

photo EU, **Tower of Babel**

A falling Euro does not imply, right away, that the NWO has failed. I believe there is a two party fraction within the NWO, and these two are fighting each other heavily. There are the fake jews (Khazars) bankers, that control the (fake) money, on the one hand, fighting the Vatic-anus (fake Christians), which controls the gold (stored in Switzerland), on the other hand. The HQ of the Vatic-anus financial arm is the BIS, the Bank of International Settlement, created during the days of Hitler (second Holy Roman Empire), by the Fascist Hjalmar Horace Schacht (Hitlers banker) and the Zionist Wartburg. See in this context the tower of Basel the HQ of the BIS.

The European Union, which created the Euro, was prepared by the

Bilderbergers, this admitted its chairman Étienne Davignon who told in 2009 the newspaper [EUobserver](#) that the Bilderberg Group had "helped create the euro in the 1990s".

I believe the main task of the Bilderbergs was the EU, as a continuation of the former Third Reich. Look especially into the founders of the Bilderberg group (created in Hotel de Bilderberg, near Arnhem in the Netherlands, 1954) the Jesuit/ Socialist Polish politician Józef Retinger and the SS Prince Bernhard of Holland, husband of the former Dutch Queen Juliana. When you ask, what has the Protestant Prince of Holland to do with the Roman Vatican-anus, you should know that he was a member of the important Catholic Knights of Malta!

Another interesting detail is the Coat of Arms of Leiden, where you find the HQ of the Bilderberg (looks familiar?)

It is, of course, no coincident that the actual Pope is German (with an interesting past too). The name Ratzinger is similar to Retinger, but that is, of course, a coincident. He, the Pope, spoke of the forming of a world bank recently, didn't he. The

question is what is Merkel, the Strong Euro Pusher, trying to tell us here, see please the photo.

What does Merkel's hole gesture (whole Europe) mean? There was recently a youtube of Merkel and Clinton (another hole) referring to this hand gesture, based on an article in the important German news paper Die Frankfurter Allgemeine:

Take a look at this photo of the Vatican, and tell me what you see,

right, a small dick in a large pushy, or in academic terms: a phallic obelisk right at the centre of a oval square (where again did clinton play with his cigar?).

The rumor that Merkel might be Hitler's daughter is, of course, conspiracy theory.... but did you know that the sperm of Heil Hinkel was put on ice?

http://www.his-forever.com/angela_merkel_and_adolph_hitler.htm

Sure we all know about the importance of the phallic symbols related to the Illuminati! But isn't there a missing part? Right, that is what I

think Merkel is telling us.

(this one is in German)

Finally I'd ask you to look into the biblical concept of the whore of babylon (could that be Merkel and her handy hole): The **Whore of Babylon** or "Babylon the great" is a **Christian allegorical** figure of **evil** mentioned in the **Book of Revelation** in the **Bible**. Her full title is given as "Babylon the Great, the Mother of Prostitutes and Abominations of the Earth."

sources, prophecies of W.M. Branham (how could a "uneducated" man know all this)

And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the offering to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

Furthermore, the elect will not only be kept, but as this move becomes the "IMAGE ERECTED TO THE BEAST," the saints will be gone in the rapture. And this little delightful, winsome movement that started out in fellowship at Ephesus will become the monster of Satan that defiles and deceives the whole world. For the church system of the Roman Catholic and the Protestant in coming together will control the whole wealth of the world system and force the whole earth into its religious trap, or will kill them, by refusing them the privilege of buying and selling whereby they would make a living. This will be accomplished simply, for the harlot's daughters are all but gone back to her. In the meantime, Rome has acquired nearly all the supplies of gold. The Jews have the bonds and all the paper. At the right time, the harlot will destroy the present day money system by calling in all the paper, and demanding gold. With no gold, the system falls. The Jews will be trapped and come into the alliance, and the harlot church will take over the whole world.

177 And remember, in that time all the ministers give in. Jezebel was the leader. Listen, Ahab himself was a pretty nice guy, but Jezebel was the neck behind the head. She was the one who did it. She was the renegade. I ain't got nothing against that man as a president, but it's that Jezebel system that's behind it. Can't you see these popes and things coming in now; one's raising that don't know Joseph. And the first thing you know, we are right now asking the Protestant church to consolidate with it, and every organization will go right into the federation of churches, and there you're trapped. We are living off of tax money that'll be paid in forty years from today. The nation's broke. Where's it at? Who's got the money? We haven't got it. Our--our bonds are no good. We've got to have gold. Who's got it? The Catholic church. What will they do? Before these whiskey men and all these great holders and stockholders will ever give it up, they'll absolutely sell out, and the church will loan the nation the money. And what it will do, it'll sell its birthrights right straight into Catholicism. Then what are you going to do? Amen. That's the gold of the world, them and the Jews, and that's the covenant that he makes with Israel. See, you Bible readers can teach that in your church. You see, I'm just showing you I believe the same thing.

E-86 Castro... Sure, I'm against him. He's a communist. Right. I'm against him. But he done a good thing when he changed the currency and sent the gold back, bought up the bonds and sent the gold back. We'll have to do that, or there's one thing stuck in our face, that is that the Catholic church owns the wealth of the world. She's got the money. She's got the gold to buy our bonds back again. That's exactly. And you think these whiskey dealers, and tobacco

dealers, and great people of the country won't sell out to keep from losing all their business and counterfeiting the currency? They'll go right back and take that money from the Catholic church, and then she's sold. Right. Don't the Bible predict that? The wealth of the world

168-4 {349} And after the church is taken away, Rome and--and the Jews will make a covenant with one another. The Bible said they would, with the holy people. And now notice, they'll make it, because why? This nation is going to be busted, and the rest of the world that's on the gold standard is busted. You know that. If we're living off of taxes, due bills for forty years from now, where are we at? There's only one thing can happen. That's to call in the currency and pay off the bonds; and we can't do it. Wall Street owns them, and Wall Street's controlled by the Jews; the rest of it's in the Vatican, and the Jews has got the rest of it in Wall Street with the commerce of the world.

168-5 {350} We can't call it in. And if we could do it, do you think these whiskey guys and--and all these tobacco people with billions times billions of dollars a year and write off all their income tax for old vulgar pictures and things like that--go out in Arizona there and buy millions of acres of land--or thousands--and dig them big wells at fifty thousand dollars and pay it off with income tax? And they'd put you in jail if you don't pay yours. But they write it off and throw up wells and send bulldozers in. And what do they do? They put housing projects in there, and the next turn around with their money they made (they have got to make an investment) and put houses, projects in there and sell them for millions of dollars. Do you think them guys is going to compromise to change the currency?

169-6 {359} Now, when he gets the money all under control, then he'll break this covenant with the Jews, as Daniel here said he would do it, in the midst of the last half of the seventy weeks of Daniel. And then, brother, what will he do? He will have all of the world trade and the commerce, a pact with the world, 'cause he'll hold the wealth of the world completely. And during that time, them two prophets will rise on the scene and call that hundred and forty-four thousand. Then what'll take place? Then the mark of the beast of Revelations 13 will set in, 'cause he holds all the commerce, trade and everything of the world. And what will take place then? The mark of the beast will come in that no man can buy or sell except him that has the mark of the beast. Thank God, the Church will be enjoying a great three and a half years in glory. Don't have to go through that.
