to learn what happens with you-the-people under disaster circumstances and how long it takes to get towns and cities back into operation and how many people are prepared to attend themselves. The findings? Almost NO ONE IS PREPARED FOR ANYTHING—EVEN SUPPER. That is the concern—THAT YOU WILL BE PREPARED!

I hope you realize that the people will be pretty cautious about the possibilities of y2k and will keep pretty good hard records. But more to the point, what happens when the Brokers and Banks close in the market? Does your Social Security system go off-line? Come now.

There is a planned control being run NOW to shut down various systems, and any left remaining untested and updated may well go off-line for a short period of time on December 31, 1999. Then the most important parts of the networks will be started first, and others in order of priorities.

What the mouths are saying is that every system will go down and the end is come. Do you actually think the major communications networks are going to go dead? How fortunate that would be for you mesmerized watchers. THE ILLUSION OF SHUT-DOWN IS PLANNED TO HAPPEN. THIS IS CALLED “PLANNED CHAOS” and gives the Big Honchos the chance to grab it all and there will not be one shred of ability for you to recover anything. Even if you have HARD data, there will be the tale that there is nothing—for there will be nothing. Banks hold nothing now; why expect to lose anything then? Federal reserve notes and wire/computer data have nothing to back the notes—what is different, other than everything is then in acknowledged total loss?

Will your government then just be forgiven for debts into the multi-trillions of dollars? No, the banks will simply continue in their already begun foreclosure and take everything hocked to the World Order—INCLUDING YOU.

You can expect that overpriced market to also do what is planned—CRASH. I would suggest that you not be IN THAT MARKET and the Market may well not wait until Dec. 1999. They can pull off a crash any day now and never blink twice and not have to concern over cover-ups.

Engineers are not stupid lunks, people; every seriously designed critical system has built in back-up so that manual operations can be pulled into play should there be failures in the major computerized systems. These systems get major things running again almost instantly and some things within only a few hours. Example: The valves in your local water treatment plant are computer operated almost everywhere around the country now, but there are hand valves available if problems happen and power shuts off to the computer systems. In crucial systems there are alternatively powered generators which are stop-gap measures which allow for repairs and bigger on-line generators.

And remember something very crucial: THE NEWSLETTER INVESTOR-WRITERS are going to sell you a bill of goods and tell you to do this or do that to protect yourselves. There is a goody going around to get into T-bills. T-bills? Aren't those TREASURY bills? If the government is down—won't the Treasury be a bit disabled?

There is more planned chaos come November of this year. Haven't you heard about the meteor storm expected? “Small particles” it reads, but able to disable satellites. “Military satellites will be undamaged because of their protective covers, but communications-use satellites will be greatly damaged.”

Then what do I suggest? Well, what would be a good thing is to get transferred to independent banks—and “independent” means with NO CONNECTIONS TO THE FEDERAL OR WORLD NETWORK SYSTEM OF BANKS.

But there aren't any? Well, there should be and perhaps it is up to you to make sure there ARE! If you have money to support a bank—start one—on sovereign Native lands. Back them with gold and set your own standards. If the computer systems to your Federal Reserve moochers go down—you are happily secure in your little space pod. It would also help the Native economy greatly. WHY DO YOU THINK

THE GOVERNMENT IS TRYING SO HARD TO GRAB OFF THOSE “INDIAN” LANDS? The Natives, in addition, are smart enough not to put all their eggs into one bank and wait for the robbers to show up—they are far more dependable than that sort of silly exchange.

Natives are good trackers and guerrillas to boot. The U.S. city-boy soft military gun-fodder troops can't handle guerrilla warfare. How long do you think a troop of foot soldiers would survive out there in Death Valley or anywhere a Native Reservation LAND-SITE was considered bad enough to be set aside as a RESERVATION?

But you might end up having to share something with these Native Brothers? Good for you! How fortunate if the Lakotas and Dakotas and Hopi just took over the world. Oh yes indeed, GREAT SPIRIT GRANDFATHER will certainly give them a very large hand to boost them along. GOD PLANNED IT THAT WAY! The Elite's Plan 2000 is piddling to the side of God's Plan 2000.

Will it be survival of the “fittest”? Oh, I don't know—but I plan to be among the fit. How about you? And by the way—those nice UN Peacekeepers will have their hands full in the cities, rather than running about the deserts and hills of rocks on some Native Reservation where the Federal Troops are SWORN TO PROTECT THESE CITIZENS IN THEIR “CARE”. If Mr. Wilson sends in the National Guard of California into the Morongo reservation at Palm Springs—the Federal Troops (Your military) are SUPPOSED TO BE RIGHT THERE TO STOP THEM.

Will they be? Who knows—the computer tracking system will be down——won't it?

Am I sending cryptic messages? Oh indeed! How cryptic do you need, readers? I am suggesting you use your minds for something other than ear spacers. And yes, it IS cryptic but it is not SECRET! Oh my. Well, the only code the enemy couldn't break in WW II was Native American language. Wow, and you have so many Native places to use if you plead for mercy. Would this be a big problem to the Elite? Do you really think the Muckys of Palm Springs are going to go en-masse to the Morongo Reservation? Only the brighter ones, and those are indeed few.

Overseas in enemy territory—you know, Iraq, Libya, et al.—don't even have that limitation of placement problem. Moreover, there are a lot of dollars in those areas because the OIL BUSINESS CAN ONLY BE PAID OFF IN US DOLLARS. Would those people help you in bondage in the US? I don't know—have any of you asked them? No, you are too busy calling them “Hitlers” and “Madmen” and they call you “Evil Empire” and “Madmen”. It is hard not to agree that both are quite INSANE. Where would anyone logically go for help? To the ENEMY of your Enemy! Well, the New World Order is NOT YOUR FRIEND and so what does that leave you holding in your “Snipe sack”? Does this mean that I advocate fighting this “New World Order” thing? No—I don't “fight” anything—it never works toward a solution to the problem at hand.

THE NEW AXIS

Just who are the New Axis enemies that keep popping up in the news? Is this some sort of new order or is it something just conjured to use today?

Oh readers, this is a take-off of the Axis powers vs. the Allied powers in the prior line-up of offenders and defenders in your other silly ONE-SIDED WARS. It is easier to think in terms of “Washington’s (D.C.) enemies”. Those are comprised of just about every “thinking” nation on the globe. The major ones in the running today as to the areas in point are Iran, Iraq, Syria, Libya, North Korea, China, Pakistan, Chechnya, Serbia, Sudan and the Taliban in Afghanistan. But dozens are joining forces as we write—all among the Persian Gulf area countries, and others scattered around the globe with enough strength to take a position without being blown off the map itself. Washington has NO FRIENDS, ONLY ENEMIES WITH VARYING DEGREES OF DESIRE TO SELL YOU OUT TO THE HIGHEST BIDDER. And which is the most IMPORTANT? China of course. China can eat your lunch in one mouthful.

WHAT ACTUALLY, ARE GUERRILLAS?

They are the ones who win wars effectively—against incredible odds of trained military troops.

I would note that you can go back and read about such as Vietnam and find that, no matter how many trained and disciplined troops were sent in, the guerrillas with one or two snipers could gain control. The response was, of course, to literally kill off whole townships of people in the frustration of being unable to actually fight a “regular” war.

Using air power over Vietnam, it took three B-52 bombers and 80 tons of bombs in one stage, to kill ONE enemy. This one enemy needed and had nothing more than a sniper rifle worth around \$300 to keep a whole battalion of Marines tied up for days.

And just how do you think these same Marines would do on the Indian Reservation at Eagle Mountain?

Across the world in Turkey you will find that it is requiring a minimum of 200,000 regular troops to fight only about 1,200 Kurdish guerrillas.

I speak of these things because it is so important that you not feel that just because you are outnumbered in trained Elite participants—you are NOT outnumbered in brothers in the same cause—freedom and security.

As you are hearing more and more about those expected disasters—can you not think and join with those who wish to be prepared? I don’t mean in arms and battlefield tactics—I mean in REASONED-OUT POSSIBILITIES. If you know the stores are going to be closed for some reason for a week or so, don’t you go and get milk and eggs, some bread and other things for that week? If you don’t know but only suspect you COULD have a closure, you can freeze things, or get canned things, even milk, to fill in IF, and do very well. It is the lack of thought and preparation, while the very wolves do the training and thinking, that keeps you helpless. Empower yourselves—and this does not mean get a bunch of guns—empower YOURSELF by accepting responsibility. If you feel you cannot do this for self—then join with those who have the control of selves to lead. But you have to support them for they cannot be all things to all beings. Neither does this mean to go forth and defy the laws of the land, and never does it mean to break the laws of God.

The Elite controllers are cowards. Yes, I said COWARDS. They have to have force to support them, and

let us realize that the soldiers they use—end up being children or co-Elite. The mature and “thinking” adult soldier is not going to serve them when the chips are down and choices can be made. Remember, we are talking about the Elite of some 13 families and less than 3 percent of the population of the world. That leaves a lot of citizens to be on YOUR SIDE.

I would leave this now for I don’t wish to linger today in view of yesterday’s heavy load. Begin, however, to risk a bit and step out there and consider your possibilities and take a bit of time and effort to see where you can make your place a bit more safe and your assets a bit more secure. I urge you not to wait until the fat catches fire to consider the possibilities—after the curtains are alight. You don’t need to wait for me to speak or someone to drag you in—you set up some meetings and begin to see what you might, as a unified group, accomplish. You don’t need to be an official club or group—just a community setting of people you already know. Others will come and share when they see that you are reasonable, reliable and good citizens just hoping to create a better way.

Am “I” concerned about computer shut-downs and banking failures? No, I am not. We plan other alternatives if we are in need of such services. It requires large and great thinking, and then go create and get what you need to support the better plans. Planning doesn’t take money—but it takes the “knowing” that you can get it, doesn’t it? When will you learn to trust that Higher Power within self—that has that connection with God? You ask for what you need as HE sees your need, and the call compels the answer. However if you do not expect to receive for your needs—count on it; it won’t show up.

I just wanted to leave you with these thoughts as a parting offer for this week—let us see if we can think outside the ordinary lines of the trained seals and sheep flock.

Salu, and know that God blesses your thoughts as shared in goodness—and will see to it that those thoughts are made manifest. But you must put aside your “trained” mental traps and open your mind to God’s input. See and Hear and then, KNOW.

CHAPTER 13

REC #1 HATONN

TUE., JUNE 16, 1998 7:22 A.M. YR. 11, DAY 304

TUE., JUNE 16, 1998

DUCKS: SCATTERED OR IN A ROW?

There is a rather wise quip which goes: “If it waddles like a duck, quacks like a duck, looks like a duck, and acts like a duck—what is it?”

Well, readers, it is NOT ALWAYS a duck. But circumstantial evidence unfolding will usually disclose said imitation or copy as to being a duck.

Example? George Green had the makings of being a “duck”. Then his decoy “so-called friends” made sure his “duckness” was projected and their false inputs to make their own points did, in fact, cause him to be considered a duck. But is he a duck? No, and left alone he could have been guided back to the security of the duck sanctuary. In an effort TO BRING OTHER NON-GUILTY PARTIES TO DEATH he was sucked away and into a world of counterfeit activities. It remains the same yesterday, today and for always—when first you begin the game of deceiving—you are entangled in webs of shackling lies.

When those “others” learn of the tricks being played and the deceit being foisted off onto all who come within the circle of information, the stuff hits the fan and scatters all over the poop-deck like duck goo. Ducks and geese are wondrously beautiful and fun in a park but they make walking through the grass nearby a feat of tippy-toe at best.

The results of actions ill-thought bring chaos and confirmation of seeing ducks when there are no ducks in the compound at all.

Attorneys are the Elite of the liar’s club. It is usually that TRUTH will not suffice for anything in their training manuals for “doing” a case. The point is to fabricate a tale which a jury will buy, whether true or false—but emotionally pleaded by a better actor as lawyer than the opposition’s actor. When you have a fabricated story and a lawyer embellishes with the blessings of the court—you have idiocy. When revenge and desperation enter the picture the entire play gets distorted, blighted, and you can’t even find the original plot of the scenario.

It happened with Henry Ford as well, in his research projects on the topic of “The Jewish Question”. He tried to find the reasons things worked as they did and, frankly, he found a lot of “ducks”—but were they ducks? No, and neither are the Jewish people responsible for the mess created aboard space-ship Earth. But nobody hears that conclusion, do they? He was labeled an Anti-Semite Bigot and that’s that! But it isn’t “THAT”. It is a very long way from being “THAT”.

What George Green feels or thinks is only relative to the importance people place on him. The same with Henry Ford. Henry Ford never said he didn't like the Jews; he said there was a "Jewish question" and invested a fortune in trying to establish the problem and find a solution. Green just had a problem and proceeded to get "assistance" which has wiped out all credibility in even pronouncing his own name. Ford tried to tell the truth of the matter in point; Green tries to cover EVERYTHING in more and more unmatching lies.

I can't speak much about Green because the confrontation yet rages on about four or five "fronts". However, we can look back and see what about Henry Ford.

By 1927, less than five years after the major "Jewish" research, Henry had found that the "Question" actually had almost NOTHING to do with JEWISH people, race, creed or color. He found the responsible parties were Elite and very shrewd JEUS. (Meaning of JEU, remember: Shrewd gamesmen.) However, it is noted that the shrewd gamesmen don't play fair, they lie, cheat and steal all along their journey to keep ahead of the mass-pack in the garnering of THINGS, wealth, status, power and control over others. These shrewd players USE ANYTHING AND EVERYTHING to gain, take and maintain their status at all costs—especially to the very people from whom they cheat, lie, and steal. And, the last thing these shrewd players can do—is LIVE AND BE IN TRUTH.

Truth will always ultimately OUT in the ordinary world of evolvment—but sometimes it takes lifetimes for Truth to be realized. Honor will always prevail—but who can wait 2,000 years for Truth and Honor to be played out on the stage of the living cycle?

"Jew" is not a Biblical word although it now shows up as being a "beginning" word to be translated. There is no "rapture" as in "RAPTURE" TODAY DEFINED by the fundamentalist teachers and preachers. These terms were NOT—period.

Jew became a *Talmudic* term because when the "13th Tribe" of mixed race/nationality people called Khazars were required to take up a current, for the day, religion—they chose Judaic religious doctrines for they found that the religious doctrines of that sect/cult, and the actions of the people in that religion, more nearly matched their own desire for commercial wishes of status, and attitudes about status itself, along with the acceptance of outstanding and higher "power", to be quite like their own. Besides, they had Judaic rabbis living among them and acting as advisors to the leaders. They were shrewd businessmen, commercially focused and needed to control everything in order to maintain status and power. In the process they literally STOLE the heritage and plundered the very beliefs of a whole established group of people.

These very "Jews" then went forth leaving the label onto the backs of the Judaic people while they marched on to call themselves Socialists, then Communists, then Zionists, and now Elite One Worlders of the Democratic AND Republican controlling leadership. These "ducks" are simply a compilation of the shrewd manipulators of all and any RELIGION, RACE, CREED, OR COLOR. ***HOWEVER, they chose to first call themselves JEWS and didn't even misspell the word in original documents. The term spelled "Jew" came ever so much later in evolvment through the generations and at the hands of the manipulators and tampering Scribes and Pharisees. They have NEVER been other than Pharisees to this day—the commercial-controlling PARTY of the ELITE.***

It is not in the misunderstanding that comes the problem—it is in the refusal to understand and find THE TRUTH. Why would George Green take the gold intended for the Institute? BECAUSE HE COULD. Why do the Elite continue the lies and controlling destruction of freedom? BECAUSE THEY CAN. GOOD AND BAD are merely concepts. Do the Elite think themselves to be BAD? Of course not. Does Green think himself to be “BAD”? Of course not. They think themselves to be “good” and/or persecuted. Why? Because they have no GODLY set of rules and regulations to cause them to move in the goodly direction beyond their own opportunistic moment of choosing directions. THEN, comes the Evil CATCHMASTER—who catches you up in blackmail wherefrom the “caughtee” cannot extricate self, so the lies and dark actions continue until they have absorbed the very being and the result is that the “caughtee” can’t tell the truth lest he be hanged or lynched—not for the first deed but for the resulting lies, cheating, stealing and ongoing thievery and damage committed upon innocent “victims”. GOOD or BAD is only a perception. RIGHT and WRONG are the terms in point. In other words: you can have an action which may be considered EITHER good or bad OR good NOR bad—but it very definitely bears defining as RIGHT or WRONG. It may well be within the laws of man, your action—but is it within the LAWS OF GOD? Is a thing morally RIGHT or WRONG—or in some dingy gray area in between? But to further the example: To steal something from another FOR GOD, is WRONG. Why? Because YOU have decided what you stole was “for” God when in actuality it was for your own recognition, whatever you choose to do with the “thing” or “item”. Now, if you are RIGHT in thought—you would not secretly STEAL anything. In the example of Green, you would come right out AT THE VERY BEGINNING and say, “I have some gold sent to the Institute but I am going to keep it to repay my expenses.” This would be open, in the Light of all present and affected by the taking or leaving and the whole thing would be worked out feasibly and openly. But to secret away and bury the item while slyly conjuring excuses for doing so is deadly in concept and circumstantial “duckery”.

Henry Ford worked for years to undo whatever perceived damage his research had done to the “innocent” race/religion of Jewish groups and persons but the MEDIA didn’t focus on those interesting revelations—for it was the very media that was among the most Elite of the shrewd manipulators of what the public would THINK and BELIEVE.

Was Esu Emmanuel (JESUS) of the House of Joseph a “christ”, a “teacher”, a “messenger”, or a “fraud”? He was none of these things. At best he was a GOOD MAN AND A MESSENGER OF TRUTH FROM GOD TRUTH. The man in point simply KNEW truth and tried to TEACH IT. He went about practicing what he preached and would today be labeled a far-out hippy New Ager. His intentions and teachings were “christ” in concept of exactly what the word MEANS: “good actions and intentions”. “Christ” is NOT A NAME—it is a word defining “actions and belief”—or, an emotional state of being. It is NOT synonymous or a substitute word for LORD. But “both” are “titles”, as is “master”. GOD has a very definite meaning as well—but is scattered about among anything or anyone the masses or a singular being wishes to call a thing or being. “God” too is an “idea”.

From *Webster’s Encyclopedic Unabridged Dictionary of the English Language*:

“**GOD** (godded, godding) 1. the one Supreme Being, the creator and ruler of the universe. 2. the Supreme Being considered with reference to a particular attribute: *the God of battles*. 3. one of the several deities, esp. a male deity, presiding over some portion of worldly affairs. 4. a Supreme Being according to some particular conception: *the god of pantheism*. 5. *Christian Science*, the Supreme Being consid-

ered with reference to the sum of His attributes. 6. an image of a deity; an idol. 7. any deified person or object.” Etc.

In this particular dictionary the word falls between Goclenius and Goddard. But, can you define either Goclenius or specifically, this Goddard? Well, Goclenius “a crater in the fourth quadrant of the face of the Moon: about 32 miles in diameter”.

“GODDARD: **Benjamin Louis Paul, 1849-95**, French violinist And composer.”

When, readers, you take time to place things in PERSPECTIVE you can only realize what you either “think” or “know”—OR LEARN. Are Goclenius or Goddard important? To someone they are more important than God, so don’t fool yourselves, chelas. To the music student of the violin—Goddard is very important and to the astronomer who studies the Moon there is little else as important as Goclenius. Point? YOU CAN ONLY DEAL WITH YOUR OWN PERCEPTION OF A THING OR A BEING.

And, in the focus on the “Jew”, “Jeu”, Judean, or Zionist, you can only judge or discern on the basis of what you know and if you don’t bother to know ALL of the story then how can you make judgement or discernment? However, on circumstantial evidence evolving—you may well find that the duck is still a duck but the Jew is NOT. Neither is Green a duck—but he has proven himself to be a liar, cheat and thief, having broken honor and the law while still trying to make the law fit his needs through coercion, threats, and further lying and cheating, and with plenty of helpers, to add to the conspiracy of unlawful actions.

Is either topic or focus *important*? Which is the most important? Well, in actual “importance” the misperceptions of the JEWS are the MOST IMPORTANT BECAUSE THAT AFFECTS THE MOST “OTHERS”. BOTH ARE IMPORTANT FOR OFTEN TIMES THE SAME METHODS OF ACCOMPLISHING A GOAL ARE EMPLOYED AS TOOLS, I.E., LYING, CHEATING AND STEALING. This negative WRONG behavior is what labels BOTH. Is it fair? FAIR? Yes, if the shoes fit the feet. Is it RIGHT? Right? That depends on evidence. It is not fair or right to label people as in a group—on the other hand if so many of a group believe in the Supreme Being as god of some kind—the whole will be labeled or in other words, painted with the same brush and color of paint. Make sure you have the RIGHT GOD in sight as your GOAL. You can only be as GOOD as the GOAL you claim and work to achieve. Further, you CANNOT be GOOD if you are always BAD. A GOODLY GOAL CAN ONLY BE ACHIEVED THROUGH HONOR, INTEGRITY, GOODNESS, TRUTH AND DESIRE FOR GOODNESS TO PREVAIL.

You cannot arrive at “GOD” by following a MAN—any MAN, not even a “Jesus”. Jesus is a name of a man. You find GOD by following the CHRIST “way” toward all things and actions chosen, intended and honored. God of Light and Creation—offers the ability to CREATE from that which IS—the opposition requires that you be restricted to the human aspect of functioning as a physical “USER” of that which is already created. Is there a difference? If you don’t know, you are in trouble already. GOD IS GOOD WITHOUT EXCEPTION. Man places his own interpretation on his perception of what is good and what is evil. Does good or bad, back to the above question, have great meaning? No—but right and wrong both have explicit meaning as does “christ” and “anti-christ”, “good” and “evil”—and BOTH are measured through relative positioning to GOD, the Supreme Being of positive creation. Satan can be a totally accepted god—but is he positive or negative in “right” and “wrong” behavior? This too is percep-

tion but all beings are created with the KNOWLEDGE of “right” and “wrong”. Only insanity, brain damage and physical brain retardation offer up “unknowing”.

Now, let us consider living itself, in a human arena. You have to confront and function alongside both the perceived righteous and unrighteous. You do not become one or the other through this side-by-side experience although you may well choose one or the other as an intent or activity. You wear the “mark of the beast (or evil)” in the soul, not on the face or hand. The “activities” you choose indicate your choice of “which” direction you move and with whom as a segment or a “mass” of societal interchange. Either way **YOU ARE THE THOUGHT OF GOD EXPRESSED (MANIFEST) IN A *FREE-WILL ALLOWANCE BEING OF HUMAN STRUCTURE***. I might note, however, that the choice is most often REFLECTED on the face and within the eyes of the individual having made a choice. Can this be “faked”? Of course—**BUT NOT TO GOD**. You may well fool all the people all the time—**BUT YOU DO NOT FOOL GOD AND YOU DO NOT FOOL THE COUNTER-PART OF GOD**.

When Evil intent snags your soul you are caught in a trap of intrigue where good intentions are put down to protect the property of the demons within. God **COULD** snatch you back but it would deprive you of your experience in the schoolroom of experience and you would simply think you put one over on “God” and revel in the recognition of thinking you have somehow fooled “goody two shoes”. You can even come to believe in your own lies and excuses—**BUT THE “YOU OF SOUL”** knows better and keeps you getting into the trap deeper and deeper by the weight of every new lie you tell. **LIE TO SELF-SOUL AND YOU HAVE LIED TO GOD! REMEMBER IT FOR IT IS VERY IMPORTANT—TO YOU**.

How often do YOU go beyond the point of easy return in the wrong direction? Forgiveness of actions is not the same thing as condoning lack of responsibility! Forgiveness of you **BY ME** only releases **ME FROM THE BONDAGE OF THE NON-FORGIVING FOCUS**. Therefore, “forgiveness” is a mis-used and abused understanding as well. The inability to “forgive” another is simply insuring the bondage to that other. Revenge, hatred and other negative attitudes keep the focus on the negative aspect—so why do this to yourself by allowing such bondage of self-being?

I can example what I mean by asking you to look at the Brown saga as relative to O.J. Simpson. O.J. was found “not guilty” by a **JURY**. But the groupies proclaim him guilty. Ok so far? Well, what is this **PUBLIC DISPLAY INTERNATIONALLY WITH THE CANDLE BURN-IN TO CELEBRATE THE MURDER OF NICOLE**? Would it not be more sincere in appearance if Denise just went silently to her corner and prayed for Nicole? So, you **KNOW** that the burn-in is not for the relief of soul to God connection but to make a totally political statement to keep the **LIE ALIVE**. **TRUTH NEEDS NO CANDLES OR BURN-INS OR UPS TO KEEP THE TRUTH ALIVE**.

Do the activities of this sort or the grabbings of one Fred Goldman further hurt O.J. Simpson? Not other than in the pocket—and not even there any more. It makes the grubbers look greedy and false, and gains more and more empathy and sympathy for O.J. Simpson and his babies.

As for Freddie, becoming a leader in a **JEWISH (JEUISH)** organization to “**GET SOMEONE**” **ONLY FURTHER DAMAGES THE VERY PEOPLE OF WHICH HE IS A RACIAL-RELIGIOUS PART**—the Jewish concept and presentation. To connect with Ron, Nicole **AND GOD** only requires **THOUGHT** between and among you and them, she and them, he and them. And candles? Well, candles in the wind

quite often ignite something quite physical which simply burns up the party holding the candle while doing absolutely NOTHING for or to the departed souls, good or bad. When will you learn the difference in physical ritual and GOD IDEA? “Candles in the Wind” simply give the troubadours such as Elton John something to sing about to people like departed roses of England or something which is then related to individuals, i.e., Diana (as an “idea”, by the way). This COVERS the knowledge that such as Diana was MURDERED and not somehow martyred by her circumstances. So, crime pays in the physical experience—for a while, doesn’t it? Then when truth is brought forth—the mass-mind thought-forms wash back across the very people who just “took opportunity” in the first set of circumstances. And, Pollyanna, these people WERE MURDERED—INTENTIONALLY. THAT is what murder is: intentional killing.

Do you think it ok to kill the pesky flies in your kitchen? Well, the Elite think it appropriate and desirable to kill you pesky dissenters against them. See, it’s all in perspective, isn’t it? You of the masses have become something on the lower level of flies. You represent problems and are “useless eaters”, further depriving them of having EVERYTHING. “They” don’t hate or have revenge to bring upon you; they simply loathe and despise you for the confrontation and will do that which is expedient to remove you from being in their faces.

If they see you doing or having something that they can now or later turn into their own use and value—they will help you accomplish your “human” goals. If it makes them “look good” they will help you even more diligently but usually totally in secret so that they are not discovered by the other parties involved in their own supremacy. Always, actions are geared to the “advantage” gained against the “disadvantage” of non-cooperation or help.

Green always liked the example to protect himself from truth that points to himself by the concept that if you point your finger at someone—there are three fingers pointing back at self. SIR, ONLY IF YOU MAKE A FIST! ONLY if you make a fist!

Truth always points to the false—but doesn’t need a fist to do so. Truth enjoys, most of all, the LIGHT shown upon it. Falseness must have cover of darkness to endure at all. It cannot stand in the Light of Truth. EGO does the rest! Exposure of the falsifier will usually come from the falsifier him/her-self, or the ACTIONS will speak for themselves as the tales get larger and more outrageous the longer the culprit is loose and the more people who come within the knowing and want their cut of the “prize”.

Does conscience generally rule the outcome? No. FEAR of being caught is what ultimately is reflected in the claim of “conscience” and pleas for forgiveness of the perpetrator of ill-conceived activities and ideas. Would George have turned over the gold back to rightful holders? NO, not ever. He was CAUGHT and required to turn the assets over to the court. He was ORDERED by the law to bring forth the loot. All the other assets “not caught” are still missing and in his larder which he continues unceasingly to hide AS BEST HE CAN THROUGH FURTHER UNLAWFUL ACTIVITIES. But others KNOW and therein is the weakness of the game—for just as he betrayed others—THEY *WILL* BETRAY HIM AND ALREADY HAVE DONE SO!

When the Jewish people realize the extent of their own abuse and use, they and only they can clean up their own acts to present a different picture to the world—then the WORLD looking in must be made of people who KNOW TRUTH and accept it as what it is, and move on together to confront the real culprits riding

on the very lives and backs, as parasites, of the people themselves.

If you are infected and infested with parasites, which all things ARE, you must find the ONES that are killing you and get rid of those lest you not live to consider the others who may well damage but allow life to proceed. Recognize the ones eating your being or you will lash out at the wrong one every time. When you kill off the very parasites keeping you alive—you have really done a most stupid thing for the next turn of events will be your demise. When you live and become the LIE you are destined to perish in the lie. Truth can give you freedom—but not until you are ready to part with the lie.

Are these presented thoughts wisdom or foolishness? Well, that is, again, just your own perception, isn't it? ALWAYS, readers, it comes right back to the beginning: YOU IN RESPONSIBILITY FOR SELF. YOU EITHER ACCEPT IT OR YOU DO NOT AND THAT IS YOUR RIGHTFUL CHOICE. IGNORANCE OF THE LAW, HOWEVER, IS NOT A LEGAL EXCUSE UNDER THE LAW. MORALITY, HOWEVER, CANNOT BE LEGISLATED FOR MORALITY IS NOT SIMPLY "ACTION"—IT IS INDWELLING BELIEF IN HONORABLE THINGS, ACTIONS AND THOUGHTS. IMMORAL ACTS DO ***NOT REFLECT MORAL IDEAS OR IDEALS***. As example, a President who will betray a wife and act immorally, is going to betray a nation while acting immorally. If the wife is also immoral—so too will be the offspring and thus the nation will become made up of immoral people with immoral attitudes. There is no chicken or egg here—the immoral thought births all the rest.

Who should you believe in such instances, the person who says "affairs" are fine (and are probably participants in or have been, or plan to be, in affairs) or the right guidelines of society which says "affairs" are actual immoral acts of betrayal of one you swore to love, honor and care for with integrity? If Clinton will betray Hilly won't he betray the nation to, say, CHINA? In this example the man has ALREADY DONE BOTH! Can your nation recover from the ongoing betrayals by the leaders upon your nation? NO! Not the way it is going. You will either build a new and moral nation and leadership or you will fall—the concept is simple and pointed. All the flag-waving on the continent will not make you a moral nation—it simply makes you a bunch of flag-waving fools for the buffoons of the globe. You become the thing of jokes and tid-bits for the jesters.

When the religious parasites of the world are put aside by the people upon which they feed and citizens join in TRUTH instead of bias and bigotry—morality can again flourish for you will not longer tolerate the feasting on your carcasses.

Why doesn't my teaching get out to the masses of thinking people? IT DOES! It is simply lost on the non-thinking masses of unintelligent eaters and breathers.

To disclaim what I have offered here is to prove your own unintelligent and non-thinking foolishness to the whole world. No matter how you or anyone else twists and bends this truth offered here—it will not hide the FACT OF TRUTH in the messenger and that, therefore, makes me a MESSENGER bringing the word of God—an angel if you will, in the service of the MOST HIGH PRINCIPAL-PRINCIPLE. WHO ARE "YOU" TO DEFINE "ME"? George Green has called me, LOUDLY, "a liar". Does that make me a liar? Does THAT make you believe MORE that I might be a liar—or do you see somehow as things become openly KNOWN—that perhaps I AM ***NOT A LIAR?***

Does Leon, who totally believes in “unconditional love”, have to believe me when I say God has **CONDITIONS** but is **ABSOLUTE LOVE**. No, for his perception may well be correct as he defines unconditional and I define absolute. But to call me a liar and a dark energy because I **KNOW** that absolute and unconditional are **NOT** the same thing is simply uninformed attitude—not intentional denouncement—**UNTIL HE INTENTIONALLY DENOUNCES ME OR MY CONCEPTS**. And, if he would rather move about in the camp of thieves and liars and be used as to both getting his money and his soul presentation, so be it—it is not my business or the business of anyone who claims association **WITH** me. Is the individual in this point important? Of course he is extremely important—but **NO MORE IMPORTANT THAN THE OTHER HUNDREDS OF PEOPLE INVOLVED AS WELL AND IN THE SAME MANNER**. If, however, he chooses to **NOT LISTEN OR HEAR, HE CAN DEPEND ON BEING ROYALLY TAKEN BY HIS COMRADES** while he **DOESN’T** even **KNOW IT**. His attorney acts with an “absolute” “power of attorney” and he never even has to notify Leon of his legal actions and activities—**AND DOESN’T**. Leon can go about in misery blaming his assumed enemies—**WHILE THE PARASITES ON HIS BODY, MIND AND SOUL EAT HIM ALIVE**. When you aid and abet the lie, even in ignorance, you **BECOME THE LIE**. It simply **IS** the way it **IS**.

Can’t “I” approach this man? Yes, but by his own teachings of the fact that he believes the moving toward the **LIGHT** is moving toward evil and destruction (his presentation) I think you can see that I, being **Light**, only turn him about and cause him to shrink away from **Truth** and corner himself with the dark energies working, actually, against him deliberately and directly.

Has the Institute, or people involved with it—hurt this man? No—not one centavo has been taken from this man. But the alternative opposing parties have used hundreds of thousands of his dollars and now sink him into the muck more deeply to try and gain payment through further theft from the lawful owners of property. Is this lack of ability to think? No, it is deliberate **REFUSAL** to think correctly about a very important point—to both the Institute and the person involved. This particular example is just that, an example. However, to damage many for the one when obligation and fiduciary responsibility to other parties is involved, is not only unacceptable **BUT UNLAWFUL**. If you don’t understand the example—then consider same a **PARABLE** for the principle is the same whether or not you know a name to affix to the examples. When **TRUTH** is available, however, why do you disdain using truth and/or labels? You cannot get attention of a man in a crowd moving away from you unless you **CALL HIS NAME**. A hurt baby crying out for his **Mama** will cause every **MOTHER IN EARSHOT TO TURN ABOUT INSTANTLY**. But a man moving in a narrow tunnel of focus—will only respond to his name and, secondly, to a voice he **WANTS TO HEAR**. When you are moving in the pits of misery, despair and self-indictment—you don’t, surely, wish to hear the word of **GOD**, or reason, or **Truth**—**UNTIL** you are ready to confront **REALITY**.

Even stranger in reality: Leon not only still has his “notes” but the adversary (attorneys) have placed a lien (encumbrance) against the payoff on them. How is **THAT** for honorable friendship in this game of legal exchange? The first payments on Leon’s notes were paid and then skived off directly and intentionally by his attorney on his way to vacation in Italy—now the entire note value is attached by the same parasite. Legal? Of course. Immoral? Even more “of course”. Who can fix this? Leon. We have no need to serve our proclaimed enemies who have made life miserable for so many. Should an elderly parent suffer for the unseeing of the child? No, but who can rectify that circumstance?

I would close this now but I ask that you think on these things for things are getting pretty hot on your place right now and that means that “time as you recognize it” is not so abundant in perception as even a month ago.

Salu, and may the soul you save be your OWN!
